**REPORT OF THE DIRECTORS
For The Year Ended 31 December 2021**

The directors present their report with the financial statements of the company for the year ended 31 December 2021.

DIRECTORS

The directors shown below have held office during the whole of the period from 1 January 2021 to the date of this report.

R G Barrow
P Murray
J M Parkinson

Other changes in directors holding office are as follows:

S J Parkinson was appointed as a director after 31 December 2021 but prior to the date of this report.

J C Parkinson ceased to be a director after 31 December 2021 but prior to the date of this report.

Sadly, we need to record that our Chairman, Jack Parkinson, died unexpectedly but peacefully on 20 April 2022. Following the Group's record year, Jack has passed on a strong legacy to his children, John and Sydney Parkinson. This originated from his Mother, Betty Parkinson, who started the family business in 1957. Jack will be sorely missed, but the leadership of the business will be safeguarded and future ambitions delivered by John, Sydney and all the Board Directors.

GOING CONCERN

After making enquires, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

Further details regarding the adoption of the going concern basis can be found in the accounting policies note 2.

STRATEGIC REPORT

The company has not prepared a strategic report in accordance with the provisions applicable to companies entitled to the small company exemption.

In preparing this report, the directors have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

This report has been prepared in accordance with the provisions of Part 15 of the Companies Act 2006 relating to small companies.

APPROVED BY THE BOARD AND SIGNED ON ITS BEHALF BY:

S J Parkinson - Director

**NOTES TO THE FINANCIAL STATEMENTS
For The Year Ended 31 December 2021**

1. STATUTORY INFORMATION

RHL (FM & Technical) Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the company's accounting policies.

The following principal accounting policies have been applied.

Going concern

The directors assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. The directors make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements.

The Company participates in the group's centralised treasury arrangements, and so shares banking arrangements with its ultimate parent and fellow subsidiaries. The Directors having assessed responses from the directors of HR GO Plc to their enquiries have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of HR GO Group to continue as a going concern or its ability to continue with the current banking and support arrangements.

On the basis of this assessment the directors have a reasonable expectation that the company will be able to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

Revenue recognition

Turnover is recognised to the extent that it is probable that the economic benefits will flow to the Company and the turnover can be reliably measured. Turnover is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

All turnover derives from the ordinary course of business and the principal activity of the Company, in the United Kingdom.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery etc - 15% to 33% on cost

Financial instruments

The company only enters into basic financial instrument transactions that result in the recognition of the financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in non-puttable ordinary shares.

2. ACCOUNTING POLICIES - continued

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to profit or loss in the period to which they relate.

Functional currency

The financial statements are presented in sterling which is the functional currency of the company.

3. EMPLOYEES AND DIRECTORS
