1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The directors have taken steps to reduce the cost base of the company and consider that the company will be profitable into the future. Taking this into consideration, the directors have prepared accounts on a going concern basis.

1.2 Turnover

Turnover represents amounts receivable for goods and services net of VAT.

1.3 Patents & licences

Patents and licences are valued at cost less accumulated amortisation. Amortisation is calculated to write off the cost in equal annual instalments over their estimated useful lives of 3 years.

Fixtures, fittings & equipment	33.33% straight line
--------------------------------	----------------------

1.5 Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit and loss account.
