Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. 1 Accounting policies

Company information

Peel L&P Holdings (Environmental) Limited is a private company limited by guarantee incorporated in the United Kingdom under the Companies Act 2006 and is registered in England and Wales with company registration number 05892782. The registered office is Venus Building, 1 Old Park Lane, Traffordcity, Manchester, United Kingdom, M41 7HA.

The principal accounting policies are summarised below. They have all been applied consistently throughout the current and preceding year.

1.1 Accounting convention

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

The company meets the definition of a qualifying entity under FRS 102 and has therefore taken advantage of the disclosure exemptions available to it in respect of its separate financial statements. The company is consolidated in the financial statements of its divisional holding company, Peel L&P Holdings (UK) Limited, which may be obtained at Venus Building, 1 Old Park Lane, TraffordCity, Manchester, M41 7HA. Exemptions have been taken in these separate company financial statements in relation to disclosures surrounding the directors report, financial instruments, presentation of a cash flow statement, related party transactions and remuneration of key management personnel.

The company has taken advantage of the exemption under section 400 of the Companies Act 2006 not to prepare consolidated accounts. The financial statements present information about the company as an individual entity and not about its group.

1.2 Profit and loss account

The company has not traded during the year or the preceding financial year. During this time the company received no income and incurred no expenditure and therefore no profit and loss account is presented in these financial statements.

1.3 Fixed asset investments

Fixed asset investments in subsidiary undertakings are stated at cost less provision for impairment. Cost represents the aggregate cash consideration, costs incurred and either the fair or the nominal value of shares issued.

At each reporting end date, the company reviews the carrying amounts of its fixed asset investments to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the company estimates the recoverable amount of the cash-generating unit to which the asset belongs.
