Company No: 5754479

STRATEGIC REPORT

The directors, in preparing this strategic report, have complied with s414C of the Companies Act 2006 for the year ended 31 March 2021.

Principal activity and review of business

The principal activity of Vodafone Finance Luxembourg Limited (the "Company") is the holding of intercompany balances associated with management of funding and related treasury matters for the Vodafone Group Plc group of companies (the "Group"). The directors are satisfied with the position and performance of the Company in the year.

Results and dividends

The income statement is set out on page 4 of the financial statements. For the year ended 31 March 2021, there was a loss on ordinary activities after taxation of €43,132,000 (2020: loss of €35,394,000). The loss for the year has increased compared to the prior year due to higher net interest payable. The net asset position at 31 March 2021 was €8,193,750,000 (2020: net asset position of €8,236,882,000).

The directors do not recommend the payment of a dividend (2020: €nil).

Principal risks and uncertainties and financial risk management

Details of principal risks and uncertainties and financial risk management can be found in the report of the directors on page 2 and form part of this report by cross reference.

Future developments

The directors do not anticipate that the business of the Company will change in the foreseeable future. There have been no subsequent events that would suggest future changes.

The strategic report was approved by the Board on 25 August 2021 and was authorised for issue and signed on its behalf by:

REPORT OF THE DIRECTORS (CONTINUED)

Statement of directors responsibilities

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 101, have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgments and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006.

Indemnification of directors

In accordance with the Company's articles of association and to the extent permitted by law the directors may be granted an indemnity from the Company in respect of liabilities incurred as a result of their office. In respect of those matters for which the directors may not be indemnified, Vodafone Group Plc maintained a directors' and officers' liability insurance policy throughout the financial year. This policy is renewed annually in August. Neither the Company's indemnity nor the insurance provides cover in the event that the director is proven to have acted dishonestly or fraudulently.

The report of the directors was approved by the Board on 25 August 2021 and signed on its behalf by:

VODAFONE FINANCE LUXEMBOURG LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2021

1 Accounting policies

The particular accounting policies adopted are described below. The accounting policies have been applied on a consistent basis during the current and the preceding year.

1.1 Basis of preparation of financial statements

The Company's financial statements have been prepared using the historical cost convention as modified by the revaluation of certain financial assets and financial liabilities measured at fair value through profit or loss and in accordance with the Companies Act 2006 and applicable United Kingdom accounting standards. The Company meets the definition of a qualifying entity and has accordingly adopted Financial Reporting Standard 101 "Reduced disclosure framework" ("FRS 101"). Therefore the recognition and measurement requirements of international accounting standards have been applied in conformity with the requirements of the Companies Act 2006 and The Large and Medium-sized Companies and Groups (Accounts and Reports) Regulations 2008 (SI 2008/410) as these are Companies Act 2006 financial statements. The Company will continue to prepare its financial statements in accordance with FRS 101 on an ongoing basis until such time as it notifies shareholders of any change to its chosen accounting framework. The financial statements have been prepared on a going concern basis.

The following exemptions available under FRS 101 have been applied:

- IFRS 7 "Financial Instruments: Disclosures";
- Paragraph 91 to 99 of IFRS 13, "Fair value measurement" (disclosure of valuation techniques and inputs used for fair value measurements of assets and liabilities);
- The requirements in paragraph 38 of IAS 1 "Presentation of financial statements" comparative information requirements in respect of paragraph 79(a)(iv) of IAS 1;
- The following requirements of IAS 1 "Presentation of financial statements":
 - 10(d) (statement of cash flows);
 - 16 (statement of compliance with all IFRS);
 - 38A (requirement for minimum of two primary statements, including cash flow statements);
 - 38B-D (additional comparative information);
 - 40A-D (requirements for a third statement of financial position);
 - 111 (cash flow statement information); and
 - 134-136 (capital management disclosures).

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 MARCH 2021 (CONTINUED)

1 Accounting policies (continued)

- The requirements of IAS 7 “Statement of cash flows”;
- The requirements of paragraph 30 and 31 of IAS 8 “Accounting policies, changes in accounting estimates and errors” (requirement for the disclosure of information when an entity has not applied a new IFRS that has been issued but is not yet effective);
- The requirements in paragraphs 134(d)-134(f) and 135(c)-135(e) of IAS 36 “Impairment of assets” relating to estimates used to measure recoverable amounts;
- The requirements in paragraph 17 of IAS 24 “Related party disclosures” relating to key management compensation; and
- The requirements in IAS 24 “Related party disclosures” to disclose related party transactions entered into between two or more members of a group, provided that any subsidiary is a party to the transaction is wholly owned by such a member.

Where required, equivalent disclosures are given in the consolidated financial statements of Vodafone Group Plc which are available to the public and can be obtained from the Vodafone website www.vodafone.com.

1.2 Corporate information

The Company is a private limited company incorporated and domiciled in England and Wales.

The address of its registered office is Vodafone House, The Connection, Newbury, Berkshire, RG14 2FN.

The information on its ultimate parent is presented in Note 10.

1.3 Critical accounting judgements and key sources of estimation uncertainty

In preparing the financial statements for the year, management has not used any assumptions that give rise to a significant risk of adjustment within the next financial year.

1.4 Presentation and functional currency

The Company’s financial statements are presented in euro, which is its functional and presentational currency. The euro is the primary currency in which the Company’s financing activities and investment returns are denominated.

The euro to sterling exchange rate at 31 March 2021 was 0.85 (2020: 0.88). The average euro to sterling exchange rate for the year ended 31 March 2021 was 0.89 (2020: 0.87).

1 Accounting policies (continued)

1.5 Foreign currency

Transactions in foreign currencies are initially recorded at the functional rate of currency prevailing on the date of the transaction. Non-monetary items measured in terms of historical cost in a foreign currency are not retranslated. All other assets and liabilities denominated in foreign currencies are retranslated into the Company's functional currency at the rates prevailing on the reporting period date. Exchange differences arising on retranslation or settlement are recognised in the income statement for the period.

1.6 Debtors

Amounts owed by group undertakings are classified and recorded at amortised cost and reduced by allowances for expected credit losses. Estimate future credit losses are first recorded on initial recognition of a receivable and are based on estimated probability of default. Individual balances are written off when management deems them not to be collectible.

1.7 Creditors

Interest bearing loans are initially measured at fair value (which is equal to cost at inception) and are subsequently measured at amortised cost using the effective interest rate method. Any difference between the proceeds net of transaction costs and the amount due on settlement or redemption of borrowings is recognised over the term of the borrowing.

1.8 Impairment of financial assets

The Company assesses at the end of each reporting period whether there is any objective evidence that a financial asset or group of financial assets is impaired. If there is objective evidence that an impairment loss has been incurred, the amount of the loss is measured as the difference between the assets carrying amount and the present value of estimated future cash flows (excluding future credit losses that have not been incurred) discounted at the financial assets original effective interest rate (i.e. the effective interest rate computed at initial recognition). The carrying amount of the asset is reduced either directly or through use of an allowance account. The amount of the loss is recognised in the income statement. If, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised (such as an improvement in the debtor's credit rating), the previously recognised impairment loss is reversed either directly or by adjusting an allowance account. The reversal does not result in a carrying amount of the financial asset that exceeds what the amortised cost would have been had the impairment not been recognised at the date the impairment is reversed. The amount of the reversal is recognised in the income statement.

1.9 Cash flow statement

In accordance with the provisions of FRS 101, a cash flow statement has not been prepared since the Company is a wholly owned subsidiary of Vodafone Group Plc, a company registered in England and Wales, which prepares consolidated financial statements that include a consolidated cash flow statement, and which are publicly available.

1.10 Taxation

Current tax, including UK corporation tax and foreign tax, is provided at amounts expected to be paid, or recovered, using the tax rates and laws that have been enacted or substantively enacted at the reporting period date.

Deferred tax is provided in full on temporary differences that exist at the reporting period date and that result in an obligation to pay more tax, or a right to pay less tax in the future. The deferred tax is measured at the rate expected to apply in the periods in which the temporary differences are expected to reverse, based on the tax rates and laws that are enacted or substantively enacted at the reporting period date. Temporary differences arise from the inclusion of items of income and expenditure in taxation computations in periods different from those which are included in the Company financial statements. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

1.11 Share capital and share premium

Equity instruments issued by the Company are recorded as the proceeds received, net of direct issuance costs.

1.12 Interest receivable and payable

Interest receivable and payable are recognised in the income statement in the year in which they are accrued.

1.13 New standards, amendments and IFRIC interpretations

No new accounting standards, or amendments to accounting standards, or IFRIC interpretations that are effective for the year ended 31 March 2021, have had a material impact on the Company.
