Statement of directors' responsibilities in respect of the Directors' Report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will
 continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

Basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

The Company is exempt from the requirement of FRS 1 (revised 1996) to prepare a cash flow statement as it is a wholly owned subsidiary undertaking of Grove Limited and its cash flows are included within the consolidated cash flow statement of that company.

As the Company is a wholly owned subsidiary of Grove Limited the Company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the group.

Going Concern

The Company has net assets together with the long term support from its ultimate Parent Company. As a consequence, the directors believe that the company is well-placed to manage its business risks successfully despite the current uncertain economic outlook.

The directors have a reasonable expectation that the company and group has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis in preparing these annual financial statements.

Group companies have confirmed that any amounts due from group undertakings will not be demanded within the next year.

2 Auditor's remuneration
