1. Progress of the liquidation

This report has been prepared from information available at the time of its preparation. Due to the global outbreak of Covid 19 and the UK's response to this, requiring working from home and necessarily a lack of access to physical files or other information, we should advise that we may not have all the information required to ensure this report is both complete and accurate. Where there are errors and/or omissions we will endeavour to correct these where possible in our next report to you.

We attach at **Appendix C** a schedule of work undertaken during the Period together with a summary of work still to be completed.

As previously reported, the company did not hold any assets at the date of liquidation, and following investigations into the Gaucho Group and the restructuring of the group companies, we have been unable to identify who acted in the restructuring with all potential sources confirming they did not act. The directors have been consulted. No assets have been confirmed as being transferred during the period of the restructuring, nor have any assets been identified since to enable any realisations.

Given the potential costs of making further enquiries into the Gaucho Group, without any guarantee of identifying any assets, we have decided to conclude our investigations and bring our administration of the liquidation to a close.

Attached at **Appendix B** is a receipts and payments account detailing both transactions for the Period and also cumulatively since our appointment as Liquidators.

We can confirm that no further investigations or actions are required.

2. Estimated outcome for the creditors

FRP

There are no secured creditors in this matter.

There are no preferential creditors in this matter.

I have received claims totalling £1,631,442 from unsecured creditors in these proceedings.

In accordance with the Insolvency Act 1986, the prescribed part is an element of net realisations due to the floating charge holder which is made available for unsecured creditors (subject to the floating charge post-dating 15 September 2003).

As there were no floating charges the prescribed part does not apply in this instance.

3. Liquidators' remuneration, disbursements and expenses

As advised in previous correspondence no creditors' agreement to our fees has been sought as there have been no realisations, however a breakdown of our firm's time costs incurred during both the Period and to date is attached at **Appendix D**.

The Liquidators' disbursements are a recharge of actual costs incurred by them in dealing with this matter. Mileage payments made for expenses relating to the use of private vehicles for business travel, which is directly attributable to the insolvency estate, are paid by FRP Advisory Trading Limited at the HMRC approved mileage rate prevailing at the time the mileage was incurred. Details of disbursements incurred during the Period are set out in **Appendix D**.

We attach at **Appendix E** a statement of expenses that have been incurred during the Period.

When instructing third parties to provide specialist advice and services, or having the specialist services provided by the firm, the Joint Liquidator is obligated to ensure that such advice or work is warranted and that the advice or work contracted reflects the best value and service for the work being undertaken. This is reviewed by the Joint Liquidator periodically throughout the duration of the assignment. The specialists chosen may regularly be used by the Joint Liquidator and usually have knowledge specific to the insolvency industry and, where relevant, to matters specific to this insolvency appointment.

Creditors have a right to request further information from the Liquidators and further have a right to challenge the Liquidators' remuneration and other expenses, which are first disclosed in this report, under the Insolvency (England and Wales) Rules. (For ease of reference these are the expenses incurred in the Period as set out in **Appendix E** only).

Further details of these rights can be found in the Creditors' Guide to Fees which you can access using the following link <https://creditors.frpadvisory.com/info.aspx> and select the one for liquidation. Alternatively, a hard copy of the relevant guide will be sent to you on request. Please note there is a time limit for requesting information being 21 days following the receipt of this progress report. There is a time limit of 8 weeks following the receipt of this report for a Court application that the remuneration or expenses are excessive.
