Statement of directors' responsibilities in respect of the Directors' Report and the financial statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial period. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Notes

(forming part of the financial statements)

1 Accounting reference date

The accounting reference date of the company is the Saturday nearest to 15 September. Accordingly, these financial statements have been prepared to 15 September 2012.

2 Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Basis of preparation

The financial statements have been prepared under the historical convention and in accordance with applicable United Kingdom accounting standards (UK GAAP) and the Companies Act 2006.

Under Financial Reporting Standard 1 (revised) the company is exempt from the requirement to prepare a cash flow statement on the grounds that it is a wholly owned subsidiary undertaking. A group cash flow statement is included in the financial statements of Wittington Investments Limited.

As the company is a wholly owned subsidiary of Wittington Investments Limited, the company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with entities which form part of the group (or investees of the group qualifying as related parties). The consolidated financial statements of Wittington Investments Limited, within which this company is included, can be obtained from Companies House.

Going Concern

The financial statements have been prepared on a going concern basis, notwithstanding net current liabilities of £908,574 which the directors believe to be appropriate for the following reasons.

The company is dependent upon its parent company, Wittington Investments Ltd (Wittington) for continuing financial support. Wittington has provided the company with an undertaking that it will continue to make available such funds as are needed by the company until presentation of its financial statements for the period ending 14 September 2013 and accordingly the directors consider it appropriate to continue to adopt the going concern basis in preparing the company's financial statements.

Current asset investments and Impairment

Investments are stated at cost less amounts written off. The carrying amounts of the company's assets are reviewed for impairment when events or changes in circumstances indicate that the carrying amount of the investment may not be recoverable. If any such indication exists, the investment's recoverable amount is estimated and an impairment loss is recognised for the excess of the carrying amount of an asset over its estimated recoverable amount. Impairment losses are recognised in the profit and loss account. An impairment loss is reversed on investments only if subsequent external events reverse the effect of the original event which caused the recognition of the impairment.

3 Operating costs

No charge was made during the period in respect of auditors' remuneration. The auditors' remuneration is borne by the parent company.

The directors received no emoluments in respect of their services to the company.
