NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31 AUGUST 2013

1. **ACCOUNTING POLICIES**

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax, except in respect of service contracts where turnover is recognised when the company obtains the right to consideration.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc - 25% on reducing balance and 20% on cost

Deferred tax

The charge for taxation takes into account taxation deferred as a result of timing differences between the treatment of certain items for taxation and accounting purposes. In general, deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. However, deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred taxation is measured on a non-discounted basis at the average tax rates that would apply when the timing differences are expected to reverse, based on the tax rates and laws that have been enacted by the balance sheet date.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

Amounts recoverable on contracts

Amounts recoverable on contracts, which are included in debtors, are stated at the net sales value of the work done after provisions for contingencies and anticipated future losses on contracts, less amount received as progress payments on account. Excess progress payments are included in creditors as payments received on account.

Going concern

These financial statements have been prepared on a going concern basis as the directors have agreed to provide ongoing financial support via their directors' loan accounts.
