#154

COMPANIES HOUSE

Company number 5643248

**REPORT OF THE DIRECTORS
for the year ended 31 December 2011**

The directors submit their report and financial statements for the year ended 31 December 2011

Principal activities

The company is a wholly owned subsidiary of The British Land Company PLC and operates as a constituent of The British Land Company PLC group of companies (the "group"). The company's principal activity is that of an investment holding company in the United Kingdom ('UK').

Business review

As shown in the company's profit and loss account on page 5, the company's turnover is £nil compared to a turnover of £nil in the prior year and loss before tax has increased from £20 in the prior year to £84 in the current year.

During the year under review the company came under the ownership of The British Land Company PLC, as described in note 16.

Dividends of £nil (2010: £nil) were paid in the year. Dividends paid are shown in note 11.

The balance sheet on page 7 shows that the company's financial position at the year end is, in net liability terms, an increase on the prior year.

The performance of the group, which includes the company, is discussed in the group's annual report which does not form part of this report.

Details of significant events since the balance sheet date, if any, are contained in note 15.

Risk management

This company is part of a large property investment group. As such, the fundamental underlying risks for this company are those of the property group as discussed below.

The company generates returns to shareholders through long-term investment decisions requiring the evaluation of opportunities arising in the following areas:

- demand for space from occupiers against available supply,
- identification and execution of investment and development strategies which are value enhancing,
- availability of financing or refinancing at an acceptable cost,
- economic cycles, including their impact on tenant covenant quality, interest rates, inflation and property values,
- legislative changes, including planning consents and taxation,
- engagement of development contractors with strong covenants,
- key staff changes, and
- environmental and health and safety policies.

These opportunities also represent risks, the most significant being change to the value of the property portfolio. This risk has high visibility to senior executives and is considered and managed on a continuous basis. Executives use their knowledge and experience to knowingly accept a measured degree of market risk.

The company's preference for prime assets and their secure long term contracted rental income, primarily with upward only rent review clauses, presents lower risks than many other property portfolios.

The company has no third party debt. It therefore has no interest rate exposure.

The directors consider the company to be a going concern and the accounts are prepared on this basis. Details of this are shown in note 1 of the financial statements.

**REPORT OF THE DIRECTORS
for the year ended 31 December 2011**

Environment

Across the group, The British Land Company PLC recognises the importance of its environmental responsibilities, monitors its impact on the environment, and designs and implements policies to reduce any damage that might be caused by the group's activities. The company operates in accordance with group policies. The group's full corporate responsibility report is available online at www.britishland.com/crReport2011

Directors

The directors who served during the year and up to the date of this report were

A Braine (appointed 21 July 2011)
S M Barzycki (appointed 21 July 2011)
C M J Forshaw (appointed 21 July 2011)
L M Bell (appointed 21 July 2011)
T A Roberts (appointed 21 July 2011)
N M Webb (appointed 21 July 2011)
J Dhody (resigned 21 July 2011)
R L Segal (resigned 21 July 2011)
D J Leatherbarrow (resigned 18 July 2011)
J B Cleland (resigned 18 July 2011)
S G Carter (appointed 13 July 2012)
J Vandevivere (appointed 13 July 2012)
B T Grose (appointed 13 July 2012)
S P Smith (appointed 13 July 2012)

Directors' responsibilities statement

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Payments policy

In the absence of dispute, amounts due to trade and other suppliers are settled as expeditiously as possible within their terms of payment.

BL Health Clubs PH No 1 Limited (formerly EPH No 1 Limited)

**REPORT OF THE DIRECTORS
for the year ended 31 December 2011**

Disclosure of information to Auditor

Each of the persons who is a director at the date of approval of this report confirms that

(a) so far as the director is aware, there is no relevant audit information of which the company's auditor is unaware, and

(b) the director has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the company's auditor is aware of that information

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006

Auditor

Deloitte LLP were appointed as the company's auditors during the year and a resolution to reappoint them will be proposed at the annual general meeting

This report was approved by the Board on 27 September 2012

N Ekpo
Secretary

BL Health Clubs PH No 1 Limited (formerly EPH No 1 Limited)

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF
BL Health Clubs PH No 1 Limited (formerly EPH No 1 Limited)
for the year ended 31 December 2011**

We have audited the financial statements of BL Health Clubs PH No 1 Limited (formerly EPH No 1 Limited) for the year ended 31 December 2011 which comprise the Profit and Loss Account, the Balance Sheet, the Statement of Total Recognised Gains and Losses and the related notes 1 to 16. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 31 December 2011 and of its loss for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.

Simon Carter
Director

**Notes to the accounts
for the year ended 31 December 2011**

1 Accounting policies

The principal accounting policies adopted by the directors are summarised below. They have been applied consistently throughout the current and previous year.

These financial statements are designed to cover a wide variety of companies and circumstances. As a result some notes or some entries in the primary statements or the notes may not be relevant for this company and so may be left blank intentionally.

Accounting basis

The financial statements are prepared in accordance with applicable United Kingdom law and Accounting Standards and under the historical cost convention as modified by the revaluation of investment properties and other fixed asset investments.

Where the company has subsidiaries, it has taken advantage of the exemption from preparing consolidated financial statements afforded by Section 400 of the Companies Act 2006 because it is a wholly owned subsidiary of another company. Group financial statements, which from 21 July 2011 include the company, for The British Land Company PLC are publicly available (see note 16).

Basis of Preparation

Having reviewed the company's forecast working capital and cash flow requirements, in addition to making enquiries and examining areas which could give risk to financial exposure, the directors have a reasonable expectation that the company has adequate resources to continue its operations for the foreseeable future. In addition, the directors have received a letter of support from the ultimate holding company confirming that it will continue to enable the company to meet its liabilities for at least 12 months from the date of signing these accounts. As a result they continue to adopt the going concern basis in preparing the accounts.

Cash flow statement

The company is exempt under FRS 1 (Revised) from preparing a cash flow statement.

Properties

Properties are externally valued on an open market basis at the balance sheet date. Investment and development properties are recorded at valuation. Any surplus or deficit arising is transferred to revaluation reserve, unless a deficit is expected to be permanent, in which case it is charged to the profit and loss account. Disposals are recognised on completion. Profit on disposal is determined as the difference between sales proceeds and the carrying amount of the asset at the commencement of the accounting period plus additions in the period.

In accordance with Statement of Standard Accounting Practice 19, no depreciation is provided in respect of investment property. The directors consider that this accounting policy, which represents a departure from the statutory accounting rules, is necessary to provide a true and fair view. The financial effect of the departure from these rules cannot reasonably be quantified as depreciation is only one of the many factors reflected in the annual valuation and the amount which might otherwise have been shown cannot be separately identified or quantified. Where properties held for investment are appropriated to trading stock, they are transferred at market value.

A property ceases to be treated as a development on practical completion.

In determining whether leases and related properties represent operating or finance leases, consideration is given to whether the tenant or landlord bears the risks and rewards of ownership.

BL Health Clubs PH No 1 Limited (formerly EPH No 1 Limited)

**Notes to the accounts
for the year ended 31 December 2011**

1 Accounting policies (continued)

Investments

Fixed asset investments are stated at the lower of cost and the underlying net asset value of the investments

Taxation

Current tax is based on taxable profit for the year and is calculated using tax rates that have been enacted or substantively enacted. Taxable profit differs from net profit as reported in the profit and loss account because it excludes items of income or expense that are not taxable (or tax deductible).

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements. A net deferred tax asset is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Net rental income

Rental income is recognised on an accruals basis. A rent adjustment based on open market estimated rental value is recognised from the rent review date in relation to unsettled rent reviews. Where a rent free period is included in a lease, the rental income foregone is allocated evenly over the period from the date of lease commencement to the next rent review date. Rental income from fixed and minimum guaranteed rent reviews is recognised on a straight-line basis over the shorter of the entire lease term or the period to the first break option. Where such rental income is recognised ahead of the related cash flow, an adjustment is made to ensure the carrying value of the related property including the accrued rent does not exceed the external valuation.

Initial direct costs incurred in negotiating and arranging a new lease are amortised on a straight-line basis over the period from the date of lease commencement to the next rent review date.

Where a lease incentive payment, including surrender premiums paid, does not enhance the value of a property, it is amortised on a straight-line basis over the period from the date of lease commencement to the next rent review date. Upon receipt of a surrender premium for the early determination of a lease, the profit, net of dilapidations and non-recoverable outgoings relating to the lease concerned is immediately reflected in income.

**Notes to the accounts
for the year ended 31 December 2011**

2 Loss on ordinary activities before taxation**Auditor's remuneration**

A notional charge of £1,577 is deemed payable to Deloitte LLP in respect of the audit of the financial statements. Actual amounts payable to Deloitte LLP are paid at group level by The British Land Company PLC. Before the change in ownership as described in Note 16, auditors' remuneration was paid by fellow subsidiaries of the previous ultimate parent company. The previous directors did not believe it practicable to apportion the group audit fee between fellow subsidiaries.

No non-audit fees were paid to Deloitte LLP.

3 Staff costs

No director received any remuneration for services to the entity in either year.

Average number of employees, excluding directors, of the entity during the year was nil (2010 - nil).

In March 2011, the UK Government announced a reduction in the standard rate of UK corporation tax to 26% effective 1 April 2011. This rate reduction was substantively enacted in March 2011.

In March 2012, the UK Government announced a reduction in the standard rate of UK corporation tax to 24% effective 1 April 2012 and to 23% effective 1 April 2013. These rate reductions became substantively enacted in March 2012 and July 2012 respectively. The UK government also proposed to further reduce the standard rate of UK corporation to 22% effective 1 April 2014, but this change has not been substantively enacted.

The effect of these tax rate reductions on the deferred tax balance will be accounted for in the period in which the tax rate reductions are substantively enacted.
