### **Report of the directors for the year ended 30 June 2012**

---

The directors present their report together with the audited financial statements for the year ended 30 June 2012

#### **Results and dividends**

The profit and loss account is set out on page 6 and shows the loss for the year. The directors do not recommend payment of a dividend (2011: £Nil).

#### **Principal activity**

The Company's principal activity is that of a developer in the regeneration of the area surrounding The Den, the football stadium of Millwall Football Club (the "Club").

#### **Prospects**

The Company was delighted to note that outline planning permission has been granted for the regeneration of the Surrey Canal Site (which includes both The Den and the adjacent Lion's Centre) and is proud to have played a significant part in the successful application. It looks forward to presenting its plans for the improvement of visitor amenities on both match and non-match days and the comprehensive redevelopment of the Lion's Centre. The importance of the Club and its community scheme were rightly recognised in Lewisham Council's core strategy document and the Company looks forward to the latter's support as it takes a leading role in the regeneration of the Surrey Canal Site.

In this context, the Company is gravely concerned by Lewisham's Council's decision to offer the site of the Lion's Centre to property developers when it is (and has for a long time been) well aware of the Company's long-held ambition to redevelop the Lion's Centre for the long-term benefit of both the Club and the Millwall Community Scheme. Lewisham Council owns the freehold to both The Den and the Lion's Centre and, as such, the Company looks for its whole-hearted support both now and in the future as the Company finalises its exciting plans for these sites within the overall regeneration scheme.

#### **Basis of preparation**

The financial statements have been prepared on a going concern basis. The directors believe it is appropriate to prepare the accounts on this basis as they have obtained confirmation that the immediate parent undertaking intends to continue to support the Company for the foreseeable future. In forming this opinion, the Board has given consideration to the loan facilities currently available to the immediate parent undertaking and cash flow projections for a period of not less than twelve months from the date of signing these accounts.

#### **Political and charitable donations**

During the year, the Company made no charitable or political donations.

#### **Directors**

The directors of the Company during the year were:

J. Berylson  
D. Kouvaris  
A. Ambler

All of the directors are also directors of the immediate parent company, Millwall Holdings Plc.

#### **Directors' responsibilities**

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

#### **Auditors**

All of the current directors have taken all the steps that they ought to have taken to make themselves aware of any information needed by the Company's auditors for the purposes of their audit and to establish that the auditors are aware of that information. The directors are not aware of any relevant audit information of which the auditors are unaware.

BDO LLP have expressed their willingness to continue in office and a resolution to re-appoint them will be proposed at the annual general meeting.

In preparing this directors' report advantage has been taken of the small companies exemption.

##### *Basis of preparation*

The financial statements have been prepared under the historical cost convention and are in accordance with applicable accounting standards

##### *Going concern*

The directors continually monitor the financial position of the Company, taking into account the latest cash flow forecasts and the ability of the Company to generate cash. The directors have prepared the financial statements on a going concern basis having had regard to cash flow projections for a period of not less than twelve months from the date of signing these accounts, which includes funding from the immediate parent company.

While there will always remain some inherent uncertainty the directors remain confident that they will be able to manage the Company's finances and operations so as to achieve the forecasted cash flows and, as a result, that it is appropriate to draw up the financial statements on a going concern basis.

The financial statements do not include any adjustments that would result if the going concern basis of preparation were to become no longer appropriate.

##### *Taxation*

Corporation tax payable is provided on taxable profits at the current rate.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the balance sheet date except that the recognition of deferred tax assets is limited to the extent that the Company anticipates to make sufficient taxable profits in the future to absorb the reversal of the underlying timing differences.

Deferred tax balances are not discounted.

The Company has taken advantage of the exemption in Financial Reporting Standard No. 8, 'Related Party Disclosures', whereby disclosure is not required by a wholly owned subsidiary undertaking within a group, of transactions with other wholly owned group undertakings.
