# Directors' report for the year ended 30 June 2019

The directors present their report and the audited financial statements of the Group for the year ended 30 June 2019.

### Principal activity and business review (including future developments)

The Company's principal activity is that of an intermediate investment company which provides funding to IIC Enfield Subdebt Limited in the form of loan stock, which in turn provides funding in the form of loan stock to Enfield Lighting Services Limited.

The directors have reviewed the activities of the business for the year and the position as at 30 June 2019 and consider them to be satisfactory.

On 28 September 2018, John Laing Infrastructure Fund Limited was acquired by Jura Acquisition Limited a subsidiary of Jura Holdings Limited and the Directors now regard Jura Holdings Limited as the ultimate parent of the Company. Jura Holdings Limited is a Guernsey registered company which is a joint venture between funds managed by Dalmore Capital Limited and Equitix Investment Management Ltd. The Directors consider that there is no ultimate controlling entity.

#### Results and dividends

The trading results for the year to 30 June 2019 and the Group's financial position at 30 June 2019 are shown in the attached financial statements. The Group has made a profit after tax during the year of £2,678 (2018: £1,975) and the shareholder's funds at 30 June 2019 show a surplus of £29,911 (2018: £27,233).

The directors do not recommend the payment of an interim dividend for the year ended 30 June 2019 (2018: £12,000 (£2.82 per share)). The directors do not recommend the payment of a final dividend for the year ended 30 June 2019 (2018: £nil).

#### **Directors**

The directors of the Company who held office during the year and to the date of this report are listed below:

D M M Vermeer (appointed 1 June 2019)

T S Cunningham (appointed 1 June 2019)

P A Cartwright (resigned 31 May 2019)

T B Symes (resigned 31 May 2019)

V L Everett (resigned 2 May 2019)

### Strategic report

The Group has taken advantage of the exemption, under section 414B of the Companies Act 2006, from preparing a strategic report for the financial year.

### Financial instruments

The Group and Company have borrowings in place of £1,288,432 (2018: £1,392,847). These are at a fixed interest rate and therefore the Group is not exposed to interest rate volatility.

# Directors' report for the year ended 30 June 2019 (continued)

### Principal Risks and Uncertainties

The Group is financed by loan stock and is therefore not exposed to interest rate risk.

#### Going concern

The Company balance sheet shows net current liabilities of £81,538 (2018: £121,204). The directors have reviewed the forecast, which includes capital returns on the loan stock investment (note 8) in the next 12 months of £98,976 (2018: £137,312), and therefore consider that it is appropriate to prepare the financial statements on a going concern basis.

### Disclosure of information to the auditor

The directors who held office at the date of approval of this Directors' Report confirm that, so far as they are each aware, there is no relevant audit information of which the Group's auditor is unaware; and each director has taken all the steps that he/she ought to have taken as a director to make himself/herself aware of any relevant audit information and to establish that the Group's auditor is aware of that information.

#### Auditor

RSM UK Audit LLP have indicated their willingness to be reappointed for another term and appropriate arrangements are being made for them to be deemed reappointed as auditors in the absence of an Annual General Meeting.

# Statement of directors' responsibilities in respect of the directors' report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Group and parent Company and of the profit or loss of the Group for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards, including FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Group will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Group's and Company's transactions and disclose with reasonable accuracy at any time the financial position of the Group and Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and Group and to prevent and detect fraud and other irregularities.

# INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF IIC ENFIELD FUNDING INVESTMENT LIMITED

### **Opinion**

We have audited the financial statements of IIC Enfield Funding Investment Limited (the 'parent Company') and its subsidiaries (the 'Group') for the year ended 30 June 2019 which comprise the consolidated profit and loss account and statement of other comprehensive income, the consolidated balance sheet, the company balance sheet, consolidated statement of changes in equity, company statement of changes in equity, consolidated cash flow statement, and notes to the financial statements, including a summary of significant accounting policies.. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Group's and of the parent Company's affairs as at 30 June 2019 and of the Group's profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Group's or the parent Company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

### INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF IIC ENFIELD FUNDING INVESTMENT LIMITED (continued)

### Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Group and the parent Company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent Company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent Company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

### Responsibilities of directors

As explained more fully in the directors' responsibilities statement set out on page 4, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Group's and the parent Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or the parent Company or to cease operations, or have no realistic alternative but to do so.

### Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: http://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

# Notes to the financial statements for the year ended 30 June 2019

### 1. Accounting policies

#### Basis of preparation

IIC Enfield Funding Investment Limited (the "Company") is a private company limited by shares and incorporated and domiciled in England and Wales with a registered office at Third Floor Broad Quay House, Prince Street, Bristol, United Kingdom, BS1 4DJ.

The Group's principal activities and nature of its operations are described in the Directors' Report.

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006, including the provisions of the Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008. The financial statements are prepared on the historical cost basis. The presentation currency of these financial statements is sterling and amounts have been rounded to the nearest whole pound sterling unless otherwise stated.

The Company prepares consolidated financial statements which are prepared in accordance with FRS 102 and are available to the public and may be obtained from the Company Secretary, Third Floor Broad Quay House, Prince Street, Bristol, United Kingdom, BS1 4DJ. In these financial statements, the Company is considered to be a qualifying entity (for the purposes of this FRS) and has applied the exemptions available under FRS 102 in respect of the following disclosures:

 Section 7 'Statement of Cash Flows' – Presentation of a statement of cash flows and related notes and disclosures.

As the consolidated financial statements of IIC Enfield Funding Investment Limited include the equivalent disclosures, the Company has also taken the exemptions under FRS 102 available in respect of the following disclosures:

• The disclosures required by FRS 102.11 Basic Financial Instruments and FRS 102.12 Other Financial Instrument Issues in respect of financial instruments not falling within the fair value accounting rules of Paragraph 36(4) of Schedule 1.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

#### Going concern

The financial statements have been prepared on a going concern basis. In forming that assessment, the directors have considered the associated group companies' financial projections, cash flows and ability to continue to operate with the long term facility currently agreed and their ability to meet liabilities as they fall due.

The Company balance sheet shows net current liabilities of £81,538 (2018: £121,204). The directors have reviewed the forecast, which includes capital returns on the loan stock investment (note 8) in the next 12 months of £98,976 (2018: £137,312), and therefore consider that it is appropriate to prepare the financial statements on a going concern basis.

# Notes to the financial statements for the year ended 30 June 2019 (continued)

#### 1. Accounting policies (continued)

#### Investments

Loan stock investments are stated at initial transaction cost less repayment.

#### **Basis of consolidation**

The consolidated financial statements include the financial statements of the Company and its subsidiary undertaking made up to 30 June 2019. The purchase method of accounting has been adopted. Under this method, the results of subsidiary undertakings acquired or disposed of in the year are included in the consolidated profit and loss account from the date of acquisition or up to the date of disposal.

All intra-group transactions, balances and unrealised gains on transactions between group companies are eliminated on consolidation. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the asset transferred.

#### Basic financial instruments

The Group has elected to apply the provisions of section 11 'Basic financial instruments' to all of its financial instruments.

Interest-bearing borrowings classified as basic financial instruments

Interest-bearing borrowings are recognised initially at the present value of future payments discounted at a market rate of interest. Subsequent to initial recognition, interest-bearing borrowings are stated at amortised cost using the effective interest method, less any impairment losses

Cash and cash equivalents

Cash and cash equivalents comprise cash balances and call deposits.

### Impairment excluding deferred tax assets

Financial assets (including trade and other debtors)

A financial asset not carried at fair value through profit or loss is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. For financial instruments measured at cost less impairment an impairment is calculated as the difference between its carrying amount and the best estimate of the amount that the Group would receive for the asset if it were to be sold at the reporting date.

Interest on the impaired asset continues to be recognised through the unwinding of the discount. Impairment losses are recognised in profit or loss. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through profit or loss.

# Notes to the financial statements for the year ended 30 June 2019 (continued)

### 1. Accounting policies (continued)

### Interest receivable and interest payable

Interest payable and similar charges include interest payable on borrowings and associated ongoing financing fees. Other interest receivable and similar income include interest receivable on funds invested.

Interest income and interest payable are recognised in profit or loss as they accrue, using the effective interest method.

#### **Taxation**

Tax on the profit or loss for the year comprises of current tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

### Judgements and key sources of estimation uncertainty

The directors consider that there are no judgements made in the application of these accounting policies that have significant effect on the financial statements and nor are there any estimates with a significant risk of material adjustment in the next year. The directors have considered the interest rates applied to the subordinated loan stock and consider these to be at a market rate of interest.

#### **Dividends**

Dividends are recognised as liabilities once they are no longer at the discretion of the Company.

#### 2. Profit on ordinary activities before taxation

The audit fee in respect of the Group was £3,227 for the year (2018: £3,133). The audit fee in respect of the Company was £1,613 (2018: £1,567). The Group and Company fees have been paid by a group undertaking, Enfield Lighting Services Limited, for which no recharge has been made (2018: £nil). Auditor's remuneration is payable to RSM UK Audit LLP and its affiliated entities.

### 3. Staff costs and directors' remuneration

The directors received no emoluments in respect of their services to the Group or the Company during the year (2018: £nil). The Group and Company had no employees during the year (2018: no employees).

|    | Total tax charge for the year   | 565            | 463     |

# Notes to the financial statements for the year ended 30 June 2019 (continued)

### 6. Taxation (continued)

### c) Factors that may affect future tax charges

Changes to the UK corporation tax rates were substantively enacted as part of Finance Act 2016 (on 6 September 2016). These include reductions to the main rate to reduce the rate to 17% from 1 April 2020.

#### 7. Dividends

### Group and Company
