FVF SECURITY COMPANY LIMITED

ABBREVIATED ACCOUNTS ACCOUNTANT'S REPORT TO THE SHAREHOLDERS FOR THE YEAR ENDED 30th September 2013

I have examined without carrying out an audit for the year ended 30th September 2013 the accounts set out on pages 2 to 8.

Respective responsibilities of Directors and Reporting Accountant

As described on page two the Company's Directors are responsible for the preparation of accounts, and they believe that the Company is exempt from an audit. It is my responsibility to examine the accounts and, based on my examination, to report my opinion, as set out below, to the Shareholders. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the company and the Company's Board of Directors as a body, for my work or for this report.

You have acknowledged on the Balance Sheet as at 30th September 2013 your duty to ensure that the Company has kept proper accounting records and to prepare financial statements that give a true and fair view under the Companies Act 2006. You consider that the Company is exempt from the statutory requirement for an audit for the year.

I have not been instructed to carry out an audit of the financial statements for this reason. I have not verified the accuracy or completeness of the accounting records or information and explanations you have given to me and I do not, therefore, express any opinion on the financial statements.

ABBREVIATED ACCOUNTS Notes to the Financial Statements For the Year Ended 30th September 2013

1. ACCOUNTING POLICIES

Accounting Convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover represents net invoiced sales of goods, excluding value added tax.

Deferred Taxation

Deferred tax arises as a result of including items of income and expenditure in taxation computation in period difference from those in which they are included in the Company's accounts. Deferred tax is provided in full on timing differences which result in an obligation to pay more (or less) tax at a future date, at the average tax rates that are expected to apply when the timing differences reverse based on current rates and laws. Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no commitment to sell the asset.
