1 Accounting Policies

Basis of measurement and preparation of accounts

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

Turnover policy

Turnover represents the invoiced value of goods and services supplied by the company.

Tangible assets depreciation policy

Depreciation has been provided at the following rates in order to write off the assets over their estimated useful lives.

Plant and Machinery reducing balance 25%

Fixtures and Fittings reducing balance 25%

Equipment reducing balance 25%

Computer Equipment straight line 50%

Other accounting policies**Taxation**

Corporation tax payable is provided on taxable profits at the current rates.

Provision is made for deferred taxation in so far as a liability or asset has arisen as a result of transactions that had occurred by the balance sheet date and have given rise to an obligation to pay more tax in the future, or the right to pay less tax in the future. An asset has not been recognised to the extent that the transfer of economic benefits in the future is uncertain. Deferred tax assets and liabilities recognised have not been discounted.
