Statement of directors' responsibilities in respect of the Strategic Report and the Directors' Report and the financial statements

The directors are responsible for preparing the Strategic Report and the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice)

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Notes (forming part of the financial statements)

1 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

The Company is exempt from the requirement of FRS 1 (revised 1996) to prepare a cash flow statement as it is a wholly owned subsidiary undertaking of Grove Limited and its cash flows are included within the consolidated cash flow statement of that company.

As the Company is a wholly owned subsidiary of Grove Limited the Company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the Group. The consolidated financial statements of Grove Limited, within which the Company is included, can be obtained from the address in note 9.

Going Concern

The financial statements have been prepared on a going concern basis as the directors believe that the company has the sufficient resources to continue as a going concern.

Taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

Deferred tax is recognised, without discounting, in respect of all timing differences which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19

2 Profit on ordinary activities before taxation

The remuneration of the auditor in the current year was borne by another Group Company. The estimate of this for the current year is £1,000 (2012: £4,000)

Notes (continued)
