NOTES TO THE FINANCIAL STATEMENTS 31 MARCH 2017

1. ACCOUNTING POLICIES

a) Accounting Convention

The Financial Statements are prepared under the Historical Cost Convention and in accordance with the provisions of FRS 102, Section 1A, "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

b) Going concern

The company incurred a loss of £1,000 for the year ended 31 March 2017 and the company's liabilities exceed its assets by £155,018 at the balance sheet date. The company meets its day to day working capital requirements using funding from group undertakings.

The financial statements have been prepared on a going concern basis which assumes that the company will continue in operational existence for the foreseeable future. If the company was unable to continue in operational existence for the foreseeable future, adjustments would have to be made to reduce the balance sheet values of assets to their recoverable amounts and to provide for further liabilities that might arise.

The group have undertaken to continue to support the company and postpone repayment of their loans for the foreseeable future. Based on these factors the director believes that it is appropriate for the financial statements to be prepared on a going concern basis.
