NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 31 MARCH 2014

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

1.2 Going concern

The financial statements have been prepared on a going concern basis even though at the Balance Sheet date the Company's current liabilities exceeded its current assets by £502,402.

The Directors consider the going concern basis to be appropriate because, in their opinion, the Company will continue to obtain sufficient funding to enable it to pay its debts as they fall due. If the Company were unable to obtain this funding, it would be unable to continue trading and adjustments would have to be made to reduce the value of assets to their realisable amount and to provide for any further liabilities which might arise.
