1. Overview of the liquidation

FRP

Following my appointment as Liquidator of the Company on 18 October 2018 I set out herein my final account of the liquidation and confirm that the affairs of the Company are now fully wound up. This report provides an overview of the liquidation and details work done and expenses incurred during the period since my last progress report to date.

Following my appointment, I wrote to creditors on 31 October 2018, notifying of my appointment and to set out a summary of the information I had regarding the Company's assets and liabilities and the likely anticipated outcome for creditors. Details of work undertaken since my appointment have been set out in previous progress reports to creditors.

A schedule of work undertaken during the Period is attached at **Appendix C**.

There were no matters outstanding, aside from statutory duties which include reconciling my cash book with the Secretary of State, preparing my final report to creditors, and to seek my release from office.

Attached at **Appendix B** is a receipts and payments account detailing both transactions for the Period and also cumulatively since my appointment as Liquidator, together with the costs and expenses in dealing with this liquidation which are further discussed in section 3 below. There were insufficient funds available to make a distribution to creditors.

I can confirm that no further investigations or actions are required.

2. Final outcome for the creditors

FRP

The final outcome for creditors is set out below:

There are no secured creditors in this matter.

There are no preferential creditors in this matter.

As per my Statement of Affairs, there are unsecured claims of £24,966,773 however no proof of debt forms has been received.

Pursuant to the Insolvency Rules no dividend will be declared to creditors as no funds have been realised.

In accordance with the Insolvency Act 1986 the prescribed part is an element of net realisations due to the floating charge holder which is made available for unsecured creditors (subject to the floating charge post-dating 15 September 2003).

As there were no floating charges, the prescribed part did not apply in this instance.

3. Liquidator's remuneration, disbursements and expenses

FRP

As advised in previous correspondence no creditors' agreement to our fees has been sought as there have been no realisations, however a breakdown of our firm's time costs incurred during both the Period and to date is attached at **Appendix D**.

The Liquidator's disbursements are a recharge of actual costs incurred by the Liquidator in dealing with this matter. Mileage payments made for expenses relating to the use of private vehicles for business travel, which is directly attributable to the insolvency estate, are paid by FRP Advisory Trading Limited at the HMRC approved mileage rate prevailing at the time the mileage was incurred. Details of disbursements incurred during the Period are set out in **Appendix D**.

A statement of expenses incurred in the Period together with the cumulative total for the liquidation are detailed in **Appendix E**.

When instructing third parties to provide specialist advice and services, or having the specialist services provided by the firm, the Joint Liquidator is obligated to ensure that such advice or work is warranted and that the advice or work contracted reflects the best value and service for the work being undertaken. This is reviewed by the Joint Liquidator periodically throughout the duration of the assignment. The specialists chosen may regularly be used by the Joint Liquidator and usually have knowledge specific to the insolvency industry and, where relevant, to matters specific to this insolvency appointment.

You can access and download a Creditors' Guide to Fees using the following link <https://creditors.frpadvisor.com/info.aspx> and select the guide for liquidations. Creditors have a right to request further information from the Liquidator and also have a right to challenge the Liquidator's remuneration and other expenses, which are first disclosed in this report, under the Insolvency Rules. (For ease of reference these are the expenses incurred in the Period as set out in **Appendix E** only). They also have the right to object to the Liquidator's release. Further details, including relevant time limits, are provided in the notice accompanying this final report which is available for viewing and downloading here: <http://creditors.frpadvisor.com> you will be asked for a case code which is G1263BIN.
