NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 30 JUNE 2016

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

1.3 Turnover

Turnover represents bed and breakfast and rental income receivable.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Freehold property improvements - 2% straight line

Computer equipment - 33% straight line

Fixtures, fittings & equipment - 25% straight line

Investment property

Investment property is included in the balance sheet at open market value. The surplus or deficit of such value is transferred to the revaluation fund.

In accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015), no depreciation is provided in respect of the leasehold property. The property is held as an investment and the director considers that to depreciate it would not give a true and fair view. Depreciation is only one of many factors reflected in the annual valuation of properties and accordingly the amount of depreciation that might otherwise have been charged cannot be separately identified or quantified. The director considers that this policy results in the accounts giving a true and fair view.
