This progress report covers the period from 22 November 2016 to 21 September 2017 (**the Period**) and should be read in conjunction with any previous progress reports which have been issued.
- 1.2 Barrie Harding resigned as joint Liquidator on 23 November 2016. At this stage in the liquidation of the company it was not considered necessary to appoint another Joint Liquidator, and Patricia Marsh continues in office as Sole Liquidator.
- 1.3 The principal trading address of the Company was 102 Quayside, Newcastle upon Tyne, Tyne & Wear, NE1 3DX.
- 1.4 The registered office of the Company was changed to C/O Marsh Hammond Ltd, Peek House 20, Eastcheap, London, EC3M 1EB immediately following my appointment.
- 1.5 On 20 December 2017, I left Marsh Hammond Limited and the registered office of the Company was changed to C/O M H Recovery Limited, Citygate House R/O 197-199 Baddow Road Chelmsford Essex CM2 7PZ.
- 1.6 On 3 October 2022 I joined AD Business Recovery Limited and the registered office of the company is now C/O AD Business Recovery Limited, Swift House, Ground Floor, 18 Hoffmanns Way, Chelmsford, Essex, CM1 1GU.
- 1.7 On 7 December 2022, Andrew Dix, Office Holder number 009327 was appointed joint liquidator with me by order of the Court.
- 1.8 The Company's registered number is 05816253.

2 Progress of the Liquidation

- 2.1 This section of the report provides creditors with an update on the progress made in the liquidation during the Period and an explanation of the work done by the Liquidator and his staff.
- 2.2 This section of the report provides creditors with an update on the progress made in the liquidation during the Period.
- 2.3 At Appendix A is my Receipts and Payments Account for the Period and cumulatively.
- 2.4 Since the start of the liquidation the following tasks have been carried out:
 - Notification of appointment to creditors of the appointment of Liquidators.
 - Filing with Registrar of Companies
 - Statutory Advertising
 - Creation and update of case files on the firm's insolvency software
 - Complying with statutory duties in respect of specific penalty bond
 - Completion and filing of notice of the company's insolvency with HMRC
 - Liaising with unsecured creditors
 - Initial assessment required by Statement of Insolvency Practice 2 and the Company Directors Disqualification Act 1986 (CDDA) including review of the company's books and records identification of potential further asset realisations which may be pursued in the liquidation.

VIDEOJUICER LIMITED - IN LIQUIDATION

- Review books and records of company and investigating the affairs of the company
 - Report to creditors on progress of liquidation
 - Review of files
- 2.5 Attached at Appendix B is a time analysis outlining the time spent by the Liquidator and their staff during the period of this report, with a cumulative time analysis at Appendix C.
- 2.6 Further information about the basis of remuneration agreed in this case and Liquidator's fees can be found in section 4 of this report.

Administration (including statutory compliance & reporting)

- 2.7 An office holder must comply with certain statutory obligations under the Insolvency Act 1986 and other related legislation. Details about the work I anticipated would need to be done in this area was outlined in my initial fees estimate/information which was previously agreed by creditors.
- 2.8 Where the costs of statutory compliance work or reporting to creditors exceeds the initial estimate, it will usually be because the duration of the case has taken longer than anticipated, possibly due to protracted asset realisations, which have in turn placed a further statutory reporting requirement on the Liquidator.
- 2.9 As noted in my initial fees estimate/information, this work will not necessarily bring any financial benefit to creditors but is required on every case by statute.

Creditors (claims and distributions)

- 2.10 Liquidators are not only required to deal with correspondence and claims from unsecured creditors (which may include retention of title claims), but also those of any secured and preferential creditors of the Company. This may involve separate reporting to any secured creditor and dealing with distributions from asset realisations caught under their security, most typically a debenture.
- 2.11 Work undertaken by a Liquidator in dealing with a company's creditors may only therefore bring a financial benefit to certain classes of creditor such as a secured creditor or the preferential creditors, however a Liquidator is required by statute to undertake this work. Similarly, if a distribution is to be paid to any class of creditor, work will be required to agree those claims and process the dividend payments to each relevant class of creditor. The more creditors a company has, the more time and cost will be involved by the Liquidator in dealing with those claims.
- 2.12 More information on the anticipated outcome for all classes of creditor in this case can be found in Section 3 below.

Investigations

- 2.13 You may recall from my first progress report to creditors that some of the work Liquidators are required to undertake is to comply with legislation such as the Company Directors' Disqualification Act 1986 (**CDDA 1986**) and Statement of Insolvency Practice 2 – Investigations by Office Holders in Administration and Insolvent Liquidations and may not necessarily bring any financial benefit to creditors, unless these investigations reveal potential asset recoveries that the Liquidator can pursue for the benefit of creditors.
- 2.14 My report on the conduct of the Directors of the Company to the Department for Business, Energy & Industrial Strategy under the CDDA 1986 was submitted during the first year of the liquidation and is confidential.
- 2.15 Since my last progress report, I would advise that no further asset realisations have come to light that may be pursued by me for the benefit of creditors.
