1. Accounting policies

Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provisions of Section 1A of Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical costs convention as modified by the revaluation of certain assets.

Revenue recognition

Turnover comprises the invoiced value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

Goodwill

Goodwill, being the amount paid in connection with the acquisition of a business in 2014, is being amortised evenly over its estimated useful life of 10 years.

Property, plant and equipment

Tangible fixed assets, other than freehold land, are stated at cost or valuation less depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis:

Fixtures and fittings	15% Reducing balance
-----------------------	----------------------

Inventories

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow moving items. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

Hire purchase and leasing commitments

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.
