PRINCIPAL ACTIVITIES AND REVIEW OF BUSINESS

The principal activity of the company is that of making investments.

The company has not traded during the year and accordingly no profit and loss account has been prepared. The company had no other recognised gains or losses. The administrative expenses of the company are borne by PIHL Property LLP.

The company holds a 0.8% interest in each of PIHL Property LLP ("LLP") and Prestbury (Scotland) LP ("Scotland"). In the period to 31 March 2014, the principal activity of Scotland was that of acting as a limited partner to Prestbury 1 and a Jersey limited partnership known as Max Property L.P.. During the year ended 31 March 2014 the groups headed by Prestbury 1 and Max Property L.P. conducted real estate investment activities.

The company carries its investments at cost of £45. However if the company's investments were to be revalued at the company's share of the underlying value of its investments, the net asset value as at 31 March 2014 would be £457,689 or £0.51p per share.

Scotland was entitled to receive distributions from Max Property L.P. in certain circumstances set out in the partnership agreement. Since the year end as the targets set out in the partnership agreement were achieved, cash returns amounting to £245,494 were received by the company from Scotland and no further returns will be due under these arrangements.

DIRECTORS' REPORT FOR THE YEAR ENDED 31 MARCH 2014

DIRECTORS' RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

PROVISION OF INFORMATION TO AUDITORS

Each of the persons who are directors at the time when this directors' report is approved has confirmed that:

- so far as that director is aware, there is no relevant audit information of which the company's auditors are unaware, and
- that director has taken all the steps that ought to have been taken as a director in order to be aware of any information needed by the company's auditors in connection with preparing their report and to establish that the company's auditors are aware of that information.

AUDITORS

BDO LLP have expressed their willingness to continue in office.

The directors' report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption.
