## Notes

- 1 Statement of Insolvency Practice No.9 defines expenses as any payments from the insolvency estate which are neither an office holder's remuneration or a distribution to a creditor or member.
- 2 Expenses are divided into those that do not need approval before they are charged to the estate (Category 1) and those that do require prior approval (Category 2):
  - Category 1 expenses are payments to persons providing the service to which the expense relates who are not an associate of the office holder
  - Category 2 expenses are payments to associates or which have an element of shared costs.

## Creditors' rights to further information about, and challenge, remuneration and expenses

The statutory provisions relating to remuneration are set out in Chapter 4, Part 18 of the Insolvency (England and Wales) Rules 2016. Further information is given in the Association of Business Recovery Professionals' publication 'A Creditors' Guide to Liquidators' Fees', a copy of which may be accessed from the web site of the Institute of Chartered Accountants in England and Wales at <https://www.icaew.com/technical/insolvency/understanding-business-restructuring-and-insolvency/creditors-guides>. To access the document, select 'Previous guides: England and Wales – effective before 6 April 2017', then 'Liquidators' fees', then select the appropriate guide according to the date of winding up of the company. Alternatively, a copy of the guide is available in hard copy upon written request to the Joint Liquidators.

In certain circumstances, creditors are entitled to request further information about our remuneration or expenses, or to apply to court if creditors consider the costs to be excessive (Rules 18.9 and 18.34 of the Insolvency (England and Wales) Rules 2016). Further information is provided in 'A Creditors' Guide to Liquidators' Fees' referred to above.
