Directors' report

The Directors present their Report and the independently audited financial statements of the company for the 52 week period ended 29 June 2014 ("the year").

Results and dividends

The Company made a loss for the period after taxation of £165,000 (30 June 2013: £180,000). This is due to the interest charges payable on an intercompany loan. The Directors do not propose payment of a dividend in respect of the year ending 29 June 2014 (30 June 2013: £nil).

Going concern

The Company is an investment holding company and therefore does not actively trade.

After making enquiries, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the annual financial statements. However since the Company has net current liabilities a letter of support has been received from News Corporation to provide further reassurance to the Directors.

Directors

The following Directors held office throughout the period and remain directors at the date of this report unless otherwise noted:

Azmina Airi	(Appointed 25 February 2014)
John Galvin	(Resigned 25 February 2014)
Eric Mandrackie	

Directors and officers indemnity insurance

The ultimate holding company, News Corporation, maintains liability insurance for its directors and officers and those of its subsidiary companies throughout the world. This cover, together with that taken out by certain subsidiaries, where relevant, indemnifies all employees of the group who serve on the boards of all subsidiaries, associates and joint ventures. These indemnity policies subsisted throughout the period and remain in place at the date of this report.

Statement of Directors' responsibilities in respect of the financial statements

The directors are responsible for preparing the Strategic Report, the Directors' Report and the Financial Statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law).

Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that year.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping proper accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Strategic Report, Directors' Report and the financial statements to identify material inconsistencies with the audited financial statements and to identify any information that is materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

The principal accounting policies are set out below and have been consistently applied throughout the year and the preceding year.

Exemption from UK consolidation

The financial statements contain information about eFinancialNews Holdings Limited as an individual entity and do not contain consolidated financial information as the parent of the group. Investments

Fixed asset investments are recorded at cost less any provision for impairment.

Cash flow exemption

The Company has taken advantage of the exemption offered in Financial Reporting Standard No.1 (Revised) "Cash flow statements" not to present a cash flow statement because it is a subsidiary undertaking where the ultimate parent company produces consolidated financial statements which are publicly available.

Going concern

The Company is an investment holding company and therefore does not actively trade.

After making enquiries, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future.
