- 2.6 The Purchaser Collateral Agent shall have the power to pledge, charge or otherwise create security interests in favor of any depository or clearing system over any or all of the Assets to secure redelivery of any Assets or the payment or repayment by the Purchaser Collateral Agent of any amounts owing by the Company, the Purchaser Custodian or the Purchaser Collateral Agent in relation to the settlement through such depository or clearing system of the acquisition of a purchased Eligible Security through the relevant depository or clearing system.
- 2.7 The Company shall deliver, and the Purchaser Custodian shall take possession of, each Asset on or immediately after the date such Asset is acquired. The Purchaser Custodian shall hold each Asset in accordance with the terms of this Agreement and the Purchaser Custodial Agreement.

The Purchaser Collateral Agent shall execute such instruments of release and UCC termination statements or other applicable documentation as provided to it and take such other actions as are reasonably requested in order to accomplish and otherwise effectuate any such release of a Security Interest granted hereunder.

For purposes of registering the Security Interest granted under this Agreement in the United Kingdom, the Security Interest granted under this Agreement shall, as a matter of English law, be construed and given effect as a floating charge. Notwithstanding any other provision of this Agreement (and without prejudice to the circumstances in which the floating charge will crystallize under general law) the Security Interest (as a floating charge) shall, with immediate effect and without notice, automatically convert into a fixed charge as regards the Collateral upon the occurrence of (i) a Foreclosure Event, (ii) a Programme Termination Event or (iii) any Person levying or attempting to levy any distress, execution, sequestration or other process against any of the Collateral.

- (d) to sell, transfer, assign or otherwise deal in or with the Purchaser Collateral or the Charged Assets or any part thereof pursuant to the terms and conditions hereunder and thereunder and vote proxies with respect to securities and other property included in the Purchaser Collateral or the Charged Assets;
- (e) to transfer all or any part of the Purchaser Collateral or the Charged Assets into the name of the Purchaser Collateral Agent or its nominee, with or without disclosing that such Purchaser Collateral or the Charged Assets is subject to the security interest under the Purchaser Documents;
- (f) to notify the parties obligated on any of the Purchaser Collateral or the Charged Assets to make payment to the Purchaser Collateral Agent of any amount due or to become due thereunder; and
- (g) to do, at its option and at the expense and for the account of the Company, at any time or from time to time, all acts and things which the Purchaser Collateral Agent reasonably deems necessary to protect or preserve the Purchaser Collateral or the Charged Assets and to realize upon the Purchaser Collateral or the Charged Assets.

This **Section 9.1** shall not be interpreted to relieve the Company of its duties hereunder.

- 9.2 The Purchaser Collateral Agent shall not have any duty to take any such action, to execute any such instrument, to exercise any such rights, privileges, options, elections or powers or to sell or to otherwise realize upon any of the Purchaser Collateral or the Charged Assets, as hereinafter authorized, except as directed in writing by the Purchaser Liquidity Agent or, if Lloyds is not the Purchaser Liquidity Agent, the Purchaser Administrator, and, in the absence of any such written direction, the Purchaser Collateral Agent shall not be responsible for any failure to do so or delay in so doing. The Purchaser Collateral Agent shall have no obligation or liability in respect of the filing, refiling, re-recording or monitoring the status of any financing or continuation statements or any other similar documentation relating to the perfection of the Security Interest granted in the Purchaser Collateral or the Charged Assets. All powers of attorney, authorizations and agencies contained in this Agreement are by way of security and irrevocable and are powers coupled with an interest.

Section 10. Purchaser Collateral Agent May Perform.

If the Company fails to perform any agreement contained in any Purchaser Security Document, the Purchaser Collateral Agent, at the written direction of the Purchaser Liquidity Agent or if Lloyds is not the Purchaser Liquidity Agent, the Purchaser Administrator, may (but shall not be obligated to) itself perform, or cause performance of, such agreement. Subject to the Company having Excess Company Funds available for such purpose in accordance with the payment priorities set out in **Section 5.3**, the Company shall reimburse the Purchaser Collateral Agent on demand for any amounts paid or any expenses incurred by the Purchaser Collateral Agent in connection therewith.

Section 11. Rights and Remedies.

- 11.1 Upon the Purchaser Collateral Agent receiving notice from the Company or the Purchaser Administrator on behalf of the Company of the occurrence of a Foreclosure Event, or upon the Collateral Agent obtaining actual knowledge of a Foreclosure Event, the Purchaser Collateral Agent shall (i) promptly (and in no event later than two (2) Business Days thereafter) provide notice of the occurrence of a Foreclosure Event, specifying the Foreclosure Event which has occurred, to the Company, the Purchaser Administrator, the Purchaser Custodian, the Rating Agencies, each of the Hedge Counterparties of the Company and the Administrative Agent, (ii) promptly (and in no event later than two (2) Business Days thereafter) deliver a "Notice of Exclusive Control" to the Purchaser Custodian pursuant to, and as defined in, the Purchaser Custodial Agreement, and (iii) take such actions to administer the Purchaser Collateral and enforce this Agreement on behalf of the Purchaser Secured Parties (including by exercise of its rights under **Section 9.1**) at the direction of the Purchaser Liquidity Agent or, if Lloyds is not the Purchaser Liquidity Agent, in accordance with and subject to the provisions hereof.
- 11.2 If a Foreclosure Event shall occur and is continuing, the Purchaser Collateral Agent, for the benefit of the Purchaser Secured Parties, at the written direction of the Purchaser Liquidity Agent, or, notwithstanding anything to the contrary, if Lloyds is not the Purchaser Liquidity Agent, the Purchaser Administrator, shall:
- (a) take possession of the Purchaser Collateral forthwith or at any time thereafter, in which case the Company shall marshal and deliver the Purchaser Collateral to the Purchaser Collateral Agent or its designee at such time and place as the Purchaser Collateral Agent may specify;
 - (b) succeed to the Company's rights with respect to the Assets, and guarantees and insurance thereof and collateral security therefor, the Purchaser Custodial Agreement, the Purchaser Administration Agreement, each Purchaser Liquidity Agreement and each Purchaser Hedge Contract to which the Company is a party and all of the agreements relating thereto, except that, notwithstanding the foregoing, the Purchaser Collateral Agent shall have no authority to purchase any additional Assets; and
 - (c) collect, receive, appropriate and realize upon the Purchaser Collateral, give an option or options to purchase or sell the whole or, from time to time, any part of the Purchaser Collateral by sale for the quoted purchase price of the highest bidder of at least two bidders independent from Lloyds or any Affiliate thereof, in such order or otherwise in such manner and at such prices and on such terms and conditions as the Purchaser Liquidity Agent or, if Lloyds is not the Purchaser Liquidity Agent, the Purchaser Administrator, in its sole discretion, may direct the Purchaser Collateral Agent in writing; **provided that**, the Company may agree to waive any requirements applicable (by law, contract or otherwise) to the disposition of Purchaser Collateral if Lloyds and/or any of its affiliates agree to purchase Assets at a purchase price for the relevant Asset which is at least equal to the Principal Balance of such Asset, and the Purchaser Collateral Agent is hereby authorized and directed to proceed with any disposition to Lloyds and/or its affiliates which meets such purchase price requirement; **provided further**

that, a Foreclosure Event described in section (b) of the definition of "Foreclosure Event" herein shall occur, without the occurrence of any other event constituting a Foreclosure Event, no sale of Assets, whether in whole or in part, shall take place unless the proceeds of such sale, when applied in accordance with Section 5.3, are at least equal to the Face Amount of the applicable Purchaser Note issued to fund or maintain such Assets.

- 11.3 The Purchaser Collateral Agent and the Purchaser Secured Parties shall have, with respect to the Purchaser Collateral, in addition to any other rights and remedies which may be available to it or them at law or in equity or pursuant to this Agreement or any other contract or agreement, all rights and remedies of a secured party under any applicable version of the Uniform Commercial Code of the relevant jurisdictions relating to the Purchaser Collateral, and it is expressly agreed that if the Purchaser Collateral Agent should proceed to dispose of or utilize the Purchaser Collateral, or any part thereof in accordance with the provisions of said versions of the Uniform Commercial Code, ten (10) days' notice by the Purchaser Collateral Agent to the Company shall be deemed to be reasonable notice under any such provision requiring such notice; **provided that** if the Purchaser Collateral consists of marketable securities, such reasonable period may be shortened to less than the ten (10) day period referred to above. Except as required by applicable law, any sale of Purchaser Collateral by the Purchaser Collateral Agent may be made in one or more lots at public or private sale, for cash, on credit or for future delivery, and upon such terms as the Purchaser Liquidity Agent or, if Lloyds is not the Purchaser Liquidity Agent, the Purchaser Administrator may choose, without assuming any credit risk and without any obligation to advertise or give notice of any kind. The Purchaser Collateral Agent shall incur no liability as a result of the sale of the Purchaser Collateral, or any part thereof, at any public or private sale or as a result of the exercise of any other rights or remedies which may be available to it.

The Company hereby waives, to the extent permitted by applicable law, any claims against the Purchaser Collateral Agent or any Purchaser Secured Party arising by reason of the fact that the price at which Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale or was less than the aggregate amount of the Obligations, even if the Purchaser Collateral Agent accepts the first offer received and does not offer such Collateral to more than one possible purchaser. The Purchaser Collateral Agent shall not be obligated to make any sale of Purchaser Collateral regardless of notice of sale having been given. Any Purchaser Secured Party and/or any of their Affiliates may be a purchaser at such sale if such purchase is for cash and is made without netting any amounts owed by the Company to such purchaser. The Purchaser Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. The Company shall cooperate with the Purchaser Collateral Agent in all reasonable ways in order to assist the Purchaser Collateral Agent in the sale and other disposition of the Purchaser Collateral.

- 11.4 In exercising its rights under this Agreement, the Purchaser Collateral Agent will act in accordance with the written directions of the Purchaser Liquidity Agent or, if Lloyds is not the Purchaser Liquidity Agent, the Purchaser Administrator.

- 11.5 The Company, to the extent it may lawfully do so, on behalf of itself and all who may claim through or under it, including any and all subsequent creditors, vendees, assignees and lienors, expressly waives and releases any, every and all rights to presentment, demand, protest or any notice (to the extent permitted by applicable law and except as specifically provided in this **Section 11**) of any kind upon the Company or any other Person in connection with this Agreement or any Purchaser Collateral or to have any marshalling of the Purchaser Collateral upon any sale, whether made under any power of sale granted hereunder or any other Purchaser Document, or pursuant to judicial proceedings or upon any foreclosure or any enforcement of this Agreement or any other Purchaser Document and consents and agrees that all the Purchaser Collateral may at any such sale be offered and sold as an entirety or in lots or otherwise as the Purchaser Collateral Agent may determine or be directed hereunder.
- 11.6 The Purchaser Collateral Agent shall have the right and power to institute and maintain such suits and proceedings as it may deem appropriate to protect and enforce the rights vested in it and the other Purchaser Secured Parties by this Agreement and the other Purchaser Documents. After the occurrence and during the continuation of a Foreclosure Event, the Purchaser Collateral Agent may, either after entry or without entry, proceed by suit or suits at law or in equity to enforce such rights and to foreclose upon the Purchaser Collateral and to sell all, or from time to time any, of the Purchaser Collateral under the judgment or decree of a court of competent jurisdiction. The Purchaser Collateral Agent shall not take any of the actions permitted by this paragraph unless directed to do so by the Purchaser Liquidity Agent or, if Lloyds is not the Purchaser Liquidity Agent, the Purchaser Administrator.
- 11.7 If a receiver of the Purchaser Collateral shall be appointed in judicial proceedings, the Purchaser Collateral Agent may be appointed as such receiver. Notwithstanding the appointment of a receiver, but subject to an order of the court in the judicial proceedings referred to above, each of the Purchaser Collateral Agent and the Purchaser Custodian shall be entitled to retain possession and control of all cash or property held by or deposited with it or its agents pursuant to any provision of this Agreement or the Purchaser Custodial Agreement, as applicable.
- 11.8 All the provisions of this **Section 11** are intended to be subject to all applicable mandatory provisions of law which may be controlling in the premises and to be limited to the extent necessary so that they will not render this Agreement invalid, unenforceable in whole or in part or not entitled to be recorded, registered, or filed under the provisions of any applicable law.

Section 12. Application of Proceeds.

The Purchaser Collateral Agent shall credit the net proceeds of any realization on the whole or any part of the Purchaser Collateral pursuant to **Section 11** (after deducting all reasonable costs and expenses of every kind properly incurred therein or in connection therewith, or incidental to the care or safekeeping of any such Purchaser Collateral, or in any way relating to the exercise of rights of the Purchaser Collateral Agent with respect to the Purchaser Collateral, including reasonable attorney's fees and expenses) to the Company Account and apply such net proceeds in the same order of priority as set forth in **Section 5.3**. Subject to the provisions of **Section 27**, the Company shall remain liable for any deficiency if the

proceeds of any sale or other disposition of the Purchaser Collateral or the Charged Assets are insufficient to pay the Obligations.

Section 13. The Purchaser Collateral Agent.

13.1 Appointment.

By accepting the benefits of the Security Interest granted in this Agreement, each Purchaser Secured Party is deemed to hereby irrevocably designate and appoint The Bank of New York Mellon (London Branch), in its capacity as the Purchaser Collateral Agent to act as its agent and trustee under this Agreement, and irrevocably authorize the Purchaser Collateral Agent to take such action on its behalf under the provisions of this Agreement and to exercise such powers and perform such duties as are expressly delegated to the Purchaser Collateral Agent by the terms of this Agreement. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Purchaser Collateral Agent shall not have any duties or responsibilities, except those expressly set forth in this Agreement, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or otherwise exist against the Purchaser Collateral Agent. The Purchaser Collateral Agent hereby accepts its appointment as purchaser collateral agent, subject to, and in reliance upon, the provisions of this **Section 13.1**. The Purchaser Collateral Agent shall hold the benefit of the covenants and Security Interests given by the Company pursuant to this Agreement upon trust for the Purchaser Secured Parties pursuant to this Agreement and the Bank Account Charge.

13.2 Exculpatory Provisions.

- (a) Neither the Purchaser Collateral Agent nor any of its officers, directors, members, employees, agents, attorneys-in-fact or Affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement (except for its or such Person's own gross negligence or willful misconduct) or (b) responsible in any manner to the Purchaser Liquidity Agent, any Purchaser Liquidity Bank or any other Person for any recitals, statements, representations or warranties made by the Company or any officer thereof contained in the Relevant Purchaser Liquidity Agreement or any other Purchaser Document or in any certificate, report, statement or other document referred to or provided for in the Relevant Purchaser Liquidity Agreement or any other Purchaser Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of the Relevant Purchaser Liquidity Agreement, any other Purchaser Document or the Security Interest granted hereunder, or for any failure of the Company to perform its obligations thereunder. The Purchaser Collateral Agent shall not be under any obligation to the Purchaser Liquidity Agent, any Purchaser Liquidity Bank or any other Person to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or any conditions of the Relevant Purchaser Liquidity Agreement or any other Purchaser Document, or to inspect the properties, books or records of the Company. The Purchaser Collateral Agent shall not be required to expend or risk its own funds or incur any liability, financial or otherwise, in connection with the performance of its obligations hereunder, nor shall it be required to take any action unless it is satisfied that an adequate indemnity has been or will be provided to it.

- (b) The Purchaser Collateral Agent shall be regarded as making no representations and having no responsibilities (except as expressly set forth herein) as to the validity, sufficiency, value, genuineness, ownership or transferability of any Asset, and will not be required to and will not make any representations as to the validity, value or genuineness of any Asset.

13.3 Reliance by Purchaser Collateral Agent.

The Purchaser Collateral Agent shall be entitled to conclusively rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, instruction, direction, opinion, certificate, affidavit, letter, cablegram, telegram, telecopy, email message, telex or telex message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Company), accountants and other experts selected by the Purchaser Collateral Agent. The Company accepts that some methods of communication are not secure and the Purchaser Collateral Agent shall incur no liability for receiving and acting upon instructions via such non secure methods. Without limiting the foregoing, the Purchaser Collateral Agent may conclusively rely upon a certificate from the Purchaser Liquidity Agent specifying the Purchaser Liquidity Banks that are parties to the Relevant Purchaser Liquidity Agreement and the respective amounts of their Commitments thereunder. The Purchaser Collateral Agent shall in all cases act under this Agreement in accordance with the instructions of the Purchaser Liquidity Agent, or the Company, as the case may be; **provided that** the Purchaser Collateral Agent shall be fully justified in failing or refusing to take any action under this Agreement unless it shall first receive such advice or concurrence as it deems appropriate or it shall first be indemnified to its satisfaction against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. The Purchaser Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement in accordance with a request of the Purchaser Liquidity Agent, the Company or the Purchaser Administrator acting on behalf of the Company (as applicable), and such request and any action taken or failure to act pursuant thereto shall be binding upon all Purchaser Secured Parties.

13.4 Notice of Default.

The Purchaser Collateral Agent shall not be deemed to have knowledge or notice of the occurrence of any Foreclosure Event or Programme Termination Event unless the Purchaser Collateral Agent has received written notice from the Purchaser Liquidity Agent, the Purchaser Administrator, the Administrative Agent, Cancara Asset Securitisation Limited or the Company referring to this Agreement and describing such Programme Termination Event or Foreclosure Event unless a Responsible Officer of the Purchaser Collateral Agent has actual knowledge of such Programme Termination Event or Foreclosure Event.

13.5 Non-Reliance on Purchaser Collateral Agent.

Without prejudice to **Section 4.1**, neither the Purchaser Collateral Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or affiliates has made any representations or warranties to the Company, the Purchaser Administrator, the

Purchaser Liquidity Agent, any Purchaser Liquidity Bank or any Purchaser Secured Party and no act by the Purchaser Collateral Agent hereafter taken, including any review of the affairs of the Company, shall be deemed to constitute any representation or warranty by the Purchaser Collateral Agent to the Company, the Purchaser Administrator, the Purchaser Liquidity Agent, any Purchaser Liquidity Bank or any other Purchaser Secured Party. Each Purchaser Liquidity Bank by accepting the benefits of this Agreement, represents to the Purchaser Collateral Agent that it has, independently and without reliance upon the Purchaser Collateral Agent, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Company and made its own decision to extend credit to the Company. Each Purchaser Liquidity Bank, by accepting the benefits of this Agreement, agrees that it will, independently and without reliance upon the Purchaser Collateral Agent, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Company.

13.6 Successor Purchaser Collateral Agent.

- (a) The Purchaser Collateral Agent may resign as purchaser collateral agent upon sixty (60) days' notice to the Company and the Purchaser Liquidity Agent, the Purchaser Administrator or the Company may remove the Purchaser Collateral Agent at any time upon sixty (60) days' notice to the Company and the Purchaser Liquidity Agent, each Commercial Paper Placement Agent, and each Rating Agency and the Company (or the Administrative Agent acting on its behalf) shall remove the Purchaser Collateral Agent if at any time the Purchaser Collateral Agent ceases to satisfy the requirements of **Section 13.6(b)** by providing notice to each Commercial Paper Placement Agent, each Rating Agency and the Administrative Agent; **provided**, however, that any such resignation (including where that resignation is a result of the Purchaser Collateral Agent ceasing to be an Eligible Institution) or removal shall not be effective unless and until (a) a successor Purchaser Collateral Agent is appointed pursuant to this Agreement (including **Section 13.6(b)**) and (b) each Rating Agency shall have provided written confirmation that such action will not cause the then existing rating of the Commercial Paper Notes to be reduced or withdrawn. If the Purchaser Collateral Agent shall resign or be removed as purchaser collateral agent under this Agreement, then the Purchaser Liquidity Agent, the Purchaser Administrator, with, if no Foreclosure Event has occurred and is continuing, the prior consent of the Company (such consent not to be unreasonably withheld or delayed), shall appoint a commercial bank having at least an investment grade long-term debt rating from each Rating Agency, as successor purchaser collateral agent for the Purchaser Secured Parties. If the Purchaser Administrator has not succeeded in appointing a successor Purchaser Collateral Agent within sixty (60) days following the date of such notice of resignation to the Company and the Purchaser Liquidity Agent or the date of notice of removal to the Purchaser Collateral Agent, either the Purchaser Collateral Agent at the expense of the Company or the Company may petition any court of

competent jurisdiction for the appointment of a successor Purchaser Collateral Agent. Upon (i) acceptance of such appointment by such successor purchaser collateral agent and (ii) the filing of any necessary amendments to any filings or UCC financing statements to reflect such appointment, such successor purchaser collateral agent shall succeed to the rights, powers and duties of the Purchaser Collateral Agent, and the term "Purchaser Collateral Agent" shall mean such successor purchaser collateral agent effective upon its appointment, and the former Purchaser Collateral Agent's rights, powers and duties as Purchaser Collateral Agent shall be terminated (subject to its lien securing any amounts due and owing to it under this Agreement), without any other or further act or deed on the part of such former Purchaser Collateral Agent and the successor Purchaser Collateral Agent shall be entitled to amend any filing or UCC financing statements and any other filings, recordation and declarations it deems advisable or necessary in connection with such termination and cancellation. After any retiring Purchaser Collateral Agent's resignation under this Agreement as Purchaser Collateral Agent, the provisions of **Section 13** shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Purchaser Collateral Agent under this Agreement. The Purchaser Collateral Agent shall retain all rights it may have to payments of all outstanding amounts due and payable to the Purchaser Collateral Agent in accordance with this Agreement, and all such amounts shall promptly be paid to the Purchaser Collateral Agent, notwithstanding any termination under this **Section 13.6**.

- (b) The Purchaser Collateral Agent shall at all times be an Eligible Institution. If at any time the Purchaser Collateral Agent shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this **Section 13.6**.

13.7 Protections of Purchaser Collateral Agent.

- (a) In the absence of bad faith on the part of the Purchaser Collateral Agent, the Purchaser Collateral Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Purchaser Collateral Agent which conform to the requirements of this Agreement.
- (b) The Purchaser Collateral Agent shall not be liable for any error of judgment made in good faith by an officer or officers of the Purchaser Collateral Agent, unless it shall be conclusively determined by a court of competent jurisdiction that the Purchaser Collateral Agent was grossly negligent in ascertaining the pertinent facts.
- (c) None of the provisions of this Agreement shall require the Purchaser Collateral Agent to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it.

- (d) Whenever in the administration of the provisions of this Agreement the Purchaser Collateral Agent shall deem it necessary or desirable that a matter be provided or established prior to taking or suffering any action to be taken hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of gross negligence or bad faith on the part of the Purchaser Collateral Agent, be deemed to be conclusively proved and established by a certificate signed by the Purchaser Administrator or the Purchaser Liquidity Agent and delivered to the Purchaser Collateral Agent and, in the absence of gross negligence or bad faith on the part of the Purchaser Collateral Agent, the Purchaser Collateral Agent shall be entitled to rely on and shall be fully protected in relying on such certificate for any action taken, suffered or omitted by it under the provisions of this Agreement in reliance upon such certificate.
- (e) The Purchaser Collateral Agent may consult with counsel of its selection and the advice or any opinion of counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in accordance with such advice or opinion of counsel.
- (f) The Purchaser Collateral Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, entitlement order, approval or other paper or document.
- (g) Any corporation into which the Purchaser Collateral Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Purchaser Collateral Agent shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Purchaser Collateral Agent shall be the successor of the Purchaser Collateral Agent hereunder without the execution or filing of any paper with any party hereto or any further act on the part of any of the parties hereto except where an instrument or transfer or assignment is required by law to effect such succession, anything herein to the contrary notwithstanding; provided that the Purchaser Collateral Agent shall provide prior written notice of any such event to the Company and the Purchaser Liquidity Agent and the Purchaser Administrator.
- (h) The Purchaser Collateral Agent may in the conduct of the trusts and powers under this Agreement (i) employ and pay an agent selected by it to transact or conduct any business and to do all acts required to be done by it (including the receipt and payment of money); (ii) delegate to any person on any terms (including power to sub delegate) all or any of its functions; and (iii) appoint, on such terms as it may determine, or remove, any person to act either as separate or joint collateral agent with those rights and obligations vested in the Purchaser Collateral Agent by this Agreement or any Purchaser Document. Subject to this **Section 13**, the Purchaser Collateral Agent will not be: (x) responsible to anyone for any loss, liability, expense, demand, cost, claim or proceedings incurred by reason of any misconduct or omission by any agent, delegate or collateral agent appointed by it pursuant to this sub clause; or (y) bound to supervise the proceedings or acts of any such agent, delegate or

collateral agent; **provided** that it exercises reasonable care in selecting that agent, delegate or collateral agent;

- (i) The Purchaser Collateral Agent is not precluded from entering into other business relationships with other transaction parties.

Section 14. Limitation on Purchaser Collateral Agent's Duty in Respect of Purchaser Collateral

Except as set forth in this Agreement and beyond the exercise of reasonable care in the custody of the Purchaser Collateral, the Purchaser Collateral Agent shall not have any duty as to any Purchaser Collateral in its possession or control or in possession or control of any agent or nominee of it or any income thereon or as to the preservation of rights against prior parties or any other rights pertaining thereto. The Purchaser Collateral Agent shall not be responsible for determining whether to file any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or maintaining the perfection of any Security Interest in the Purchaser Collateral. The Purchaser Collateral Agent shall be deemed to have exercised reasonable care in the custody of the Purchaser Collateral in its possession if the Purchaser Collateral is accorded treatment substantially equal to that which it accords its own property.

The Purchaser Collateral Agent shall not be responsible for the existence, genuineness or value of any of the Purchaser Collateral or for the validity, perfection, priority or enforceability of the Security Interests in any of the Purchaser Collateral, whether impaired by operation of law or by reason of any of any action or omission to act on its part hereunder, except to the extent such action or omission constitutes gross negligence, bad faith or willful misconduct on the part of the Purchaser Collateral Agent, for the validity or sufficiency of the title of the Company to the Purchaser Collateral, for insuring the Purchaser Collateral or for the payment of taxes, charges, assessments or liens upon the Purchaser Collateral or otherwise as to the maintenance of the Purchaser Collateral.

Section 15. No Petition.

The Purchaser Collateral Agent agrees that it will not institute against, or join any person in instituting against, the Company any bankruptcy, reorganization, arrangement, insolvency or liquidation proceeding, or other similar proceeding under the laws of any jurisdiction, for one year and a day after the date the latest maturing of the (i) Commercial Paper Notes and (ii) medium term notes issued by Cancara Asset Securitisation Limited, if any, is paid in full. The obligations of the Purchaser Collateral Agent under this **Section 15** shall survive termination of this Agreement or the replacement of the Purchaser Collateral Agent.

Section 16. Waiver of Stays, Etc.

To the fullest extent that the Company may lawfully so agree, the Company agrees that it will not at any time plead, claim or take the benefit of any appraisement, valuation, stay, extension, moratorium or redemption law now or hereafter in force to prevent or delay the enforcement of this Agreement or the absolute sale of any portion of or all of the Purchaser Collateral or the possession thereof by any purchaser at any sale under this Agreement, and the Company, for itself and all who may claim under the Company, as far as the Company now or hereafter lawfully may do so, hereby waives the benefit of all such laws with respect to or in relation to this Agreement.

Section 17. Payment of Expenses and Taxes.

17.1 Subject to Excess Company Funds being available for such purpose in accordance with payment priorities set out in **Section 5.3**, the Company agrees, subject to **Section 5.3** and to the extent reasonable:

- (a) to pay or reimburse the Purchaser Collateral Agent for all of its reasonable out-of-pocket costs and expenses properly incurred in connection with the preparation and execution of, and any amendment, supplement or modification to, this Agreement and any other documents prepared in connection therewith, and the consummation of the transactions contemplated thereby;
- (b) to pay or reimburse the Purchaser Collateral Agent for all of its reasonable fees, costs and expenses incurred in connection with its acceptance and administration of the agency under this Agreement and the enforcement or preservation of any rights under this Agreement (including as contemplated by **Section 11.6**) and any such other documents, including reasonable fees and disbursements of counsel to the Purchaser Collateral Agent;
- (c) to pay, indemnify, and to hold the Purchaser Liquidity Agent, each Purchaser Liquidity Bank and the Purchaser Collateral Agent harmless from and against, any and all recording and filing fees and any and all liabilities with respect to, or resulting from any delay in paying, stamp and other taxes, if any, which may be payable or determined to be payable in connection with the execution and delivery of or consummation of any of the actions contemplated by, or any amendment, supplement or modification of, or any waiver or consent under or in respect of, this Agreement, and any such other documents; and
- (d) to pay, indemnify, and hold the Purchaser Liquidity Agent, each Purchaser Liquidity Bank and the Purchaser Collateral Agent and their shareholders, officers, directors, agents and employees (each, an “**Indemnified Party**” harmless from and against any and all other liabilities, obligations, losses (except loss of profit), damages, penalties, actions, judgments, suits, costs, expenses (including the reasonable fees and expenses of counsel) or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement and any such other documents

(all the foregoing, collectively, the “**Indemnified Liabilities**”); **provided** that the Company shall have no obligation under this Agreement to the Purchaser Collateral Agent, the Purchaser Liquidity Agent, any such Purchaser Liquidity Bank or any other Indemnified Party with respect to Indemnified Liabilities arising from the gross negligence or willful misconduct of such Person. The Company’s obligations to the Purchaser Liquidity Banks, the Purchaser Liquidity Agent, the Purchaser Collateral Agent and the other Indemnified Parties under this **Section 17** shall survive the termination of this Agreement or the earlier resignation or removal of the Purchaser Collateral Agent, the Purchaser Liquidity Agent or any Purchaser Liquidity Bank (as applicable). Anything in this Agreement to the contrary notwithstanding, in no event shall any party to this Agreement be liable for special, indirect, punitive or

consequential loss or damage of any kind whatsoever (including, but not limited to, lost profits) whether or not foreseeable, even if the Purchaser Collateral Agent or any other Indemnified Party has been advised of the likelihood of such special, indirect, punitive or consequential loss or damage and regardless of whether the claim for loss or damage is made in negligence, for breach of contract or otherwise.

- 17.2 Any and all payments by the Company to the Purchaser Collateral Agent or any other Indemnified Party hereunder shall be made free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto, excluding net income taxes that are imposed on the Purchaser Collateral Agent. If the Company shall be required by law to deduct any taxes from or in respect of any sum payable hereunder to the Purchaser Collateral Agent, (a) the sum payable shall be increased as may be necessary so that, after making all required deductions (including deductions applicable to additional sums payable under this Section 17), the Purchaser Collateral Agent receives an amount equal to the sum it would have received had no such deductions been made, to the extent Excess Company Funds are available for such purpose in accordance with the payment priorities set out in Section 5.3, (b) the Company shall make such deductions and (c) the Company shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law.

Section 18. Amendments, Etc.

This Agreement may be supplemented, modified or amended by written instrument signed on behalf of the parties hereto; **provided** that if such supplement, modification or amendment will materially and adversely affect the holders of the Commercial Paper Notes (it being understood and agreed that the Purchaser Collateral Agent shall not be responsible for making such determination), prior written confirmation will be required from each Rating Agency that such supplement, modification, or amendment will not cause its then current rating of the Commercial Paper Notes to be downgraded or withdrawn. The Purchaser Collateral Agent shall be entitled to enter into any such supplement, modification or amendment at the written direction of the Purchaser Liquidity Agent or all the Purchaser Secured Parties (other than the Purchaser Collateral Agent). Notice of any supplement, modification or amendment shall, prior to its effectiveness, be given by the Company to each Rating Agency.

The Purchaser Collateral Agent may, but shall not be obligated to, execute and deliver any such supplement, modification or amendment modifying its rights, powers, duties, obligations, immunities or indemnities hereunder. In addition, no amendment, modification, termination or waiver of any provision of a Purchaser Document that affects the Purchaser Collateral Agent's rights, duties, powers, immunities or indemnities hereunder shall be effective against the Purchaser Collateral Agent without the Purchaser Collateral Agent's prior written consent and shall be subject to the Purchaser Collateral Agent having been provided a copy thereof.

In executing any material supplement, modification or amendment, the Purchaser Collateral Agent shall be entitled to receive if reasonably required and shall be fully protected in relying upon, a certificate of the Purchaser Liquidity Agent or an opinion

of counsel stating that the execution of such material supplement, modification or amendment is authorized or permitted by this Agreement.

For the avoidance of doubt, the parties hereto (other than the Purchaser Collateral Agent) shall provide the Purchaser Collateral Agent reasonable prior written notice of any proposed supplement, modification or amendment to this Agreement. In addition, the parties hereto shall provide at least three Business Days prior written notice to the Purchaser Collateral Agent of any new party to this Agreement (other than a party which is Lloyds Banking Group or any of its direct or indirect subsidiaries including Lloyds Bank plc or Bank of Scotland plc). In relation to any supplement, modification or amendment which the Purchaser Liquidity Agent determines is potentially material and adverse in relation to the Commercial Paper Notes, the Purchaser Liquidity Agent shall deliver a certificate to the Purchaser Collateral Agent stating that the Purchaser Collateral Agent is authorized or permitted by this Agreement to enter into such supplement, modification or amendment and that such supplement, modification or amendment will not have a material and adverse effect on the rating of the Commercial Paper Notes. The certificate may, at the Purchaser Liquidity Agent's option, indicate that its determination is based on notice from the Rating Agencies that such supplement, modification or amendment will not result in a change in the rating of the Commercial Paper Notes. With respect to any supplement, modification or amendment in relation to which the Purchaser Liquidity Agent does not deliver a certificate, the Purchaser Collateral Agent (a) may conclusively rely on the Purchaser Administrator's or the Purchaser Liquidity Agent's request to enter into such amendment as evidence that the amendment is not material and will not affect the rating of the Commercial Paper Notes and (b) shall be fully protected in relying on such request. For the avoidance of doubt, any supplement, modification or amendment relating to the release of a substantial portion of the Purchaser Collateral other than as part of a corresponding reduction in the Obligations will be considered a supplement, modification or amendment requiring a certificate.

EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION, SUIT OR PROCEEDING MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH OF THE PARTIES HEREBY WAIVES AND AGREES NOT TO ASSERT BY WAY OF MOTION, AS A DEFENSE OR OTHERWISE IN ANY SUCH SUIT, ACTION OR PROCEEDING, ANY CLAIM THAT IT IS NOT PERSONALLY SUBJECT TO THE JURISDICTION OF SUCH COURTS, THAT THE SUIT, ACTION OR PROCEEDING IS BROUGHT IN AN INCONVENIENT FORUM, THAT THE VENUE OF THE SUIT, ACTION OR PROCEEDING IS IMPROPER OR THAT THIS AGREEMENT OR ANY OF THE OTHER PURCHASER DOCUMENTS OR THE SUBJECT MATTER HEREOF MAY NOT BE LITIGATED IN OR BY SUCH COURTS.

THE PARTIES HERETO ACKNOWLEDGE THAT THE PROVISIONS OF THIS SECTION 24 HAVE BEEN BARGAINED FOR AND THAT EACH SUCH PARTY HAS BEEN REPRESENTED BY COUNSEL IN CONNECTION HERewith.

Section 25. Severability of Provisions.

Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability, without invalidating the remaining provisions hereof or affecting the validity or enforceability, of such provision in any other jurisdiction.

Section 26. Conflicting Instructions.

In the event that the Purchaser Collateral Agent shall receive instructions, claims or demands from any party in accordance with the terms of this Agreement which, in its opinion, conflict with any other instructions, claims or demands given in accordance with the terms of this Agreement or which, in its opinion, would require the Purchaser Collateral Agent to take or refrain from taking actions not permitted under this Agreement, it shall be entitled to refrain from taking any action and its sole obligation shall be to keep safely all property held by it under this Agreement until it shall be directed otherwise in writing by all Persons involved in such conflicting instructions, claims or demands or by a final order or judgment by a court of competent jurisdiction.

Section 27. Limited Recourse.

The obligations of the Company under this Agreement are solely the corporate obligations of the Company. No recourse shall be had for the payment of any amount owing by the Company under this Agreement or for the payment by the Company of any fee in respect hereof or any other obligation or claim of or against the Company arising out of or based upon this Agreement, against any employee, officer, director, shareholder, member or manager or other affiliate of the Company; **provided, however**, that the foregoing shall not relieve any such Person of any liability it might otherwise have as a result of fraudulent actions or omissions taken by it. The Purchaser Collateral Agent agrees that, except as otherwise provided in the preceding sentence, the Company shall be liable for any claims that the Purchaser Collateral Agent or any other Purchaser Secured Party may have against the Company only to the extent the Company has funds available for such purpose, in accordance with payment priorities set out in **Section 5.3**. Unpaid amounts hereunder shall not constitute

a “claim” for purposes of Section 101(5) of the U.S. Bankruptcy Code or similar law affecting creditors’ rights. The provisions of this **Section 27** shall survive the termination of this Agreement.

Section 28. Entire Agreement.

This Agreement constitutes the entire agreement among the parties hereto with respect to the matters covered hereby, and supersedes all prior agreements and understandings among the parties.

Section 29. Scope of Performance.

In acting with respect to this Agreement, the Purchaser Collateral Agent shall be required to perform only such duties as are specifically set forth in (a) this Agreement and (b) applicable law as in effect from time to time. The Purchaser Collateral Agent undertakes to perform such duties and only such duties as are specifically set forth in this Agreement. No implied covenants or obligations shall be read into this Agreement against the Purchaser Collateral Agent.

Section 30. Information Services.

- (a) From time to time during the term of this Agreement the Purchaser Collateral Agent shall provide access to certain information (the “**Information**”) and facilities for the transmission of information and instructions by certain electronic communication and delivery services (the “**Services**”) maintained and made available to the Company by the Purchaser Collateral Agent through the software (the “**Software**”) furnished to the Purchaser Administrator by the Purchaser Collateral Agent.
- (b) The Company hereby authorizes the transfer of information relating to the Company to and between branches, subsidiaries, representative offices, affiliates and agents of the Purchaser Collateral Agent and third parties selected by any of them, wherever situated, for confidential use in connection with the provision of the Services electronically to the Company (including for data processing purposes) or others and further acknowledges that any such branch, subsidiary, representative office, affiliate, agent or third party shall be entitled to transfer any such information as required by any law, a court, a regulator or other legal process.
- (c) The Information, the Services and the Software provided to or obtained by the Company in connection with this Agreement (the “**PCA Confidential Information**”) is the exclusive, valuable and confidential property of the Purchaser Collateral Agent and/or any of its relevant licensors or suppliers as the case may be. The Company agrees to keep all PCA Confidential Information confidential, to use it only in the manner designated by the Purchaser Collateral Agent and in the ordinary course of the Company’s business and to limit access to its agents appointed in accordance with the Purchaser Documents and their employees (under a similar duty of confidentiality) who require access in the normal course of their engagement or employment, except to the extent that any Confidential Information is

already in the public domain or is otherwise required by law, a court, a regulator or other legal process to be disclosed.

- (d) The Purchaser Collateral Agent will keep all information provided to or obtained by it in connection with this Agreement with respect to the Company and the Assets (the “***Company Confidential Information***”) confidential, to use it only in the ordinary course of performing its obligations hereunder and to limit access to its agents appointed in accordance with the Purchaser Documents and their employees (under a similar duty of confidentiality) who require access in the normal course of their engagement or employment, except to the extent that any Company Confidential Information is already in the public domain, is otherwise required or requested by law, a court, a regulator or other legal process to be disclosed or is permitted, required or contemplated to be disclosed in accordance with the Purchaser Documents.

Section 31. Facsimile and Counterparts.

This Agreement may be executed by facsimile and/or in any number of counterparts and by different parties thereto on separate counterparts, each of which counterparts, when executed and delivered, shall be deemed an original and all of which counterparts, taken together, shall constitute one and the same agreement.

Section 32. Headings.

The headings contained in this Agreement are for convenience of reference only and shall not affect the construction or interpretation of any provision of this Agreement.

Section 33. Binding Effect.

This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Except as provided in **Section 13.7(g)** and **Section 35**, neither of the parties hereto may assign or transfer any of its rights or obligations under this Agreement without the prior written consent of the other party and confirmation by each Rating Agency that such assignment will not result in a downgrade or withdrawal of the rating of the Commercial Paper Notes.

Section 34. Currency.

- 34.1 The Company hereby authorizes and directs the Purchaser Collateral Agent to, on its behalf, convert any amount in any currency (the “***Original Currency***”) into another currency (the “***Other Currency***”) at the spot rate of exchange available to the Purchaser Collateral Agent from time to time.
- 34.2 If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder from an Original Currency to an Other Currency, the parties hereto agree, to the fullest extent permitted by law, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Purchaser Collateral Agent could purchase the Original Currency with such Other Currency in London, England on the Business Day immediately preceding the day on which any such judgment, or any relevant part thereof, is given.

- 34.3 The obligations of the Company in respect of any sum due from it to the Purchaser Collateral Agent or the other Purchaser Secured Parties hereunder shall, notwithstanding any judgment in such Other Currency, be discharged only to the extent that on the Business Day following receipt by the Purchaser Collateral Agent of any sum adjudged to be so due in such Other Currency, the Purchaser Collateral Agent may in accordance with normal banking procedures purchase the Original Currency with such Other Currency; if the Original Currency so purchased is less than the sum originally due the Purchaser Collateral Agent or the other Purchaser Secured Parties in the Original Currency, the Company agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Purchaser Collateral Agent and the Purchaser Secured Parties against such loss, and if the Original Currency so purchased exceeds the sum originally due to the Purchaser Collateral Agent or the other Purchaser Secured Parties in the Original Currency, the Purchaser Collateral Agent or Purchaser Secured Party (as applicable) shall remit such excess to the Company.

Section 35. Notice of Assignment.

The Company hereby gives notice that as of the date of this Agreement it will assign to the Purchaser Collateral Agent, or grant to the Purchaser Collateral Agent a security interest in, all of the Company's right, title and interest in this Agreement as security pursuant to this Agreement. The Company gives further notice that the Company may not agree to amend, modify or terminate this Agreement other than pursuant to **Section 18**. By the execution and delivery of this Agreement the parties hereto confirm and acknowledge the provisions of this Section including the assignment or grant of security to the Purchaser Collateral Agent. The parties hereto (other than the Purchaser Collateral Agent) further agree to provide the Purchaser Collateral Agent a copy of any supplement, modification or amendment entered into with respect to any other Purchaser Document.

Section 36. Possession and Custody of the Assets.

The Company shall deliver, and the Purchaser Collateral Agent shall take possession of, each Asset on or immediately after the date such Asset is acquired. The Purchaser Collateral Agent shall hold such Assets in accordance with the terms of this Agreement and the Purchaser Custodial Agreement.

Section 37. Currency Indemnity.

The obligation of the Company under this Agreement is to discharge each of the Obligations in the currency in which such Obligation is from time to time denominated (the "**Relevant Currency**"). If at any time the Purchaser Collateral Agent receives a payment referable to any of the Obligations from any source in a currency other than the Relevant Currency, then such payment shall take effect as a payment to the Purchaser Collateral Agent of the amount in the Relevant Currency which the Purchaser Collateral Agent is able to purchase (after deduction of any relevant costs) with the amount of the payment so received in accordance with its usual practice; and if such payment is made under a court order and is treated by this **Section 37** as a payment of an amount which falls short of the relevant Obligation of the Company expressed in the Relevant Currency, the Company as a separate and independent obligation shall, subject to the Company having Excess Company Funds for such purpose, on demand from time to time indemnify the Purchaser Collateral Agent against such shortfall and pay interest on such shortfall from (and including) the date of such payment to (but

excluding) the date on which the shortfall is paid at the Base Rate which interest shall be payable by the Company upon demand by the Purchaser Collateral Agent.

Section 38. Disclosure of Information.

Notwithstanding anything to the contrary contained herein or in any of the other Programme Documents or Purchaser Documents, each of the parties hereto acknowledges and agrees that the Issuer and/or any agent, administrator or arranger in relation to its commercial paper program may disclose pursuant to any applicable regulation in any jurisdiction, including by posting to a secured password protected internet website maintained by the Issuer and/or any such agent, administrator or arranger and required by any Rating Agency rating the Commercial Paper Notes in connection with Rule 17g-5 promulgated under the U.S. Securities and Exchange Act of 1934, as amended (and any equivalent regulation adopted by any other jurisdiction), the following information: (i) this Agreement and any other Purchaser Documents, and (ii) such other information as may be requested by any Rating Agency.

Section 39. Regulatory Issues.

- 39.2 The Company hereby covenants with the Purchaser Collateral Agent that it or the Purchaser Administrator on its behalf will provide the Purchaser Collateral Agent with sufficient information as the Purchaser Collateral Agent may reasonably request so as to enable the Purchaser Collateral Agent to determine whether any payments to be made by it pursuant to the Purchaser Custodial Agreement and this Agreement are withholdable payments as defined in section 1473(1) of the Code or otherwise defined in Sections 1471 through 1474 of the Code and any regulations or agreements thereunder or official interpretation thereof or any intergovernmental agreement between the United States and another jurisdiction facilitating the implementation thereof (or any law implementing such an intergovernmental agreement).

Section 40. Agreement with Respect to the Exercise of U.K. Bail-in Power.

Notwithstanding and to the exclusion of any other term of any Programme Document or Purchaser Document, or any other agreement, arrangement or understanding between any of the parties in relation thereto, each party hereto other than, with respect to itself, Lloyds and BOS (the "**Other Parties**") expressly acknowledges, accepts and agrees that any liabilities of Lloyds or BOS (each a "**Relevant Party**") to any Other Party under or in connection with the Programme Documents and/or the Purchaser Documents (the "**Relevant Liability**") may be subject to the exercise of any applicable U.K. bail-in power (as defined below) by the relevant U.K. resolution authority (as defined below) and consents, acknowledges, accepts and agrees:

- (a) to be bound by the effect of:
 - (i) any exercise of any applicable U.K. bail-in power in relation to any Relevant Liability including (without limitation):

- (A) any reduction, in full or in part, in the principal amount, or outstanding amount due (including any accrued but unpaid interest) in respect of any Relevant Liability;
 - (B) any conversion of all, or part of, any Relevant Liability into shares or other instruments of ownership in the applicable Relevant Party or any other person; and
 - (C) any cancellation of any Relevant Liability; and
- (ii) any variation of any term of any of the Programme Documents or the Purchaser Documents to the extent necessary to give effect to any U.K. bail-in power in relation to any Relevant Liability; and
- (b) that shares or other instruments of ownership in the applicable Relevant Party or any other person may be issued to or conferred on any party to the Programme Documents or the Purchaser Documents as a result of any exercise of any U.K. bail-in power in relation to any Relevant Liability; and
- (c) that the exercise of any U.K. bail-in power by the relevant U.K. resolution authority shall not constitute an event of default under any Programme Document or Purchaser Document or a Programme Termination Event.

In the event of any conflict between this **Section 40** and any other term of any Programme Document or Purchaser Document, this **Section 40** shall prevail.
