The director presents his report with the financial statements of the company for the year ended 31 December 2009

PRINCIPAL ACTIVITY

The principal activity of the company in the year under review was that of property trading and development

REVIEW OF BUSINESS

The current economic conditions have created a number of uncertainties in the market in which the company operates. The director considers the results for the year to be satisfactory. Details of the results of the company can be found in the Profit and Loss account on page four.

DIRECTOR

Mr B W Ritchie held office during the whole of the period from 1 January 2009 to the date of this report.

STATEMENT OF DIRECTOR'S RESPONSIBILITIES

The director is responsible for preparing the Report of the Director and the financial statements in accordance with applicable law and regulations.

Company law requires the director to prepare financial statements for each financial year. Under that law the director has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the director must not approve the financial statements unless he is satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the director is required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable him to ensure that the financial statements comply with the Companies Act 2006. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the director is aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and he has taken all the steps that he ought to have taken as a director in order to make himself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

AUDITORS

Deloitte LLP have expressed their willingness to continue in office as auditors and a resolution to reappoint them will be proposed at the forthcoming Annual General Meeting.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

ON BEHALF OF THE BOARD.

Mr B W Ritchie - Director

NOTES TO THE FINANCIAL STATEMENTS
for the year ended 31 December 2009

1 ACCOUNTING POLICIES

Going concern

The financial statements have been prepared on a going concern basis, which assumes the company will be able to meet its liabilities as they fall due, for the foreseeable future

The current economic conditions have created a number of uncertainties in the market in which the company operates, in particular in respect of asset valuations

The company is party to a cross guarantee over debt drawn across the Pureskill group secured on the company's assets. The group financing arrangements include valuation covenants amongst other requirements

The director has acknowledged the latest FRC guidance on going concern during the current economic conditions. The group has prepared forecasts (including those of the company), taking into account reasonably possible changes, which have been reviewed by the director, based on estimates and judgements about the economic environment in which the group operates. In addition the parent company Pureskill Limited has confirmed that it will provide financial support for the company to meet its liabilities for the foreseeable future

After making enquiries, the director has formed a judgement, at the time of approving the financial statements, that there is a reasonable expectation that the company has access to adequate resources to continue in operational existence for the foreseeable future. Accordingly, the director continues to adopt the going concern basis in preparing the financial statements

Accounting convention

The financial statements have been prepared under the historical cost convention

The principal accounting policies are summarised below. They have been applied consistently throughout the current and previous year

Financial Reporting Standard Number 1 (revised)

Under the provisions of Financial Reporting Standard No. 1 (revised), the company has not prepared a cash flow statement because its ultimate parent undertaking, Pureskill Limited, which is incorporated in Great Britain, has prepared consolidated financial statements which include a cash flow statement incorporating the cash flows of the company

Stocks

Stocks are valued at the lower of cost and net realisable value

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date

Taxation

Current tax, including UK corporation tax and foreign tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date

Rental income

Rental is measured at the fair value of the consideration received or receivable and is stated net of discounts and VAT

Revenue

Revenue comprises income in relation to the sale of properties and is recognised on the point of completion

2 OPERATING PROFIT

The operating profit is stated after charging

	2009	2008
