Severn Crossing Developments Limited

Directors' Report for the Year Ended 30 September 2018

The directors present their report and the financial statements for the year ended 30 September 2018.

This directors' report has been prepared in accordance with the provisions relating to small companies under section 415A of the Companies Act 2006. Accordingly, no Strategic Report has been prepared.

Directors of the company

The directors who held office during the year were as follows:

J N Stacey

J K Beauchamp

Principal activity

The principal activity of the company continues to be that of property development in the UK.

Dividends

The directors recommend no final dividend payment be made in respect of the financial year ended 30 September 2018. (2017 £nil).

Political donations

During the year the company made no political donations. (2017 £nil).

Employment of disabled persons

It is the company's policy to give full consideration to suitable applications for employment by disabled persons where the requirements of the job can be adequately filled by a disabled person.

Employee involvement

It is the company's policy to keep all employees aware of financial and commercial matters as far as is practicable. Employees are encouraged to participate directly in the success of the business through the company's performance-related bonus plans.

Post balance sheet events

On 13 December 2018, the company disposed of its remaining development property for £13.425m

Going concern

The directors have considered the basis of preparation of the financial statements. Following the sale of its remaining investment property, after the end of the year, for a sum that enables the company to repay all of its borrowings and retain a positive cash balance, and based on the assessment of budgets and cashflow forecasts, the board have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus the board continues to adopt the going concern basis of accounting in preparing the financial statements.

Severn Crossing Developments Limited

Directors' Report for the Year Ended 30 September 2018

Disclosure of information to auditor

Each of the persons who is a director at the date of approval of this report confirms that:

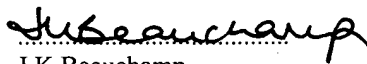

- so far as each of the directors is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- each director has taken all the steps that he ought to have taken as a director to make himself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of Section 418 of the Companies Act 2006.

Reappointment of auditors

Pursuant to Section 487 of the Companies Act 2006 and the Mabey Holdings Limited Shareholders' reappointment of KPMG LLP as auditor to all Mabey group companies at the Annual General Meetings in December 2015 and December 2016, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

Approved by the Board on¹⁸.....December 2018 and signed on its behalf by:

J K Beauchamp
Director

Severn Crossing Developments Limited

Statement of Directors' Responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Independent Auditor's Report to the Members of Severn Crossing Developments Limited

Opinion

We have audited the financial statements of Severn Crossing Developments Limited ("the Company") for the year ended 30 September 2018 which comprise of the Profit and Loss Account, Balance Sheet, Statement of Changes in Equity and related notes, including the accounting policies in note 2.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 September 2018 and of its loss for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Going concern

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least twelve months from the date of approval of the financial statements. We have nothing to report in these respects.

Directors' report

The directors are responsible for the directors' report. Our opinion on the financial statements does not cover that report and we do not express an audit opinion thereon.

Our responsibility is to read the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the directors' report;
- in our opinion the information given in that report for the financial year is consistent with the financial statements; and
- in our opinion that report has been prepared in accordance with the Companies Act 2006.

Independent auditor's report to the members of Severn Crossing Developments Limited (continued)

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

We have nothing to report in these respects.

Directors' responsibilities

As explained more fully in their statement set out on page 4, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

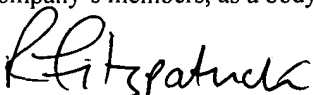

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Severn Crossing Developments Limited

Notes to the Financial Statements for the Year Ended 30 September 2018

1 General information

Severn Crossing Developments Limited (the "Company") is a private company limited by share capital incorporated and domiciled in the United Kingdom.

2 Accounting policies

Basis of preparation

These financial statements were prepared in accordance with Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' ("FRS102") as issued in August 2014. The amendments to FRS 102 issued in July 2015 and effective immediately have been applied.

These financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

The presentation currency of these financial statements is sterling.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

The Company's financial statements are included in the consolidated financial statements of Mabey Holdings Limited. The consolidated financial statements of Mabey Holdings Limited are prepared in accordance with Financial Reporting Standard 102 and are available to the public and may be obtained from One Valpy, 20 Valpy Street, Reading RG1 1AR. In these financial statements, the company is considered to be a qualifying entity (for the purposes of this FRS) and has applied the exemptions available under FRS 102 in respect of the following disclosures:

- Cash Flow Statement and related notes; and
- Key Management Personnel compensation.

As the consolidated financial statements of Mabey Holdings Limited include the equivalent disclosures, the Company has also taken the exemptions under FRS 102 available in respect of the following disclosures:

- Certain disclosures required by FRS 102.26 Share Based Payments; or
- The disclosures required by FRS 102.11 Basic Financial Instruments and FRS 102.12 Other Financial Instrument Issues in respect of financial instruments not falling within the fair value accounting rules of Paragraph 36(4) of Schedule 1.

Going concern

The directors have considered the basis of preparation of the financial statements and, based on the assessment of budgets and cashflow forecasts, have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus the board continues to adopt the going concern basis of accounting in preparing the financial statements.

Interest payable

Interest payable is recognised in profit or loss as it accrues, using the effective interest method.

Revenue recognition

(section 23 of FRS102)

Income from property is recognised as rents fall due or as sales are completed.

Severn Crossing Developments Limited

Notes to the Financial Statements for the Year Ended 30 September 2018

Tax

(section 29 of FRS102)

Tax on the profit or loss for the year comprises current and deferred tax. Tax is recognised in the profit and loss account except to the extent that it relates to items recognised directly in equity or other comprehensive income, in which case it is recognised directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Deferred tax is provided on timing differences which arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in the financial statements. The following timing differences are not provided for: differences between accumulated depreciation and tax allowances for the cost of a fixed asset if and when all conditions for retaining the tax allowances have been met; and differences relating to investments in subsidiaries, to the extent that it is not probable that they will reverse in the foreseeable future and the reporting entity is able to control the reversal of the timing difference. Deferred tax is not recognised on permanent differences arising because certain types of income or expense are non-taxable or are disallowable for tax or because certain tax charges or allowances are greater or smaller than the corresponding income or expense.

Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the balance sheet date. For investment property that is measured at fair value, deferred tax is provided at the rates and allowances applicable to the sale of the asset/property. Deferred tax balances are not discounted.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand.

Trade debtors

Trade debtors and other debtors are recognised initially at transaction price less attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impaired losses in the case of trade debtors. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate of instrument for a similar debt instrument.

Stocks

(section 13 of FRS102)

Stocks are stated at the lower of cost incurred in bringing each property to its present location and condition, and net realisable value, after making due allowance for obsolete or slow-moving items.

Cost of property developments comprises the direct cost of materials, services, sub contractors and labour and all costs directly attributable to development projects. Net realisable value of development projects is the anticipated sales value less anticipated cost of all further work to completion of the projects including provision for maintenance work where applicable.

Severn Crossing Developments Limited

Notes to the Financial Statements for the Year Ended 30 September 2018

Trade creditors

Trade creditors and other creditors are recognised initially at transaction price less attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate of instrument for a similar debt instrument.
