1 Introduction

- 1.1 Ian Christopher Schofield and Charles William Anthony Escott of PKF (UK) LLP, Accountants and business advisers, were appointed Joint Administrators of Miller Brothers Retail Limited ("MBR") and its subsidiary companies, Miller Stores (Doncaster) Limited ("MSD") and Miller Property (Doncaster) Limited ("MPD") (together "the Group") on 6 January 2009. The appointments were made on application by the directors, under the provisions of Schedule B1, paragraph 22 of the Insolvency Act 1986.
- 1.2 Ian Schofield and Charles Escott are authorised to act as Insolvency Practitioners by the Institute of Chartered Accountants in England and Wales.
- 1.3 This report contains the information required by Rule 2.33 of the Insolvency Rules 1986. In accordance with paragraph 100(2) of Schedule B1 to the Insolvency Act 1986 the functions of the administrators are to be exercised by any or all of them.
- 1.4 The Administration constitutes "main proceedings" under the EC Regulations on Insolvency Proceedings although, as the Company does not have any branch operations in other EU member states, this is of little practical relevance.
- 1.5 Section 2 of this report sets out how the Joint Administrators have performed and propose to perform their functions.

February 2009 Introduction 1

2 Background

- 2.1 MBR was incorporated on 5 May 2006 and traded from MPD's leasehold property situated at Carr Lane Industrial Estate, Doncaster.
- 2.2 Statutory details for the Group are attached as Appendix 1 to this report.
- 2.3 MBR's principle activity was the supply of consumer electrical goods through its web sites and on behalf of other retailers. It also acted as supplier to its subsidiary retail store MSD.
- The business commenced trading in 2006 after a previous business Miller Brothers (Electrical) Limited was placed in administration. Previously the business was a traditional electrical retailer with 28 shops spread across the UK. Following the buyout from administration the business has operated from one combined wholesale and retail location in Doncaster and the internet retail business was expanded to provide hosted e-retail electrical goods services on behalf of other retailers, principally ASDA.
- A two year contract was secured with ASDA in August 2007, with the contract being renegotiated in September 2008 following its failure to deliver sufficient profits for MBR. As part of this process ASDA took control of its own internet retailing with MBR providing only a logistics service. ASDA's implementation of its own ASDA Direct service was initially unsuccessful resulting in significant operational problems and a reduction in sales for MBR.
- 2.6 The failure of another potential customer, Woolworths, and with MBR's financial position rendering it unable to take advantage of the limited alternative opportunities available in the current trading climate, the directors came to the conclusion that the business could not continue to trade.

February 2009 Background 2

Purpose of Administration and Administration 3 **Strategy**

- Under paragraph 3, Schedule B1 of the Insolvency Act 1986 the Joint Administrators are 3.1 required to perform their functions with the objective of:
 - Rescuing the Company as a going concern or, a)
 - Achieving a better result for the Company's creditors as a whole than would be b) likely if the Company were wound up without first being in Administration or,
 - Realising property in order to make a distribution to one or more secured or c) preferential creditors.
- The administrators concluded that the business should continue to trade in the short term 3.2 with a view to achieving objective b) above.
- While a sale of the business as a going concern was a possibility, the loss of MBR's major 3.3 customer and the downturn in the retail sector generally suggested that it would be difficult to find a purchaser.
- Accordingly the administrators adopted a strategy of winding the business down over the 3.4 month of January to maximise the realisable value of stock while exploring the possibility of a going concern sale.
- Several enquiries were received in connection with the possible purchase of the business as 3.5 a going concern. All of these were referred to the landlord who indicated a willingness to work with potential purchasers to achieve a transfer of the lease. Unfortunately none of these enquiries resulted in an offer for the business.
- At the date of appointment, the Group's warehouse contained a large amount of stock 3.6 belonging to ASDA, as well as its own stocks. The winding down period also enabled ASDA to arrange for the sale or removal of its stock. A schedule of payments was agreed with ASDA covering the labour and overhead costs incurred by the business in assisting ASDA with its stock disposal.
- The business was gradually downsized throughout the month of January with increasing 3.7 levels of discount applied to retail prices to achieve the maximum sales through the store. This strategy was agreed with valuation agents Sanderson Weatherall. The store closed to normal retail customers on 31 January 2009 and stock remaining at that date was placed in an online auction along with store and warehouse furniture and equipment by Sanderson Weatherall on 19 February 2009.

All of the Group's principal suppliers claimed that they incorporated reservation of title 3.8 ("ROT") terms and conditions into their trading terms. The ROT terms and conditions and stock holdings were investigated to determine the actual level of valid ROT claims against stock. The ROT position was pro-actively managed and all suppliers were invited immediately following appointment to visit the Group premises and count stock supplied by them. Agreement was reached with many suppliers to enable the company in administration to continue selling that stock at discounted levels. This had the dual benefit of refreshing the stocks held in store while assisting the suppliers to dispose of their stocks and avoid the costs of recovering and holding stocks, some of which might have been difficult to sell on at original cost price in the current retail environment.

Administration trading and receipts and payments

- As previously reported, the administrators traded the Group through January in order to 4.1 realise value for the stock held. After accounting for payroll costs and other overheads, a net profit of approximately £69,000 is estimated. A summary of the trading position is attached as Appendix 2.
- A copy of the administrators' receipts and payments account for each company is attached 4.2 as Appendix 3.

Statement of Affairs and Estimated Outcome 5

In accordance with Rule 2.31 of the Insolvency Rules 1986 and paragraph 4B of Schedule 5.1 B1 of the Insolvency Act 1986, the Joint Administrators requested the Directors to submit a statement of affairs for each company as at the date of Administration. A copy of these is attached as Appendix 4.

Leasehold property

- The Group occupies premises at Shaw Lane, Doncaster under the terms of a lease dated 12 5.2 October 2006 between GMI Shaw Lane Ltd and MPD, for a 25 year term from 12 October 2008. The property was most likely constructed in the 1960's and subsequently occupied by the Group as a headquarters facility, adapted and extended to provide extensive offices. retail showroom, call centre operation and warehousing together with ancillary staff accommodation.
- Our agents have advised that there is unlikely to be any value in the lease given the 5.3 outstanding rent arrears (£20,000) and potential significant dilapidations that would likely be submitted by the landlord.

Goodwill

- A sale of a small part of the business known as Mallplace/ Pollock New Media has been 5.4 completed for £10,000. This part of the business, a proposed internet gateway, was still in the course of development at the date of our appointment.
- In a separate transaction to a different party, we have also managed to secure value for the 5.5 customer database of the Miller Brothers and QED websites. The purchaser has paid a deposit of £10,000, with the balance of £8,000 payable on or before 20 February 2009.

Fixtures and fittings

The office and warehouse furniture and equipment, and motor vehicles have been valued by 5.6 our agents, as follows:

£

As a whole in its working place

43,150

For removal from the premises

26,500

An on-line auction was held on 19 February 2009 to dispose of the remaining assets. We 5.7 have been advised that realisations in the region of £38,000 have been achieved and a detailed analysis is awaited from our agents.

Stock

At the date of appointment, stock with a book value of £501,362 was held in the company's 5.8 warehouse. After making an assessment of the potential reservation of title claims against this stock, our agents concluded that the free stock amounted to £262,048 and against that figure they provided the following valuations:

£

As a whole in its working place

183,433

For removal from the premises

91,717

Cash at bank

A deposit of £300,000 is held by HSBC Bank plc ("the Bank") to secure the risk of having to 5.9 make chargeback payments to customers whose purchases were made by credit card. On a worst case scenario, the directors have calculated the maximum potential exposure to be in the region of £30,000, although this will decline with the passage of time. We are therefore liaising with the Bank to secure the release of funds to the company.

Secured Creditors

The Bank holds fixed and floating charges over the company's assets dated 15 August 2006. 5.10 The amount due to the Bank at the date of appointment was approximately £12,000.

Preferential Creditors

- The Directors' statement of affairs for MBR shows preferential creditors to be £60,000. This 5.11 represents the Redundancy Payments Office's subrogated claim for employee arrears of wages and holiday pay, together with excess amounts owed to employees above the statutory limit.
- It is possible that there will be sufficient funds available to pay the claims of the preferential 5.12 creditors in full, although this will be dependent ultimately on the level of funds returned to MBR from the Bank deposit account referred to above.
- There are no preferential claims expected in either MSD or MPD. 5.13

Unsecured Creditors

The claims of the unsecured creditors against each of the companies within the Group can 5.14 be summarised as follows:

	MBR £'000	MSD £'000	MPD £'000
Inter-company	0	193	52
Trade creditors	942	0	0
Other creditors	18	22	0
HMRC	336	38	0
Landlord	0	0	280
Employees	400	0	0
Total	1,696	253	332

There could be sufficient funds available to pay a small dividend to the unsecured creditors 5.15 of MBR only.

6 Creditors' Meeting

- A creditors' meeting for the Group under paragraph 51 of Schedule B1 of the Insolvency Act 1986 will be held on 13 March 2009 at 10:30am at the offices of PKF (UK) LLP, Pannell House, 6 Queen Street, Leeds LS1 2TW to consider the joint administrators proposals.
- 6.2 Formal notice of the meeting, Form 2.20B, is enclosed.
- 6.3 If you are a corporate entity, or intend to be represented by someone else voting on your behalf at the meeting, in order for you to be entitled to vote, the proxy form and enclosed proof of debt form, should be completed and returned to the administrators by 12.00 hours on the business day before the meeting. If you propose to attend the meeting personally on your own behalf then we should be grateful if you would let us know by 12 March 2009.

February 2009 Creditors' Meeting 9

7 Prescribed Part

- 7.1 Section 176A(2)(a) of the Insolvency Act 1986 provides that where a qualifying floating charge has been created on or after 15 September 2003, the Joint Administrators must make a prescribed part of the Company's net property available for the satisfaction of the unsecured debt (including previously preferential Crown debt). The prescribed part is calculated as follows; 50% of the first £10,000 and 20% of anything thereafter up to a maximum of £600,000 of the Company's net property.
- 7.2 However, it is expected that the Bank will be repaid in full under their fixed charge security and therefore there will be no requirement to make provision for a prescribed part.

February 2009 Prescribed Part 10

Joint Administrators' Remuneration 8

- The basis for fixing the Joint Administrators' remuneration is set out in Rule 2.106 of the 8.1 Insolvency Rule 1986 (as amended), and state that it shall be fixed either:
 - As a percentage of the value of the property with which the Administrator has to deal: or
 - By reference to the time properly given by the Joint Administrators and their staff in attending to matters arising in the Administration.
- The Joint Administrators will request that their remuneration be paid by reference to PKF's 8.2 normal rates for the time spent by them and their staff in attending to matters arising in the Administration.
- As at 20 February 2009, PKF have incurred combined time costs of £97,095, representing 8.3 411 hours at an average hourly rate of £236. The Joint Administrators' detailed time cost summary for the Group is attached at Appendix 5.
- A list of PKF's charge-out rates for partners and staff is attached at Appendix 6 to this report. 8.4 A Creditors' Guide to Insolvency Practitioners Fees in Administration can be found on the PKF website (www.pkf.co.uk/pkf/services/corporate_recovery_&_insolvency/home).

9 Proposed exit route

- 9.1 The Administrators suggest two possible exit routes from Administration.
- 9.2 Both outcomes form part of the Administrators' proposals and whilst both may be approved, only one will be actioned.

Funds available for distribution to unsecured creditors

- 9.3 If it transpires that surplus funds become available for distribution to the unsecured creditors, it is proposed that the conclusion of the administration will lead to a creditors' voluntary liquidation, with the Administrators becoming Joint Liquidators.
- 9.4 In accordance with paragraph 83(7) of Schedule B1 of the Act and Rule 2.117(3) of the Rules, creditors may nominate a different person as the proposed liquidator. Any nomination must be made after the receipt of these proposals and before the proposals are approved, with or without modifications.

No funds available for distribution to unsecured creditors

- 9.5 In the event that funds do not become available to the unsecured creditors, it is proposed that the conclusion of the administration will lead to dissolution of the Company, following the Administrators taking their release at the end of the twelve month period or once all matters have been concluded, whichever is the earliest.
- 9.6 In accordance with paragraph 84 of Schedule B1 of the Act and Rule 2.118 of the Rules, the Administrators will file the necessary forms and returns with the Court, the Registrar of Companies and the Company's creditors.

Administrators' discharge

9.7 It is standard practice for administrators to seek a discharge from liability for any action taken by them during the course of an administration, following the termination of the administration.

Joint Administrators' Proposals for Miller 10 **Group of Companies**

- In accordance with Schedule B1, paragraph 49 of the Insolvency Act 1986 Ian Christopher 10.1 Schofield and Charles William Anthony Escott, the Joint Administrators of the Companies, make to the creditors of each of the following proposals for each of the companies Miller Brothers Retail Limited, Miller Stores (Doncaster) Limited and Miller Property (Doncaster) Limited for achieving the purposes of the administrations.
- That the Administrators do all such things and generally exercise all of their powers as 10.2 Administrators contained in Schedule 1 of the Insolvency Act 1986, as they in their discretion consider desirable or expedient in order to achieve the purposes of the Administration, to protect and preserve the assets of the Company or maximise the realisation of those assets or for any purpose incidental to these proposals.
- That the Administrators, at their sole discretion and at a time they see fit, are empowered to 10.3 either:
 - File the necessary returns at Court and with the Registrar of Companies to place the Company into creditors voluntary liquidation pursuant to Paragraph 83 of Schedule B1 of the Insolvency Act 1986 and that Ian Christopher Schofield and Charles William Anthony Escott (the Administrators) be appointed Joint Liquidators, or any other person(s) be appointed Liquidator of the Company in accordance with Paragraph 83(7) of the same, OR;
 - File the necessary returns at Court and with the Registrar of Companies to dissolve the Company pursuant to Paragraph 84 of Schedule B1 of the Insolvency Act 1986.
- That the Administrators shall be remunerated on a time cost basis by reference to PKF (UK) 10.4 LLP's normal rates for the time spent by them and their staff in attending to matters arising in the Administration.
- That the Administrators be discharged from liability in accordance with Paragraph 98 of 10.5 Schedule B1 of the Insolvency Act 1986, 28 days after filing their final progress report in the Administration.
- That, if thought appropriate, a creditors' committee be formed. 10.6
