#### Progress During the Period Covered by this Report

#### a) Asset realisations

#### 1) Antecedent Transactions

In the 2016 Progress report the Liquidator stated that following analysis of the company books and records the Liquidator had considered a number of withdrawals from the company to be unlawful dividends. The sum agreed upon for repayment of these dividends was £10,000. In order to minimise the costs associated with an insolvency procedure, it is our policy to only agree the claims of creditors in the event that a distribution is declared, or it is anticipated that one will be declared. Accordingly, the Liquidator confirms that creditors' claims received to date, have not been verified or agreed.

In accordance with Part 11 of the Insolvency Rules 1986, the Liquidator gave formal notice to creditors on 17 September 2015 that no dividend will be declared to any class of creditor in this case.
