Rock Services Limited Strategic report

For the year ended 31 December 2019

The Directors' present their Strategic report together with the financial statements of the Company for the year ended 31 December 2019.

Rock Services Limited ("the Company") is a limited company incorporated in England and Wales on 9 October 2006 and is a member of the Somerset Bridge Group ("the Group").

On 31st December 2018, Rock Services Limited's ownership was transferred from Rock Holdings Limited to Somerset Bridge Group Limited for its fair value as part of a corporate reorganisation.

Principal activity

During 2019, the Company continued to provide support services and shared service functions for its fellow Group companies and other related parties. The Company generated income from a mark-up added to costs and salary recharges.

Business review

The loss for the year after taxation was £10,385,000 (2018: profit of £291,000). No dividends have been paid for the year (2018: £nil).

During 2019 as part of the Group reorganisation, the Directors agreed to make the Company dormant as at 31st December 2019. In preparation for this, a detailed review was performed on the recoverability of balances due to the Company during the fourth quarter of 2019 which resulted in write offs against irrecoverable balances amounting to £10m. The reported loss for the year therefore includes £10m related to write offs against irrecoverable debtor balances, resulting in a net liability position.

Separately, the Company's parent, Somerset Bridge Group Limited, made a shareholder contribution of £10m at 31st December 2019, which is recorded as Other Reserves in the Company's Statement of Financial Position. This shareholder contribution brought the net liability of the Company to nil as at 31st December 2019.

The shared services provided by the Company to the Group and other related parties ceased as at 31st December 2019 and at that same date the trade and assets of the Company were transferred to Somerset Bridge Shared Services Limited ("SBSSL") at their net realisable value. This transaction, which removed all assets and liabilities from the Company's Statement of Financial Position as at the year-end date, included fixed assets of £0.6m, cash £0.4m, related party balances £4m, other debtors £3m and creditors of £8m i.e. a net liability value of nil with no gain or loss on transfer.

The Directors consider profit or loss after tax to the best key performance indicator ("KPI") of the Company and no other KPIs are required due to its nature as a recharge company.

Future outlook

The Directors intend to make the Company dormant during 2020 and it ceased trading at 31st December 2019. Therefore the financial statements have been prepared on a basis other than that of the going concern basis. This has included, where applicable, writing the Company's assets down to net realisable value. As described above, all of the Company's staff were transferred to other Group companies prior to the balance sheet date, with the assets and liabilities at 31 December 2019 transferred to SBSSL a group company.

Principal risks and uncertainties facing the Company

In light of the decision to cease operations in 2020, there are no ongoing material risks faced by the Company going in to 2020 and beyond.

This report was approved by the Board and signed on its behalf by:

Elizabeth Bilney

Director

Date:

30/09/2020

Report of the directors

The directors present their report and the audited financial statements for the year ended 31 December 2019.

The Strategic report above sets out a review of the business including the Company's principal activity; the performance of the business during the year; the principal risks and uncertainties facing the business; and future developments.

Results and dividends

The loss for the year after taxation was £10,385,000 (2018: profit of £291,000). No dividends have been paid for the year (2018: £nil).

Directors

The directors who served during the period and to the date of signing the accounts were:

Arron Banks Elizabeth Bilney

There were no changes to directors during the year.

Equal opportunities

The Company supports the principle of equal opportunities. Its policy is that there should be no discrimination on the grounds of sex, age, religion, or race. Equal employment opportunities are available to all persons, including the disabled, having full regard to their particular skills and abilities.

Employee Involvement

The directors believe in encouraging employees to become fully informed of the Company's activities and to be more closely involved in the business and provide ongoing training as necessary.

The Company has continued its practice of keeping employees informed of matters affecting them as employees and the financial and economic factors affecting the performance of the Company through presentations, consultations, forums and the use of the Company intranet.

Directors' indemnities

Directors' and officers' insurance cover has been established for all Directors to provide appropriate cover for their reasonable actions on behalf of the Company. This constitutes a qualifying third-party indemnity provision as defined by section 234 of the Companies Act 2006, were in force during the 2019 financial year and remain in force for all current and past Directors of the Company.

Statement of directors' responsibilities

The directors are responsible for preparing the Strategic report, the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice ("UK GAAP") (United Kingdom Accounting Standards and applicable law). Under Company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the proft or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- Select suitable accounting policies and apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the Company will continue in business. As explained in note 1.3 to the financial statements, the directors do not believe the going concern basis to be appropriate and, in consequence, these financial statements have not been prepared on that basis.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Provision of information to the auditor

Each of the persons who are directors at the time when this Directors' report is approved has confirmed that:

- so far as that director is aware, there is no relevant audit information of which the Company's auditor is unaware, and
- that Director has taken all the steps that ought to have been taken as a Director in order to be aware of any information needed by the Company's auditors in connection with preparing their report and to establish that the Company's auditor is aware of that information.

Auditors

The auditors are BDO LLP, who are eligible for re-appointment.

This report was approved by the Board and signed on its behalf by:

Elizabeth Bilney

Director

Independent auditor's report to the member of Rock Services Limited

For the year ended 31 December 2019

Opinion

We have audited the financial statements of Rock Services Limited ("the Company") for the year ended 31 December 2019 which comprise the Statement of Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity, Statement of Cash Flows, and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 December 2019 and of its loss for the year then ended:
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter - basis of preparation

We draw attention to Note 1.3 to the financial statements which explains the Directors' intention to dissolve the company in the near future. Accordingly, the financial statements have been prepared on a basis other than that of going concern as described in Note 1.3. Our opinion is not modified in this respect of this matter.

Other information

The Directors are responsible for the other information. The other information comprises the information included in the Directors Report and Audited Financial Statements, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Independent auditor's report to the member of Rock Services Limited (continued)

For the year ended 31 December 2019

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic report and Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic report and Directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic report and Directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion;

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Directors

As explained more fully in the Statement of Directors' Responsibilities, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at:

https://www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Independent auditor's report to the member of Rock Services Limited (continued)

For the year ended 31 December 2019

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

1. Accounting policies

1.1 General information

Rock Services Limited ("the Company") is a limited company incorporated in England and Wales under the Companies Act. The Company Registration no. is 05960676 and the address of the registered office is Lysander House Catbrain Lane, Cribbs Causeway, Bristol, BS10 7TQ.

1.2 Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with Financial Reporting Standard 102 ("FRS 102"), the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland, and the Companies Act 2006. The financial statements have been prepared on a basis other than that of the going concern basis. As a consequence the remaining assets have been disclosed at values at which they are expected to be realised.

1.3 Going concern basis

The Directors decided to cease trading in December 2019 and dissolve the Company in the near future. Therefore the going concern basis is no longer appropriate to be used in preparing the statements. Accordingly the financial statements have been prepared on a basis other than that of the going concern basis.

1.4 Critical accounting estimates and judgements in applying accounting policies

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgement in applying the Company's accounting policies; the directors do not consider there to be significant level of uncertainty in any estimate used in preparing these accounts.

There are no estimates and judgements that have a significant risk of causing material misstatement of the reported amounts of assets and liabilities or revenues and expenses.

1.5 Income recognition

Turnover comprises revenue recognised by the Company in respect of goods and services the cost of which is incurred by the Company and recharged or rechargeable, exclusive of Value Added Tax ("VAT") and trade discounts.

1.6 Tangible fixed assets

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided on a straight line basis at rates calculated to expense the cost of each asset, less their estimated residual value, over the expected useful lives on the following basis:

 Fixtures, fittings and office equipment: 	5 years
- Motor vehicles	3 years
- Computer hardware	3 years
- Computer software	3 years

The assets' residual values, useful lives and depreciation methods are reviewed and adjusted prospectively, if appropriate, if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Income statement.

1.7 Financial instruments

The Company enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities. Financial assets comprise Cash at bank, Amounts owed by related parties and Other debtors. Financial liabilities comprise Amounts owed to related parties, Accruals and deferred income, Current tax and Other creditors.

Financial assets are initially recognised at transaction price, unless the arrangement constitutes a financing transaction; in which case the transaction is measured at the present value of the future receipts discounted at at market rate of interest. Such assets are subsequently carried at amortised cost using the effective interest method.

At the end of each reporting period, financial assets that are measured at cost and amortised cost are assessed for objective evidence of impairment. If evidence is found, an impairment loss is recognised in the income statement.

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and best estimate, which is an approximation of the amount the Company would receive for the asset if it were to be sold at the reporting date.

Financial liabilities are initially recognised at transaction price, unless the arrangement constitutes a financing transaction; in the latter case the liability is measured at the present value of the future payments discounted at a market rate of interest.

Financial liabilities are derecognised when the contractual obligation is discharged, cancelled or expires.

Financial asset and liabilities are offset and the net amount reported in the statement of financial position where there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

1.8 Taxation, including deferred income taxes

The tax expense for the period recognised in the income statement comprises current tax and deferred tax.

Current tax which is payable or receivable on taxable profits or losses is recognised as an expense or credit in the period in which the profits or losses arise. The current income tax charge is calculated on the basis of the tax rates enacted or substantially enacted at the reporting date.

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax assets are recognised only to the extent that it is probable that future taxable profit will be available against which temporary differences can be utilised.

Deferred tax income tax is determined using tax rates that have been enacted or substantially enacted by the balance sheet date that are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

1.9 Equity

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable net of the direct cost of issuing the equity instrument. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

2. Turnover

Turnover comprises recharge income arising in the United Kingdom and Gibraltar.

Operating profit/(loss) Operating profit/(loss) is stated after charging:		
	2019	2018
	£'000	£'000
Depreciation of tangible assets	593	662
Operating lease rentals	312	57
Auditor's remuneration - audit services	15	15

4. Employees

The average number of employees during the period was 36 (2018: 33 employees) however the company bears no employment costs as these costs (c.£7.8m) are recharged to the relevant company. Salaries for other related parties are also paid through the Company and the payroll costs are recharged to the relevant company. All of the Company's employees were transferred to other group companies before the balance sheet date as part of the decision to cease the Company's operations.

5. Taxation

	2019 £'000	2018 £'000
Current tax UK corporation tax at 19% (PY: 19%)		67
Deferred tax - Origination and reversal of timing differences - Adjustment in respect of previous periods	216 (154)	(9)
Deferred tax (credit)/charge	62	(9)
Tax charge/(credit)	62	58

The tax charge /(credit) on the profit/(loss) for the year is lower (2018: lower) than would arise using the standard rate of corporation tax in the UK of 19% (2018: 19%). The differences are explained below.

	2019	2018
Factors affecting the tax credit for the year:	£'000	£'000
(Loss)/profit before tax	(10,323)	349
(Loss)/profit before tax multiplied by the UK corporation tax rate	(1,961)	67
Effects of: - Expenses not deductible for tax purposes - Fixed assets differences & adjustments - Group relief claimed - Unrelieved tax losses - Effect of change in tax rate	1,703 (220) - 540 -	(10) 1
	62	58
