DISABILITY EQUALITY (NW) LTD
(A Registered Charity and Company Limited by Guarantee)
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 MARCH 2020

The trustees of Disability Equality (NW) Ltd, who are also the directors for the purposes of the Companies Act, present their annual report and the financial statements for the year ended 31 March 2020, which are also prepared to meet the requirements for a directors' report and accounts for Companies Act purposes.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland.

Structure, governance and management

Governing document

Disability Equality (NW) Ltd is a charitable company limited by guarantee and was incorporated on 13 July 2005. The company remained dormant until 1 April 2006 when the objects of the charity commenced. The organisation was established under a Memorandum of Association which established the objects and powers of the charitable company, and is governed under its Articles of Association.

Appointment of trustees

The directors of the company are also charity trustees for the purposes of charity law. There is no minimum/maximum number of directors on the board at any given time, however, the Board shall comprise a minimum of 50% of skilled disabled people or a nominated family member or a carer. The trustees may at any time co-opt any person duly qualified to fill a vacancy or additional trustee. Such appointments are only valid until the next AGM. One third of trustees must retire at the AGM but can be re-appointed.

Trustee induction and training

Training and induction is provided for new trustees by means of an induction pack, accompanied by a Trustees' Handbook containing various helpful documents, and meetings with senior staff and trustees to learn about the background of the charity. The trustees are invited to take up places on relevant locally arranged courses.

Risk management

The trustees continually examine the major strategic business and operational risks which the charity faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks. Trustees meet on a regular basis, usually monthly, either in person or virtually. The Trustee officers also meet as and when required to ensure the smooth running of the charity. The Risk Assessment is used to inform the charity's Business Plan and Strategic Objectives.

The following major risks have been identified by the trustees:

- the ongoing pandemic, the need to keep volunteers, trustees and staff safe whilst continuing to deliver key services and creating potential ongoing funding issues for 2021 and 2022.
- the need to identify potential sources of funding to achieve Key Aims in the Strategic Plan;
- a constant need to attract and retain volunteers;
- a need to retain and recruit skilled staff;
- the reliance on a small skilled core management team.

As a consequence of these risks the trustees are constantly looking for new ways to reduce their outgoings and increase income from grants, contracts and donations.

Organisation

Trustees are supported by the Chief Executive and other paid staff from the offices in Church Street, Preston. Service delivery is supported by volunteers who are recruited and trained.

REPORT OF THE TRUSTEES (Continued)
FOR THE YEAR ENDED 31 MARCH 2020

Key management personnel remuneration

The trustees consider the board of directors, who are the organisation's trustees, the chief executive and the office manager comprise the key management personnel of the charity in charge of directing and controlling, running and operating the organisation on a day to day basis. All trustees give of their time freely and no trustee received remuneration in the year. The remuneration of the chief executive is determined by trustees in line with their remuneration policy, and then any decisions will go to the full trustee board for discussion and approval.

Public benefit, objectives and activities

Each year our trustees review our objectives and activities to ensure they continue to reflect our aims. In carrying out this review the trustees have considered the Charity Commission's general guidance on public benefit.

The objects for which the service is established are:

- to relieve people with disabilities living in the North West so that they may lead active and fulfilling lives integrated in the society;
- grants are made to organisations only to achieve the above objectives.

The charity is grateful for the unstinting efforts of its volunteers who are involved in service provision. It is estimated that over 2,957 volunteer hours were provided during the year. If this is conservatively valued at £9.30 an hour, the volunteer effort amounts to £27,500.

Achievements and performance

The charity achieved its objectives for the year through regular activities.

Review of activities – achievements and performance

Services provided include:

- Information & advice service;
- Disability hate crime 3rd party reporting centre and training service through the 'Support to Report' Hate Crime project;
- Direct payment information, advice and support through the Lancashire Independent Living Service;
- Strategic policy, training and campaigns work;
- Supported Banking service.

Core activities included governance, finance, building, membership, policy and human resources. Earned income from the Supported Banking Service is reinvested into the charity in line with its plans.

Financial review

The SOFA for the period is set out on page 10 of the financial statements. A summary of the financial results and the work of the charity is set out below.

The charity's income totalled £653,256 and expenditure totalled £555,727. The surplus of £97,529 increased the total funds at 31 March 2020 to £638,908.

Going concern

The Trustees have considered the impact of the Government response to Covid-19 on the activity of the charity. To date income has not reduced significantly however there is uncertainty regarding funding for future periods. Projects are continuing where possible and as a result, the Trustees consider that the charity has sufficient reserves to meet liabilities as they fall due for a period of at least twelve months from the date of the signing of the accounts.

REPORT OF THE TRUSTEES (Continued)

FOR THE YEAR ENDED 31 MARCH 2020

Funding

The charity is reliant on external funding to continue in operation. The National Lottery Community Fund is funding the 'Support to Report' Hate Crime project and contributed to core costs for three years until November 2021. In May 2016, a Consortium comprising of Disability Positive (formerly Cheshire Centre for Independent Living) and Disability Equality submitted a successful tender application to provide direct payment advice and support and a payroll service to direct payment users in Lancashire – the service is called the Lancashire Independent Living Service. The contract was until May 2019 and this was extended for a year to May 2020. A formal retender process for the contract has taken place and the charity has been awarded the contract.

The charity also has funding, through a consortium with Preston CAB as the lead, from Preston City Council, for the information and advice service, and various earned income streams in the form of supported banking service fees, training, room hire and consultancy. Additionally, the charity is grateful for the support of the general public for their generous donations, and this will continue to be an important source of income. The charity will continue to submit additional funding applications and is confident it will be successful with a sufficient amount of these bids to continue in operation and has plans in place to control costs in line with any reduction in the expected level of income if necessary.

Reserves policy

Total reserves at 31 March 2020 are £638,908, of which £78,615 are restricted funds and £560,293 are unrestricted funds. The trustees' reserves policy is to be equivalent to up to 12 months of average expenditure and to include enough reserves for project exit costs and redundancy payments. Unrestricted free reserves at 31 March 2020 were £560,293, which represents around 12 months of unrestricted expenditure. This is monitored on an ongoing basis by the Trustees to keep free reserves in line with the reserves policy.

Plans for future periods

- To work towards sustainability;
- To ensure all activities are led by disabled people;
- To review the organisation's key policy documents;
- To monitor and review all activities and to seek continuation funding for those still needed;
- To be responsive to the changing needs of local disabled people;
- To secure funding to achieve the key aims within the strategic plan.
- Steering out of the pandemic and ensuring that the organisation is fit for the future.

Responsibilities of the trustees

The trustees (who are also directors of the charity for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

REPORT OF THE TRUSTEES (Continued)

FOR THE YEAR ENDED 31 MARCH 2020

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

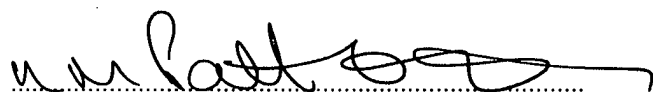

In so far as the trustees are aware:

- there is no relevant audit information of which the charitable company's auditor is unaware; and

FOR THE YEAR ENDED 31 MARCH 2020

Opinion

We have audited the financial statements of Disability Equality (NW) Ltd (the 'charitable company') for the year ended 31 March 2020, which comprise the Statement of Financial Activities, the Balance Sheet and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2020, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charitable company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report (incorporating the directors' report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies' regime take advantage of the small companies' exemptions in preparing the directors' report and from the requirement to prepare a strategic report.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 5 and 6, the trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

(A Registered Charity and Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2020

1 Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Accounting Practice.

Disability Equality (NW) Ltd meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

Going concern

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the company to continue as a going concern. The trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements. The Trustees have considered the impact of the Government response to Covid-19 on the activity of the charity. To date income has not reduced significantly however there is uncertainty regarding funding for future periods. Projects are continuing where possible and as a result, the Trustees have concluded that the charity has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the charity's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

Company status

The charity is a company limited by guarantee. The trustees are drawn from the members of the company and volunteer members. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per trustee of the charity.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

DISABILITY EQUALITY (NW) LTD
(A Registered Charity and Company Limited by Guarantee)
NOTES TO THE FINANCIAL STATEMENTS (Continued)
FOR THE YEAR ENDED 31 MARCH 2020

1 Accounting policies (continued)

Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Gifts in kind donated for distribution are included at valuation and recognised as income when they are distributed to the projects. Donated facilities are included at the value to the charity where this can be quantified and a third party is bearing the cost. No amounts are included in the financial statements for services donated by volunteers.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Detailed analyses of the expenditure, including irrecoverable VAT where applicable, are provided in the notes to the accounts.

Tangible fixed assets and depreciation

Tangible fixed assets are capitalised and included at cost including any incidental expenses of acquisition.

Depreciation is provided on all tangible fixed assets at rates calculated to write off the original cost on a straight line basis over their expected useful lives as follows:

Property improvements	-	over the period of the lease
Furniture, fittings and equipment	-	over 4 years

Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts due.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Operating leases

Rentals applicable to operating leases are charged to the SOFA on a straight line basis over the term of the lease.

1 Accounting policies (continued)

Taxation

The company is a registered charity and is not liable to taxation on its charitable activities.

Pension costs

The charity operates a defined contribution pension scheme for employees. The assets of the scheme are held separately from those of the company. The annual contributions payable are charged to the SOFA.

Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

The trustees do not believe that there are any estimates and assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities.
