**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021**

1. STATUTORY INFORMATION

Aquesta Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with the provision of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

Turnover

Turnover represents fees receivable from hire of banqueting centre and conference hall, excluding value added tax. Revenue from the services is recognised at the time of service is rendered.

Government grants

Grants provided by the government for the purpose of giving immediate financial support in respect of Covid-19 are recognised in the accounting period in which they are received, under accrual method.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Tangible fixed assets

Property, plant and equipment are stated at fair value which is cost or revaluation amount less accumulated depreciation and impairment losses

Freehold property includes land and building which are carried at their revalued amounts, being fair value at the date of valuation less subsequent depreciation and impairment losses. Revaluations are performed by professional qualified valuers with sufficient regularity. Revaluation reserve is disclosed net of deferred tax.

Depreciation is provided on all property, plant and equipment, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Freehold building - 2% on the cost
Plant and Machinery - 25% on reducing balance
Computer Equipment - 33.33% on reducing balance
