The profit and loss account is set out on page 5 and shows the profit for the year. The directors do not recommend the payment of a dividend.

Future outlook

The directors believe the Company will operate satisfactorily for the foreseeable future.

Principal risks and uncertainties

Directors' responsibilities

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the entity will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Financial support

The immediate parent company, Top Technology Ventures Limited, has confirmed its financial support to the company by providing funding to enable the company to meet its obligations as they fall due for a period of not less than twelve months from the date of approval of these financial statements. The directors have therefore prepared the financial statements on a going concern basis.

Disclosure of information to auditor

All of the current directors have taken the steps that they ought to have taken to make themselves aware of any information needed by the Company's auditor for the purposes of their audit and to establish that the auditor is aware of that information. The directors are not aware of any relevant audit information of which the auditor is unaware.

Auditor

The auditor BDO LLP is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion the information given in the directors' report for the financial period for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit.

1. ACCOUNTING POLICIES

Basis of preparation

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's financial statements. The financial statements have been prepared in accordance with applicable United Kingdom Accounting Standards and under the historical cost accounting rules and in accordance with the Companies Act 2006.

The financial statements have been prepared on a going concern basis as the Company's parent undertaking, Top Technology Ventures Limited, has confirmed its intention to continue its financial support of the Company so as to ensure it is able to meet its liabilities as they fall due for at least a period of twelve months after the date of approval of these financial statements.

Turnover

Turnover reflects the General Partner's Share received by the Company, as a first charge on partnership profits, in respect of its role as general partner to the IP Venture Fund limited partnership.

Deferred taxation

Provision is made in full for deferred tax liabilities that arise from timing differences where transactions or events, that result in an obligation to pay more tax in the future, have occurred by the balance sheet date. Deferred tax assets are recognised to the extent that it is considered more likely than not that they will be recoverable. Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse based on the tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets and liabilities are not discounted.

Related party transactions

Under FRS8 – Related Party Disclosures, the Company discloses details of material transactions between the reporting entities and related parties. However, transactions between the Company and other group companies including transactions between associate and joint venture companies have not been disclosed in accordance with the exemption in Financial Reporting Standard 8 paragraph 3(c).

Cash flow statement

The Company has taken advantage of the exemption conferred upon it by FRS 1 "Cash Flow Statements" (Revised 1996) not to prepare a cash flow statement whereby the cash flows of the Company are incorporated into those of the ultimate parent undertaking and these financial statements are publicly available.
