1 INTRODUCTION

Rachel Ballinger was appointed as Supervisor following the approval of a Company Voluntary Arrangement ('CVA') at meetings of the creditors and members held on 18 September 2014. Rachel Ballinger is a licensed to act as an Insolvency Practitioner in the UK by the Insolvency Practitioners Association.

Rachel Ballinger left the firm and on 24 October 2017 and a court order was granted which replaced me as the Supervisor. A copy of the court order is enclosed at Appendix C. I am licensed to act as an Insolvency Practitioner in the UK by the Institute of Chartered Accountants in England & Wales and I am bound by the Insolvency Code of Ethics. I can confirm that there has been no change in office-holder since my appointment.

This is the Supervisor's fourth annual progress report as required by Rule 2.41 of the Insolvency Rules 2016. It shows how the CVA has been conducted and the outcome for creditors and other information that the Supervisor is required to disclose.

2 RECEIPTS AND PAYMENTS ACCOUNT

Receipts and Payments Account

Attached at Appendix A is my Receipts and Payments account for the Period, together with a cumulative account since the date of my appointment.

The realisations and the costs shown on the account are explained within this report together with details of Arrangement assets which remain to be realised.

Asset realisations

Voluntary Contributions

The terms of the Arrangement, as modified on approval, provide for the Company to make 60 monthly contributions of £3,000.00 around the 18th of each calendar month.

To date I have received contributions totalling £147,000.00 of which £36,000.00 has been received during this period. I confirm that all contributions are up to date and have been received in a correct and timely manner.

Additional funds of £5,000.00 was provided for the Nominee's fee and a further £2,500.00 was provided to cover petition costs should the arrangement fail.

Bank interest gross

All realisations have been banked in an interest bearing account. £59.68 has been received in this period from Bank interest.

Annual Reviews

I have completed an Annual review of the Company's finances and can confirm that the current monthly contributions are at the correct level.

Payments

The payments reflected on the receipts and payments account at Appendix A relate to this reporting period, together with a cumulative account since the date of my appointment.

There have been no payments in this reporting period.

3 OUTCOME FOR CREDITORS

Prospects for Full Implementation of the CVA

Although the Arrangement is proceeding as original envisaged in relation to contributions, creditor claims received exceed 10% of the amount originally stated and time costs incurred are higher than estimated therefore the dividend of 100p in the £ is no longer achievable.

A variation proposal is currently being prepared and will be circulated to all known creditors in due course.

Secured Creditors

There are no secured creditors.

Preferential Creditors

There are no known preferential creditors in the Arrangement.

Unsecured Creditors

The Company's Statement of Affairs listed creditors totalling £113,407.44 and I have received claims that have been admitted from 4 creditors totalling £181,682.13.

British Gas have submitted a claim that has yet to be admitted for £1,009.31, proof has been requested from the creditor and their representative.

As advised above, the level of claims have increased by more than 10% of the estimated amount within the proposal and as such a variation is required. I am in the process of preparing a variation proposal which once completed will be circulated to all creditors inviting them to submit a vote at a creditors meeting.

A first dividend to creditors in the sum of £15,000.00, representing a return of 8.26p in the £, was paid on 3 November 2015.

A second dividend to creditors in the sum of £24,000.00, representing a return of 13.21p in the £, was paid on 7 December 2016.

This totals £39,000.00 representing a return of 21.47p in the £ having been made to creditors to date.

A third dividend has been calculated and payments are currently being processed, representing a return of 38.84p in the £.

On present information the Arrangement will not achieve the approved dividend. It is anticipated the revised dividend will be 79p in the £, a variation will deal with this reduced dividend.

4 SUPERVISOR'S REMUNERATION AND DISBURSEMENTS AND CREDITORS' RIGHTS

Nominees' Fee

The Nominees' fee of £7,500.00 has been paid in accordance with the terms of the modified proposals. This is considered to be fair and reasonable because of the time costs incurred for work pre-appointment.

Remuneration

A copy of 'A Creditors' Guide to Insolvency Practitioners' Fees under Voluntary Arrangements' published by the Association of Business Recovery Professionals, together with an explanatory note which shows this firm's fee policy are available at <https://www.greenfieldrecovery.co.uk/about-us/licensed-insolvency-practice/costs-fees/>. A hard copy of both documents can also be obtained on request from this office.

Creditors approved the basis of our remuneration on a time costs basis when they voted on the Proposal.

I have incurred time charges for the period from 18 September 2017 to 17 September 2018 of £9,219.25 representing a total of 31.15 hours having been spent on the administration of this case. Therefore, the average hourly rate equates to £296.01. No Supervisors fees have been drawn during this period.

For the entire period of the CVA, I have incurred time charges of £43,787.75 representing a total of 142.34 hours having been spent on the administration of this case. Therefore the average hourly rate equates to £307.62. Supervisor's fees of £34,020.00 have been drawn since my appointment in this matter.

The work has been categorised into the following task headings and sub-categories.

Administration and Planning

This category of work includes case planning and set-up, appointment notification, statutory reporting, compliance, cashiering, accounting and administrative functions.

The work undertaken in this category is required as part of my statutory and regulatory requirements and is unlikely to directly produce a financial benefit to creditors.

Realisation of Assets

This category of work includes any action undertaken in order to protect or realise any assets of the Company. Work may be undertaken in order to put insurance in place or assess whether there are assets which may result in a realisation and time costs may be incurred in this category even if there have been no asset realisations.

Creditors

This category includes entering of creditors information on IPS, communications with creditors, preparing reports to creditors, creditors' meetings, processing proofs of debt and paying dividends.

The work required in this category is required as part of my statutory and regulatory duties and is necessary but it is unlikely to provide any direct financial benefit to creditors.

In common with other professional firms, our firm's charge-out rates increase from time to time over the period of the administration of a case. Specific details of the current charge-out rates applicable to those staff who worked on this case are also available at www.greenfieldrecovery.co.uk on the 'Insolvency Fees' page or upon request to our office.

Disbursements

In addition, creditors were advised of the Supervisor's Disbursement Policy in Appendix 12 of the CVA proposal document. No disbursements have been recovered during the period of this report.

Creditors' Rights

Under Rule 2.45 of the Insolvency England and Wales Rules 2016 a director, creditor or member of the Company may request in writing information about the time spent time on a proposal or voluntary arrangement by the nominee or supervisor, further details relating to the provisions of Rule 2.45 can be provided on request free of charge.

5 OUTSTANDING MATTERS AND END OF ARRANGEMENT

Creditors will be contacted in due course with proposals for a variation.

If you wish to discuss the issues raised in this report or require any additional information, please contact Michelle Dutton of this office.

Yours faithfully
for and on behalf of
Active Care Homes Limited

Sajid Sattar
Supervisor

Sajid Sattar is authorised to act as an insolvency practitioner in the UK by the Institute of Chartered Accountants in England and Wales and is bound by the Insolvency Code of Ethics. When acting as Administrator(s), the affairs, business and property of the Company are being managed by the Administrator(s) who act as agents of the Company and contract without personal liability.
