LR BONDWAY LIMITED

STRATEGIC REPORT

FOR THE PERIOD ENDED 31 DECEMBER 2018

The directors present the strategic report for the period ended 31 December 2018.

During the period covered by these financial statements, the company and group underwent a significant restructuring exercise. As part of this, the company's accounting reference date was changed from September to December, with the current period financial statements being prepared to 31 December 2018. As a result of these changes, the current period results presented in these financial statements are for a fifteen month period from 1 October 2017 to 31 December 2018.

Throughout the financial statements, references to 2017 in respect of items presented within the statement of comprehensive income and statement of changes in equity mean "year ended 30 September 2017" and references to 2017 in respect of balance sheet items mean balances as at "30 September 2017".

The company's ultimate parent undertaking also changed during the period as a result of the restructuring of the Loopsign Limited group.

Principal activities, fair review of the business and future developments

The company acts as a holding company having sold the commercial property it held in January 2017. The company made a loss of £2,751 for the period ended 31 December 2018 (Year ended 30 September 2017: loss of £5,932,670) and had net assets of £0.2m at the period end (30 September 2017: £0.2m).

The directors consider the financial position and future prospects at 31 December 2018 to be satisfactory

Principal risks and uncertainties

The key business risks and uncertainties affecting the company are considered to relate to the fact that the company operates within a highly competitive market place. The directors of the group have reviewed the group's exposure to credit risk, liquidity risk and cash flow risk. These risks and uncertainties are discussed in the company's ultimate parent's group annual report which does not form part of this report.

Financial risk management

The company's activities expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk. Further discussion of the financial risk management objectives and policies, in the context of the group as a whole, are discussed in the company's ultimate parent's group annual report which does not form part of this report.

Key performance indicators

The company is managed by the directors in accordance with the strategies of its ultimate parent company, London and Regional Group Properties Ltd. For this reason, the directors believe that key performance indicators for the company are not necessary or appropriate for an understanding of the development, performance or position of the business. These strategies and key performance indicators are discussed in the company's ultimate parent's group annual report which does not form part of this report.

On behalf of the board

Mr L Sebastian
Director

LR BONDWAY LIMITED

DIRECTORS' REPORT

FOR THE PERIOD ENDED 31 DECEMBER 2018

The directors present their report and audited financial statements for the period ended 31 December 2018.

Directors

The directors who held office during the period and up to the date of signature of the financial statements were as follows:

Mr R J Livingstone
Mr L Sebastian

Results and dividends

The results for the period are set out on page 7.

The directors do not recommend the payment of a dividend (Year ended 30 September 2017: £nil).

The business review and financial risk management are included in the strategic report.

Qualifying third party indemnity provisions

The company has made qualifying third party indemnity provisions for the benefit of its directors during the period. These provisions remain in force at the reporting date.

Independent Auditors

The Independent Auditors, PricewaterhouseCoopers LLP, are deemed to be reappointed under section 487(2) of the Companies Act 2006.

Disclosure of information to Independent Auditors

So far as each person who was a director at the date of approving this report is aware, there is no relevant audit information of which the company's auditors are unaware. Additionally, the directors individually have taken all the necessary steps that they ought to have taken as directors in order to make themselves aware of all relevant audit information and to establish that the company's auditors are aware of that information.

On behalf of the board

Mr L Sebastian
Director

11.10.2014

LR BONDWAY LIMITED

DIRECTORS' RESPONSIBILITIES STATEMENT

FOR THE PERIOD ENDED 31 DECEMBER 2018

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 102, have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

The directors are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

On behalf of the board

.....
Mr L Sebastian
Director
..... 11.10.2014

LR BONDWAY LIMITED INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF LR BONDWAY LIMITED

Report on the audit of the financial statements

Opinion

In our opinion, LR Bondway Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2018 and of its loss for the 15 month period (the "period") then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual report and financial statements (the "Annual Report"), which comprise: the balance sheet as at 31 December 2018; the statement of comprehensive income and, the statement of changes in equity for the 15 month period then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

ISAs (UK) require us to report to you when:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of the above matters.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern. For example, the terms on which the United Kingdom may withdraw from the European Union are not clear, and it is difficult to evaluate all of the potential implications on the company's trade, customers, suppliers and the wider economy.

Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

LR BONDWAY LIMITED INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF LR BONDWAY LIMITED (CONTINUED)

Reporting on other information (continued)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic Report and Directors' report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

Strategic Report and Directors' report

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic Report and Directors' report for the period ended 31 December 2018 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic Report and Directors' report.

Responsibilities for the financial statements and the audit

Responsibilities of the directors for the financial statements

As explained more fully in the Directors' responsibilities statement set out on page 3, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of this report

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

**LR BONDWAY LIMITED
INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF LR BONDWAY LIMITED
(CONTINUED)**

Other required reporting

Companies Act 2006 exception reporting

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

LR BONDWAY LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE PERIOD ENDED 31 DECEMBER 2018

1 Accounting policies

General information

LR Bondway Limited is a private company limited by shares incorporated in England and Wales. The registered office is Quadrant House, Floor 6, 4 Thomas More Square, London, E1W 1YW.

The principal activity of LR Bondway Ltd is to act as a dormant holding company.

1.1 Statement of compliance

These financial statements have been prepared in accordance with FRS102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS102") and the requirements of the Companies Act 2006.

1.2 Basis of preparation and summary of significant accounting policies

The financial statements have been prepared on a going concern basis and under the historical cost convention. The principal accounting policies adopted are set out below.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

1.3 Exemptions for qualifying entities under FRS 102

FRS 102 allows a qualifying entity certain disclosure exemption if certain conditions have been complied with, including notification of and no objection to, the use of exemptions by the company's shareholders. A qualifying entity is defined as a member of a group that prepares publicly available financial statements, which give a true and fair view, in which that member is consolidated. The company is a qualifying entity as its results are consolidated into the financial statements of London and Regional Group Properties Ltd which are publicly available.

As a qualifying entity, the company has taken advantage of the following exemptions:

from the requirement to prepare a statement of cash flows as required by paragraph 3.17 (d) of FRS 102; and
from the requirement to present financial instruments disclosures, as required by FRS 102 paragraphs 11.39 to 11.48A, paragraph 12.26 and 12.29.

1.4 Turnover

Turnover represents rental income and recoverable property expenses, net of value added tax. Rental income is recognised over the term of the lease on a straight-line basis. The total turnover of the company for the year has been derived from its principal activity, wholly undertaken in the UK.

Deferred income

Income from properties is allocated in the year to which it relates, with payments received in advance held as deferred income and credited to the profit and loss when earned.

1.5 Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the company's balance sheet when the company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

LR BONDWAY LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE PERIOD ENDED 31 DECEMBER 2018

1 Accounting policies

(Continued)

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Other financial assets

Other financial assets, including investments in equity instruments which are not subsidiaries, associates or joint ventures, are initially measured at fair value, which is normally the transaction price. Such assets are subsequently carried at fair value and the changes in fair value are recognised in profit or loss, except that investments in equity instruments that are not publicly traded and whose fair values cannot be measured reliably are measured at cost less impairment.

Impairment of financial assets

Financial assets, other than those held at fair value through profit or loss, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in profit or loss.

Derecognition of financial assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the company transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Classification of financial liabilities

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

LR BONDWAY LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE PERIOD ENDED 31 DECEMBER 2018

1 Accounting policies

(Continued)

Basic financial liabilities

Basic financial liabilities, including creditors, bank loans, loans from fellow group companies and preference shares that are classified as debt, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Other financial liabilities

Derivatives, including interest rate swaps and forward foreign exchange contracts, are not basic financial instruments. Derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value. Changes in the fair value of derivatives are recognised in profit or loss in finance costs or finance income as appropriate, unless hedge accounting is applied and the hedge is a cash flow hedge.

Derecognition of financial liabilities

Financial liabilities are derecognised when the company's contractual obligations expire or are discharged or cancelled.

1.6 Equity instruments

Equity instruments issued by the company are recorded at the proceeds received, net of direct issue costs. Dividends payable on equity instruments are recognised as liabilities once they are no longer at the discretion of the company.

1.7 Taxation

The tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of comprehensive income because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting end date.

LR BONDWAY LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE PERIOD ENDED 31 DECEMBER 2018

1 Accounting policies

(Continued)

Deferred tax

Deferred tax liabilities are generally recognised for all timing differences and deferred tax assets are recognised to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Such assets and liabilities are not recognised if the timing difference arises from goodwill or from the initial recognition of other assets and liabilities in a transaction that affects neither the tax profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at each reporting end date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset is realised. Deferred tax is charged or credited to the statement of comprehensive income, except when it relates to items charged or credited directly to equity, in which case the deferred tax is also dealt with in equity. Deferred tax assets and liabilities are offset when the company has a legally enforceable right to offset current tax assets and liabilities and the deferred tax assets and liabilities relate to taxes levied by the same tax authority.

2 Judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

Key sources of estimation uncertainty

The directors do not consider there to be any significant estimates or judgements that will affect the performance and position of the company in the coming year.

3 Operating loss

	Period ended 31 December 2018 £	Year ended 30 September 2017 £
Operating loss for the period/year is stated after charging:		
Fees payable to the company's auditors for the audit of the company's financial statements	-	-
Loss on disposal of investment property	-	853,168
	<u> </u>	<u> </u>

Auditors' remuneration has been borne by London and Regional Group Properties Ltd.

4 Directors' remuneration

The directors did not receive any emoluments in respect of their services to the company (Year ended 30 September 2017: £nil). The company has no employees (Year ended 30 September 2017: nil) other than the directors.

LR BONDWAY LIMITED

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE PERIOD ENDED 31 DECEMBER 2018

5 Waiver of loan receivable

	Period ended 31 December 2018 £	Year ended 30 September 2017 £
Amounts written back to/(written off) current loans	-	(5,335,143)

6 Tax on loss on ordinary activities

	Period ended 31 December 2018 £	Year ended 30 September 2017 £
Deferred tax		
Origination and reversal of timing differences	-	(298,000)

Factors affecting tax result/credit for the period/year

From 1 April 2017 the rate of corporation tax has reduced from 20% to 19%, giving a blended average rate for the current period of 19.00% (Year ended 30 September 2017: 19.50%).

The result/(credit) for the period/year can be reconciled to the loss per the statement of comprehensive income as follows:

	Period ended 31 December 2018 £	Year ended 30 September 2017 £
Loss on ordinary activities before taxation	(2,751)	(6,230,670)
Expected tax credit based on the standard rate of corporation tax in the UK of 19.00% (Year ended 30 September 2017: 19.50%)	(523)	(1,214,981)
Tax effect of expenses that are not deductible in determining taxable profit	-	1,040,353
Surrender of tax losses	523	174,628
Origination and reversal of timing differences	-	(298,000)
Tax result/credit for the period/year	-	(298,000)

Factors that may affect future tax charges

With effect from 1 April 2020, the UK corporation tax rate will be reduced to 17%. This change, which was announced in March 2015 budget and affirmed in March 2016 budget, will have no significant impact on these financial statements.

LR BONDWAY LIMITED
