- (i) The permissive rights of the Lender in the Loan Documents shall not be read as obligations.
- (j) The Lender is not a fiduciary of and shall not owe or be deemed to owe any fiduciary duty to any Chargor.

#### **1.7 Custodian and nominees**

- (a) The Lender may appoint and pay any person to act as a custodian or nominee on any terms in relation to any assets of the trust created under this Deed as the Lender may determine, including for the purpose of depositing with a custodian this Deed or any document relating to the trust created under this Deed and the Lender shall not be responsible for any loss, liability, expense, demand, cost, claim or proceedings incurred by reason of the misconduct, omission or default on the part of any person appointed by it under this Deed (unless caused by the Lender’s gross negligence or wilful misconduct) or be bound to supervise the proceedings or acts of any person.
- (b) If the Lender causes or requires Charged Securities or any other asset to be registered in the name of a nominee for the Lender, any reference in this Deed to the Lender shall, if the context so permits or requires, be construed as a reference to each of the Lender and such nominee.

#### **1.8 Obligations secured by this Deed**

By entering into or, as the case may be, acceding to this Deed, each Chargor expressly confirms and agrees that:

- (a) the Security created or intended to be created by it under or evidenced by this Deed is intended as security for the payment and discharge of all of the Secured Obligations and without any need or requirement for any amendment or supplement to this Deed at any time after the date of this Deed (or, as the case may be, the date upon which such Chargor accedes to this Deed) notwithstanding any change in or to the Secured Obligations from time to time after such date;

- (b) the Secured Obligations are intended to extend to and to cover (without limitation):
- (i) all obligations (whether present or future, actual or contingent, whether owed jointly, severally or in any other capacity whatsoever and whether originally incurred by that Chargor or some other person) arising from time to time under any Loan Document and/or owing to the Lender (in each case) falling within the definition of Secured Obligations from time to time (whether or not such Chargor or, as the case may be, such other person is party to such Loan Document as at the date of this Deed (or, as the case may be, the date upon which such Chargor accedes to this Deed) or becomes party to such Loan Document at any time thereafter and notwithstanding that any such obligations are not identified and/or the terms of those obligations not recorded as at the date of this Deed (or, as the case may be, as at the date upon which such Chargor accedes to this Deed) (including, without limitation, as a result of the fact of such Loan Document not then existing) and notwithstanding that those obligations may differ fundamentally from all or any of, may be more onerous to such Chargor or such other person than all or any of, may be or give rise to new and/or additional obligations upon such Chargor or such other person over and above all or any of the then obligations of such Chargor or such other person and notwithstanding that such obligations may increase the likelihood that the Security created or intended to be created under or evidenced by this Deed will be enforced); and
  - (ii) any increase in, extension or substitution of or change to any of the obligations referred to in paragraph (i) above (however fundamentally) (including, without limitation, by way of any amendment (however fundamental), novation, termination, replacement, supplement of any Loan Document or the designation (whether or not such designation is made by such Chargor or any other member of the Group) of a document or documents as a Loan Document as falling within the definition of Secured Obligations or of a creditor falling within the definition of Secured Obligations and whether or not such documents are designated directly as a Loan Document or are designated indirectly by way of being designated as a document or documents of a type or class which type or class falls within the then current definition of Loan Documents; and
- (c) the Security created or intended to be created under or evidenced by this Deed is intended as security for the payment and discharge of the Secured Obligations notwithstanding any change of the Lender from time to time and/or any amendment (however fundamental), novation, termination, replacement, supplement of any Loan Document (including, without limitation, the terms upon which the Lender holds the Security created or intended to be created under or evidenced by this Deed) and/or any other Loan Document.
- (d) The Security created under or evidenced by this Deed does not apply to any liability to the extent that would result in this Security constituting unlawful financial assistance within the meaning of Section 677 or Section 678 of the Companies Act 2006 or any equivalent provision of any applicable law.

## **2. COVENANT TO PAY**

Each Chargor covenants, as a primary obligor and not merely as a surety, for the benefit of the Lender, by way of an independent obligation, that it will on demand pay and discharge the Secured

Obligations on their due date in accordance with the Loan Documents, or, if they do not specify a time for performance, promptly on demand by the Lender.

- (b) all Insurances and all claims under the Insurances and all proceeds of the Insurances; and

## **4.3 Assigned Assets**

The Lender is not obliged to take any steps necessary to preserve any Assigned Asset, to enforce any term of an Assigned Asset against any person or to make any enquiries as to the nature or sufficiency of any payment received by it pursuant to this Deed.

Each Chargor charges and agrees to charge by way of first floating charge all of its present and future assets and undertaking.

## **6. CONVERSION OF FLOATING CHARGE**

### **6.1 Conversion by notice**

The Lender may, by written notice to a Chargor, convert the floating charge created under this Deed into a fixed charge with immediate effect as regards all or any of the Security Assets subject to the floating charge and specified in the notice if:

- (b) the Lender considers (acting reasonably) any Security Assets to be in danger of being seized or sold under any form of distress, attachment, execution or other legal process or to be otherwise in jeopardy; or
- (c) the Lender considers (acting reasonably) that it is necessary in order to protect the priority, value or enforceability of the Security created or purported to be created by this Deed.

## **6.2 Small companies**

The floating charge created under this Deed by any Chargor shall not convert into a fixed charge solely by reason of a moratorium being obtained under the Insolvency Act 1986 (or anything done with a view to obtaining such a moratorium) in respect of such Chargor.

### **15. APPLICATION OF PROCEEDS**

#### **15.1 Application**

All monies received by the Lender or any Receiver after the Debenture Security has become enforceable shall (subject to the claims of any person having prior rights thereto and by way of variation of the provisions of the Law of Property Act 1925) be applied first in the payment of costs, charges, expenses and fees of the Lender and any Receiver and any of their delegates, the payment of the remuneration of the Receiver and the discharge of any liabilities incurred by the Receiver in, or incidental to, the exercise of any of his powers, and thereafter shall be applied by the Lender (notwithstanding any purported appropriation by any Chargor) in or towards the

payment of the Secured Obligations in such order as the Lender thinks fit. Any surplus shall be paid to the relevant Chargor or other person entitled to it.

## **15.2 Contingencies**

If the Debenture Security is enforced at a time when no amounts are due under the Loan Documents (but at a time when amounts may become so due), the Lender or a Receiver may pay the proceeds of any recoveries effected by it into a blocked suspense account (bearing interest at such rate (if any) as the Lender may determine).

## **15.3 Appropriation and suspense account**

- (a) Subject to Clause 15.1 (*Application*), the Lender shall apply all payments received in respect of the Secured Obligations in reduction of any part of the Secured Obligations in any order or manner which it may determine.
- (b) Any such appropriation shall override any appropriation by any Chargor.
- (c) All monies received, recovered or realised by the Lender under or in connection with this Deed may at the discretion of the Lender be credited to a separate suspense account for so long as the Lender determines without the Lender having any obligation to apply such monies or any part of it in or towards the discharge of any of the Secured Obligations, save where the monies received, recovered or realised by the Lender are sufficient to discharge the whole of the Secured Obligations in which case such monies shall be applied in discharge of the Secured Obligations.

## **15.4 Insurance proceeds**

If an Enforcement Event has occurred, all moneys received by virtue of any insurance maintained or effected in respect of the Security Assets shall be paid to the Lender (or, if not paid by the insurers directly to the Lender, shall be held on trust for the Lender) and shall, at the option of the Lender, be applied in replacing or reinstating the assets destroyed, damaged or lost (any deficiency being made good by the relevant Chargor) or (except in the case of leasehold premises) in reduction of the Secured Obligations.

## **16. SET-OFF**

The Lender may set off any matured obligation due from any Chargor under the Loan Documents (to the extent beneficially owned by the Lender) against any matured obligation owed by the Lender to that Chargor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Lender may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

## **17. DELEGATION**

Each of the Lender and any Receiver may delegate, by power of attorney (or in any other manner) to any person, any right, power or discretion exercisable by them under this Deed upon any terms (including power to sub-delegate) which it may think fit. Neither the Lender nor any Receiver shall be in any way liable or responsible to any Chargor for any loss or liability arising from any act, default, omission or misconduct on the part of any Delegate.

## **18. FURTHER ASSURANCES**

### **18.1 Further action**

Each Chargor shall at its own expense, promptly do all acts and execute all documents as the Lender may reasonably specify (and in such form as the Lender may reasonably require) for:

- (a) creating, perfecting, preserving or protecting the Security intended to be created by this Deed or the priority of it;
- (b) crystallisation of a floating charge;
- (c) facilitating the realisation of any Security Asset; or
- (d) facilitating the exercise of any rights, powers and remedies exercisable by the Lender or any Receiver or any Delegate in respect of any Security Asset or provided by or pursuant to the Loan Documents or by law,

including, without limitation:

- (i) the re-execution of this Deed or such Security Document;
- (ii) the execution of any legal mortgage, charge, transfer, conveyance, assignment, assignation or assurance of any property, whether to the Lender or to its nominee; and
- (iii) the giving of any notice, order or direction and the making of any filing or registration,

which, in any such case, the Lender (acting reasonably) may think necessary.

### **18.2 Specific security**

Without prejudice to the generality of Clause 18.1 (*Further action*), each Chargor will promptly upon request by the Lender execute any document contemplated by that Clause over any Security Asset which is subject to or intended to be subject to any fixed security under this Deed (including any fixed security arising or intended to arise pursuant to Clause 6 (*Conversion of Floating Charge*)).

## **19. POWER OF ATTORNEY**

Each Chargor, by way of security, irrevocably and unconditionally and severally appoints the Lender, each Receiver and any Delegate:

- (a) to be its attorney and in its name, on its behalf and as its act and deed to take any action and to execute and deliver any document or instrument which such Chargor is obliged to take under this Deed, including under Clause 18 (*Further Assurances*);
- (b) to be its attorney and in its name, on its behalf and as its act and deed to take any action and to execute and deliver any document or instrument which such Chargor is obliged to take or execute or deliver under this Deed if any Chargor fails to comply with Clause 18 (

- (c) Further Assurances) or any perfection obligation; and
- (d) at all times, to be its attorney and in its name, on its behalf and as its act and deed to take any action and to execute and deliver any document or instrument required for enabling the Lender and any Receiver and any Delegate to exercise, or delegate the exercise of, any of the rights, powers and authorities conferred on them by or pursuant to this Deed or by law (including the exercise of any right of a legal or beneficial owner of any Lender),

*provided that*, in each case, such actions can only be taken upon the occurrence of an Enforcement Event.

Each Chargor ratifies and confirms and undertakes to ratify and confirm whatever any attorney does or purports to do pursuant to its appointment under this Clause.

## **20. CURRENCY CONVERSION**

All monies received or held by the Lender or any Receiver under this Deed may be converted from their existing currency into such other currency as the Lender or the Receiver considers necessary to cover the obligations and liabilities comprised in the Secured Obligations in that other currency at the exchange rate in effect on such date, as determined by the Lender in a manner permitted by the terms of the Loan Documents. Each Chargor shall indemnify the Lender against all costs, charges and expenses reasonably and properly incurred in relation to such conversion. Neither the Lender nor any Receiver shall have any liability to any Chargor in respect of any loss resulting from any fluctuation in exchange rates after any such conversion.

## **21. INDEMNITY TO THE LENDER**

- (a) Each Chargor shall promptly indemnify the Lender and every Receiver and Delegate against any cost, loss or liability incurred by them as a result of:
  - (i) the taking, holding, protection or enforcement of the Security constituted under any Security Document;
  - (ii) the exercise of any of the rights, powers, discretions and remedies vested in the Lender, each Receiver and their Delegate and sub-delegates by this Deed or by law;
  - (iii) any default by any Chargor in the performance of any of the obligations expressed to be assumed by it in any Loan Document;
  - (iv) acting or relying on any notice, request or instruction which it believes to be genuine, correct and appropriately authorised;
  - (v) acting as Lender, Receiver or Delegate under the Loan Documents or which otherwise relates to any of the Security Assets; or
  - (vi) instructing lawyers, accountants, tax advisers, surveyors, financial advisers or other professional advisers.
- (b) The Lender may indemnify itself out of the Security Assets in respect of, and pay and retain, all sums necessary to give effect to the indemnities in any Loan Document and shall

have a lien on the Security constituted under this Deed and the proceeds of the enforcement of such Security for all monies payable to it.

## **22. CONTINUING SECURITY**

### **22.1 Continuing security**

The Debenture Security is continuing and will extend to the ultimate balance of the Secured Obligations regardless of any intermediate payment or discharge in whole or in part. This Deed shall remain in full force and effect as a continuing security for the duration of the Security Period.

### **22.2 Additional and separate security**

This Deed is in addition to, without prejudice to, and shall not merge with, any other right, remedy, guarantee or Security which the Lender may at any time hold for any Secured Obligation.

### **22.3 Right to enforce**

This Deed may be enforced against each or any Chargor without the Lender first having recourse to any other right, remedy, guarantee or Security held by or available to it or any of them.

### **22.4 Waiver of defences**

- (a) The liability of each Chargor under this Deed will not be discharged, diminished or in any way adversely affected by any of the following (whether or not known to any Chargor, any Lender or any other person and whether or not agreed to by, or notified to, any Chargor):
  - (i) any time, waiver, or consent granted to, or composition with, any Chargor or any other person;
  - (ii) any amendment to, or replacement of, any Loan Document (however fundamental and whether or not it increases the liability of any member of the Group) or any other agreement or security;
  - (iii) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take-up or enforce any rights or remedies against, or security over the assets of, any member of the Group or any other person or any failure to observe or perform any formal requirement in respect of any security or other instruments or failure to realise the full value of any security;
  - (iv) any actual or purported obligation under any Loan Document or other agreement (or any security for that obligation) being or becoming void, invalid, illegal or unenforceable for any reason;
  - (v) any incapacity or lack of power, authority or legal personality of, or change in the constitution of, or any amalgamation or reconstruction of, any member of the Group or other person or any failure by any actual or proposed member of the Group to be or become bound by the terms of any Loan Document;
  - (vi) any member of the Group or other person being or becoming insolvent or subject to any insolvency proceedings or procedure;

- (vii) the release of any other member of the Group or other person under the terms of any composition or arrangement with any creditor of such member of the Group or other person; or
  - (viii) any other act, omission, circumstance, matter or thing which, but for this Clause, would operate to release, reduce, prejudice or otherwise exonerate the relevant Chargor from any of its obligations under this Deed.
- (b) The Lender shall not be concerned to see or investigate the powers or authorities of any member of the Group or their respective officers or agents, and moneys obtained Secured Obligations incurred in purported exercise of such powers or authorities or by any person purporting to be a member of the Group shall be deemed to form a part of the Secured Obligations, and “Secured Obligations” shall be construed accordingly.

## **23. CHANGES TO THE PARTIES**

### **23.1 Chargors**

No Chargor may assign any of its rights or obligations under this Deed.

### **23.2 Lender**

Subject to the terms of the Loan Agreement, the Lender may assign or transfer all or any part of its rights under this Deed pursuant to the resignation or removal of the Lender provisions in accordance with the Loan Agreement. Each Chargor shall, promptly upon being requested to do so by the Lender, enter into such documents as may be necessary to effect such assignment or transfer.

### **23.3 Accession Deed**

- (a) Each Chargor consents to other members of the Group becoming Chargors in accordance with the terms of the Loan Documents.
- (b) Each of the other parties to this Deed appoints the Lender as its agent to sign on its behalf any Accession Deed in order that each such Accession Deed may be supplemental to this Deed.

## **24. MISCELLANEOUS**

### **24.1 Ruling off**

- (a) If the Lender receives, or is deemed to be affected by, notice, whether actual or constructive, of any subsequent Security (other than any Permitted Encumbrances) affecting any Security Asset and/or the proceeds of sale of any Security Asset or any guarantee under the Loan Documents ceases to continue in force, it may open a new account or accounts for any Chargor. If it does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received such notice.
- (b) As from that time all payments made to the Lender will be credited or be treated as having been credited to the new account and will not operate to reduce any amount of the Secured Obligations.

## **24.2 Tacking**

- (a) The Lender shall perform its obligations under the Loan Documents (including any obligation to make available further advances).
- (b) This Deed secures advances already made and further advances to be made.

## **24.3 Protective clause**

Each Chargor is deemed to be a principal debtor in relation to this Deed. The obligations of each Chargor under, and the security intended to be created by, this Deed shall not be impaired by any forbearance, neglect, indulgence, extension of time, release, surrender or loss of securities, dealing, amendment or arrangement by the Lender which would otherwise have reduced, released or prejudiced this Debenture Security or any surety liability of a Chargor (whether or not known to it or to the Lender).

## **24.4 Exclusion of liability**

None of the Lender, any Receiver and Delegate or any of their respective officers or employees shall have any responsibility or liability:

- (a) for any action taken, or any failure to take any action, in relation to all or any of the Security Assets;
- (b) to account as mortgagee in possession or for any loss upon realisation of any Security Asset;
- (c) for any loss resulting from any fluctuation in exchange rates in connection with any purchase of currencies;
- (d) for the loss or destruction of, or damage to, any of the Security Assets, or to any documents of or evidencing title to them, which are in the possession or held to the order of any such person (and which will be held by such persons at the expense and risk of the Chargors); or
- (e) for any other default or omission in relation to all or any of the Security Assets for which a mortgagee in possession might be liable,

except in the case of wilful misconduct or gross negligence.

## **24.5 General indemnity**

Each Chargor shall indemnify the Lender, any Receiver and Delegate and their respective officers and employees against all actions, proceedings, demands, claims, costs, expenses, and other liabilities incurred by them in respect of all or any of the following:

- (a) any act or omission by any of them in relation to all or any of the Security Assets;
- (b) any payment relating to or in respect of all or any of the Security Assets which is made at any time by any of them;

- (c) any stamp, registration or similar tax or duty which becomes payable in connection with the entry into, or the performance or enforcement of, this Deed;
  - (d) carrying out or purporting to carry out any of the rights, powers and discretions conferred on them by or permitted under this Deed; and
  - (e) any breach by the Chargor of any of its covenants or other obligations to the Lender,
- except in the case of wilful misconduct or gross negligence.

#### **24.6 Indemnity out of the Security Assets**

#### **24.7 Enforcement Expenses**

Immediately upon demand, each Chargor shall pay all other reasonable, documented, out-of-pocket costs and expenses (including legal fees and VAT) incurred from time to time in connection with the enforcement of or preservation of rights under this Deed by the Lender, or any Receiver, Delegate attorney, manager, agent or other person appointed by the Lender under this Deed or by statute, and keep each of them indemnified against any failure or delay in paying the same.

### **25. CALCULATIONS AND CERTIFICATES**

Any certificate of or determination by the Lender specifying the amount of any Secured Obligation due from the Chargors (including details of any relevant calculation thereof) is, in the absence of manifest error, prima facie evidence against the Chargors of the matters to which it relates.

### **26. PARTIAL INVALIDITY**

All the provisions of this Deed are severable and distinct from one another and if at any time any provision is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of any of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

### **27. REMEDIES AND WAIVERS**

No failure to exercise, nor any delay in exercising, on the part of the Lender, any right or remedy under this Deed shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise, or the exercise of any other right or remedy. The rights and remedies provided are cumulative and not exclusive of any rights or remedies provided by law.

### **28. AMENDMENTS**

Any provision of this Deed may be amended only if the Lender and the Chargors or the Company on their behalf so agree in writing and any breach of this Deed may be waived before or after it occurs only if the Lender so agrees in writing. A waiver given or consent granted by the Lender

under this Deed will be effective only if given in writing and then only in the instance and for the purpose for which it is given.

## **29. COUNTERPARTS**

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures (and seals, if any) on the counterparts were on a single copy of this Deed.

## **30. RELEASE**

### **30.1 Release**

Upon the expiry of the Security Period or where otherwise contemplated by the Loan Agreement, the Lender shall, at the request and cost of the Chargors, take whatever action, including preparing and delivering all documents and instruments (including any termination or release letter or deed), revoking any powers of attorney and performing all acts or deeds (including returning title documents, share certificates, related stock transfer forms and any other document belonging to the Chargors) which are, in each case, necessary or requested by the Chargors, to release or re-assign (without recourse or warranty) the Security Assets (or part thereof) from the Security.

### **30.2 Reinstatement**

Where any discharge (whether in respect of the obligations of any Chargor or any security for those obligations or otherwise) is made in whole or in part or any arrangement is made on the faith of any payment, security or other disposition which is avoided or must be restored on insolvency, liquidation or otherwise (without limitation), the liability of the Chargors under this Deed shall continue as if the discharge or arrangement had not occurred. The Lender may concede or compromise any claim that any payment, security or other disposition is liable to avoidance or restoration.

## **31. PERPETUITY PERIOD**

The perpetuity period under the rule against perpetuities, if applicable to any trust created by this Deed, shall be the period of one hundred and twenty five years (as specified in section 5(1) of the Perpetuities and Accumulations Act 2009).

## **32. GOVERNING LAW**

This Deed and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English law.

## **33. JURISDICTION**

### **33.1 English Courts**

The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute regarding the existence, validity or termination of this Deed or any non-contractual obligations arising out of or in connection with this Deed) (a “**Dispute**”).

### **33.2 Convenient Forum**

The parties to this Deed agree that the courts of England are the most appropriate and convenient forum to settle Disputes between them and, accordingly, that they will not argue to the contrary.

### **33.3 Non-exclusive Jurisdiction**

This Clause 33 (*Jurisdiction*) is for the benefit of the Lender only. As a result and notwithstanding Clause 33.1 (*English Courts*), it does not prevent the Lender from taking proceedings relating to a Dispute in any other court of competent jurisdiction. To the extent allowed by law the Lender may take concurrent proceedings in any number of jurisdictions.

**IN WITNESS** of which this Deed has been duly executed by each Chargor and the Lender as a deed and has been delivered on the first date specified on page 1 of this Deed by each Chargor and the Lender.
