DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102, "The Financial Reporting Standard Applicable in the UK and Republic of Ireland" ("FRS 102").

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102, "The Financial Reporting Standard Applicable in the UK and Republic of Ireland" ("FRS 102").

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Notes to the Financial Statements

1. ACCOUNTING POLICIES

The financial statements are prepared in accordance with applicable United Kingdom accounting standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS 102") and the Companies Act 2006. The Company adopted FRS 102 effective 1 January 2015. The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Basis of preparation

The financial statements are prepared on a going concern basis, under the historical cost convention.

Going concern

The directors have prepared the financial statements on the going concern basis. In making this assessment, the directors have considered the liabilities of the Company for a period of at least twelve months from the date of signing and approving these financial statements and the date at which these liabilities fall due. The directors have also received a letter of support from The Priceline Group Inc. which outlines its intention to continue to support the Company. The directors have also considered its ability to receive dividend income from its subsidiary undertakings and consider that the going concern basis of preparation remains appropriate.

Cash flow statement

The Company has taken advantage of the exemption, under FRS 102 paragraph 1.12(b), from preparing a statement of cash flows, on the basis that it is a qualifying entity and its ultimate parent company, The Priceline Group Inc., includes the Company's cash flow in its own consolidated financial statements.

Consolidated financial statements

The Company is a wholly owned subsidiary of Priceline.com International Limited and of its ultimate parent, The Priceline Group Inc. It is included in the consolidated financial statements of The Priceline Group Inc. which are publicly available at www.sec.gov. Therefore the Company is exempt by virtue of s401 of the Companies Act 2006 from the requirement to prepare consolidated financial statements.

These financial statements therefore present information about the Company as an individual undertaking and not about its group.

Judgments and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgments, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. The Company considers the investment in its subsidiary undertaking to be a significant accounting judgment, for which the Company assesses annually for impairment.

Foreign currency

The Company's functional and presentation currency is the U.S. Dollar.

Transactions denominated in foreign currencies are translated into the functional currency using the spot exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are translated using the spot exchange rate at that date. Foreign exchange gains and losses resulting from the settlement of transactions and from the translation at period-end exchange rate of monetary assets and liabilities denominated in foreign currencies are recognised in the profit and loss account.

Notes to the Financial Statements

1. ACCOUNTING POLICIES (CONTINUED)

Investments

Investments held as fixed assets are stated at cost less impairment, if any. See Note 6 for the type of shares that the Company held in its subsidiary undertakings.

Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is provided in full on timing differences, which result in an obligation at the balance sheet date to pay more tax, or a right to pay less tax, at a future date, at rates expected to apply when they realize based on current tax rates and law. Timing differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those in which they are included in financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

	2016 \$	2015 \$
Profit on ordinary activities before taxation	<u>2,687,382,140</u>	<u>1,625,437,943</u>

Current tax charge for the year	<u>—</u>	<u>—</u>

At 31 December 2016 and 2015, the Company had no unrecognised deferred tax assets or liabilities.

Factors affecting future tax charges

A reduction in the UK corporation tax rate from 21% to 20% (effective from 1 April 2015) was substantively enacted on 2 July 2013. Further reductions to 19% (effective from 1 April 2017) and to 18% (effective 1 April 2020) were substantively enacted on 26 October 2015. An additional reduction to 17% (effective from 1 April 2020) was substantively enacted on 6 September 2016. This will reduce the company's future current tax charge accordingly.
