BFOUND LIMITED (A company limited by guarantee)

The report of the trustees for the year ended 31 March 2016

Organisation Structure

Governing document: The organisation is a charitable company limited by guarantee, incorporated on 27 September 2005 and registered as a charity on 4 January 2006. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Public benefit: The trustees consider that they have complied with Section 17(5) of The Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission.

Policies and objectives (as stated in the constitution):

The principle objective of the company is the advancement of the Christian faith in accordance with the Statement of Faith, in particular, but not exclusively by:

- Supporting UK and overseas mission by way of financial provision, visits contracts and encouragement;
- Providing inspiration teaching through preaching, study groups, seminars and conferences;
- Providing training in the study of the bible;
- Providing Christian resources by way of music, books, tapes, videos, CD's and other forms of media, including writing original media scripts; and
- Promoting the outworking of the Christian ministry through worship, prayer and fellowship.

Activities for achieving objectives

- **Review of activities**

This past year has continued to be a challenging year from a fund raising point of view. Bfound's planned overseas projects have been put on hold pending an improvement in the UK economy to enable sufficient funds to be raised. In the meantime we have continued to see how we can assist the poor in Eastern Europe, together with a strategy on how we can help flood victims in Serbia, in conjunction with the Orthodox Church.

Plans for the future

- **Future Developments**

To secure funding and medical supplies for the project in Kenya together with helping to fund care for flood victims to alleviate suffering, as a result of severe flooding in Easter Europe.

Statement of Trustees' Responsibilities

The Charities Acts and the Companies Acts require the Board of Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity as at the end of the financial year and of the surplus or deficit of the charity. In preparing those financial statements the Board is required to :-

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.
- state whether applicable accounting standards and statements of recommended practice have been followed , subject to any material departures disclosed and explained in the financial statements;

The Trustees are also responsible for maintaining adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and which are sufficient to show and explain the charity's transactions and enable them to ensure that the financial statements comply with the Companies Act 2006 and comply with regulations made under the Charities Act. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are also responsible for the contents of the trustees' report, and the responsibility of the independent examiner in relation to the trustees' report is limited to examining the report and ensuring that, on the face of the report, there are no inconsistencies with the figures disclosed in the financial statements.

This report was approved by the board of trustees on 8th December 2016

The directors are satisfied that for the year ended on 31 March 2016, the charitable company was entitled to exemption from the requirement to obtain an audit under section 477 of the Companies Act 2006 and that no member or members have required the company to obtain an audit of its accounts for the year in question in accordance with section 476 of the Act.

The director(s) acknowledge their responsibility for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of accounts.

The accounts have been prepared in accordance with the provisions in Part 15 of the Companies Act 2006 applicable to companies subject to the small companies regime and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

BFOUND LIMITED (A company limited by guarantee)
Notes to the Accounts
for the year ended 31 March 2016

1 Accounting policies

Basis of preparation of the accounts

The financial statements have been prepared in accordance with the Financial Reporting Standard for Smaller Entities (FRSSE), effective January 2015, and all other applicable accounting standards, as modified by the Statement of Recommended Practice for Accounting and Reporting issued by the Charity Commissioners for England & Wales, (revised June 2008). The accounts have been drawn up in accordance with the provisions of the Charities (Accounts and Reports) Regulations 2008 and the Companies Act 2006, and include the results of the charity's operations which are described in the Trustees' Report, all of which are continuing.

Insofar as the Statement of Recommended Practice for Accounting and Reporting issued by the Charity Commissioners for England & Wales, (revised June 2008) requires compliance with specific Financial Reporting Standards other than the FRSSE then the specific Financial Reporting Standards have been followed where their requirements differ from those of the FRSSE.

Advantage has been taken of Section 396(5) of The Companies Act 2006 to allow the format of the financial statements to be adapted to reflect the special nature of the charity's operation and in order to comply with the requirements of the SORP.

Accounting convention

The financial statements are prepared on a going concern basis, under the historical cost convention.

Incoming resources

Incoming resources are included in the Statement of financial activities when the company is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Recognition of liabilities

Liabilities are recognised on the accruals basis in accordance with normal accounting principles, modified where necessary in accordance with the guidance given in the Statement of Recommended Practice for Accounting and Reporting (revised June 2008) issued by the Charity Commissioners for England & Wales.

Resources expanded

All expenditures are accounted for on an accrual basis and have been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be attributed directly to particular activities they have been allocated on a basis consistent with the use of the resources.

Support costs are incurred directly in support of expenditure on the objects of the company and include project management carried out at headquarters. Governance costs are those incurred in connection with administration of the company and compliance with statutory requirements.

Taxation

As a registered charity, the company is exempt from income and corporation tax to the extent that its income and gains are applicable to charitable purposes only. Value Added Tax is not recoverable by the company, and is therefore included in the relevant costs in the Statement of Financial Activities.

Funds structure policy

The charity maintains a general unrestricted fund which represents funds which are expendable at the discretion of the trustees in furtherance of the objects of the charity. Such funds may be held in order to finance both working capital and capital investment.

Restricted funds have been provided to the charity for particular purposes, and it is the policy of the board of trustees to carefully monitor the application of those funds in accordance with the restrictions placed upon them.

A fixed asset fund is maintained which represents the written down value of tangible fixed assets, and is divided into a restricted fixed asset fund representing the written down value of those assets subject to restrictions, with the balance being in a designated fund representing the written down value of those assets free of restrictions. The detailed operation of these funds is described under the accounting policy 'Capital grants'

There is no formal policy of transfer between funds or on the allocation of funds to designated funds, other than that described above.

Any other proposed transfer between funds would be considered on the particular circumstances.
