Objectives and activities

Within the field of employment rights and welfare benefits, the charity aims to provide its clients with high quality, accurate advice and (where appropriate) representation at tribunals etc. This service is available to all who live within the area of Southampton and those from other areas such as trade unions and housing associations with which the charity has funding agreements.

The strategies for achieving these aims and objectives may be summarised as follows:

- a) Staff - all staff are encouraged to provide an exceptional level of commitment to the client group. The charity has a well developed training programme that ensures the quality of advice is sound, consistent and accurate;
- b) The Advice Service Alliance - adherence to the Quality Mark ensures that management and staff are committed to excellence based on a strong qualitative base;
- c) Centre of Excellence - the charity strives to be recognised as providing high quality advice and representation in its area of expertise;
- d) Specialists - the charity focuses only on its areas of expertise in welfare benefits and employment law;
- e) Outreach - in order to ensure that its services are available to all members of the community, the charity operated a number of outreach centres;
- f) Equality of opportunity - the charity's staff complement is intended to be broadly representative of the community which it serves.

Advice is available daily by telephone, by appointment at the main Woolston centre and drop in arrangements are in place at outreach sites.

DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2019 (continued)

The charity is managed by the trustees, who delegate day to day responsibility to Gary Edwards, manager, and the management team.

Appointment of trustees

Trustees are elected to post having been selected from suitable candidates to ensure that the board contains an appropriate balance of expertise. Trustees undergo an initial induction course.

The trustees meet bi-monthly to attend to the legal and administrative affairs of the company and to review and set the policy and long term strategies of the charity. There is one subcommittee: Personnel and Development, which is charged with developing and monitoring delivery of the strategic plan.

Risk assessment

The trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and believe effective insurance, checks, controls and procedures are in place to manage those risks. As required by the AQS Quality Mark procedures, there is a full set of office manuals including financial procedures. In March 2018 we had our AQS external audit which was the most positive we have ever received. The auditor highlighted many areas where we exceeded the national standards. The next audit will take place within the first quarter of 2020.

Review of Activities

We managed to continue a five day working week and achieved 5,600 client episodes and assisted at over 250 tribunal proceedings. Once again there has been an increase in demand for welfare benefit advice and representation as the welfare reform agenda starts to impact on our client base. We have tried to be innovative in our delivery methods to try and best meet the demands of our service. We have protected and expanded our outreach provision and these services have only been possible due to full funding. In the financial year no justified complaints were received, only compliments and donations. We generated over £3 of financial benefit for our service users for every pound invested in our service, money that is spent in the local economy. In 2018 the City Council awarded an Advice, Information and Guidance Contract (which started in 2018) to a consortium led by Southampton CAS. We have subcontracted with that organisation to provide the whole of the specialist advice and representation on employment and welfare matters funded under that contract. In addition we receive a grant from the City Council to undertake work on behalf of existing clients, clients whose support is not funded elsewhere and supporting the council's work on appointeeships. We received funding from the Henry Smith Charity and with this are able to employ and professionally support a welfare benefit worker who operates across several advice agencies.

DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2019 (continued)

Financial review

A summary of the charity's financial performance is shown on page 7 of the accounts. The charity made a surplus of £38,394 (2018: £20,172). The total reserves of the charity at the year end were £124,455 (2018: £86,061) including restricted funds of £nil (2018: £nil).

As mentioned above we have entered into a five year sub-contract to undertake the volume of specialist work provided for and funded in the AIG contract. In addition we are in receipt of a contract from Southampton City Council, our principal funder, which runs until the end of March 2021. We will be seeking clarification from the Council of their longer term funding intentions before the expiry of the contract to ensure that, at the very least, the historical level of demand for our services keeps pace with our funding. SCC have indicated they will undertake a business review in March 2020 and make decisions on potential funding beyond March 2021. Once again we continued to explore every avenue of potential funding but clearly secure council funding is vital for us to develop both our longer term business plans and strengthen our ability to attract further external financial support. We were successful in attracting fresh income streams in the form of donations and grants. We also secured income from a source we believed had been closed of £4,000. Donations from clients continued to exceed our budget. We have made a surplus in this financial year which eliminated the modest deficit we had anticipated.

Reserves policy

The trustees' objective is to maintain sufficient reserves to fund;

- (i) Operating costs to enable the organisation to continue trading during any unusual disruption to income. This is estimated to represent at least 5% of annual income;
- (ii) Costs of closure including redundancy costs, potential legal costs should TUPE apply, holiday pay and other final payments to creditors;
- (iii) Anticipated building repairs and maintenance to ensure compliance with contractual obligations in terms of the lease and for an ongoing programme of equipment replacement.

On the above basis it is currently estimated that between £60,000 and £85,000 is required to be held in reserve.

Due to the prudent cost reductions undertaken by SARC to preserve the viability of the centre, together with the success of the team in securing other sources of grant funding and an improvement in donations, SARC is holding higher reserves than anticipated. However due to the extremely uncertain financial environment SARC is currently operating in, the board believe it is appropriate to hold higher reserves until the situation with funding becomes clearer.

Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities.

Directors' responsibilities

The charity trustees (who are also the directors for the purposes of company law) are responsible for preparing the trustees annual report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the directors to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the company and of the income and expenditure of the company for that period. In preparing those accounts the directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume the company will continue in operation.

The directors are responsible for keeping proper accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and that enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

INDEPENDENT EXAMINER'S REPORT TO THE MEMBERS OF SOUTHAMPTON ADVICE & REPRESENTATION CENTRE

I report to the trustees on my examination of the accounts of Southampton Advice & Representation Centre for the year ended 31 March 2019, which are set out on pages 7 to 16.

RESPONSIBILITIES AND BASIS OF REPORT

As the trustees of the charitable company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 (the "2006 Act").

Having satisfied myself that the accounts of the charitable company are not required to be audited under the Charities Act 2011 and are eligible for an independent examination, I report in respect of my examination of the trustee's accounts carried out under section 145 of the 2011 Act. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

Since the company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that:

- (1) accounting records were not kept in respect of the charitable company as required by section 386 of the 2006 Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- (4) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
