This template illustrates what the Regulator of Community Interest Companies considers to be best practice for completing a simplified community interest company report. All such reports must be delivered in accordance with section 34 of the Companies (Audit, Investigations and Community Enterprise) Act 2004 and contain the information required by Part 7 of the Community Interest Company Regulations 2005. For further guidance see chapter 8 of the Regulator's guidance notes and the alternate example provided for a more complex company with more detailed notes.

PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a fair and accurate description of how they have benefited the community, or section of the community, which the company is intended to serve.

- We continued to feed some of our users into The College for International Citizenship modular courses and resumed our input into the developing accountancy careers of three refugee volunteers on placement with us from different college courses. One went on to obtain a finance control job with the Law Society in Birmingham. We helped a redundant Red Cross worker to set up his own consultancy in the refugee/migrant field.
- Our on-site Social Work Degree Supervisor assisted us with a Birmingham City University placement. Our French (and Ivorian) trainee obtained a paid traineeship at a solicitor's firm in June. She was replaced by another legal trainee on a shared basis with a local law firm. One of our office volunteers got a job and was followed by a former Refugee Action volunteer.
- Our assisting activity at regional Immigration Tribunals continued on the rise. We were involved in 11 cases.
- We continued our prominence in the First Tier Tribunal Asylum Support in London, and our success rate rose above 70%. There was a big rise in referrals from West Midlands Red Cross.
- As the full effects of the legal aid cuts were felt, our immigration work diversified to incorporate legal solutions for overstayers from the Commonwealth countries of Africa and the Caribbean. This further increased our local profile, as did our move in February 2014 to a more central office location.

(If applicable, please just state "A social audit report covering these points is attached").

(Please continue on separate continuation sheet if necessary)

PART 2 – CONSULTATION WITH STAKEHOLDERS – Please indicate who the company's stakeholders are; how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear

- West Midlands Red Cross
- Hope Housing/Hope Destitution (charities, Birmingham)
- Office of the Immigration Services Commissioner (OISC)
- Asylum Support Appeals Project, London (ASAP)
- Beneficiaries

The OISC gave permission for assessment at Level 3 We fell short of this, but increased our score within Level 2. We continued to have ad hoc training, information and on-site practice activities with the different universities and Joseph Chamberlain College. There was the customary ongoing two-way communication with "Hope", ASAP and the beneficiary group There was no universal consultation.

(If applicable, please just state "A social audit report covering these points is attached")
