**Group Strategic Report  
for the Year Ended 31 December 2016**

The directors present their strategic report of the company and the group for the year ended 31 December 2016.

**REVIEW OF BUSINESS**

The principal activity of the group in the year under review was that of the collection, processing and sale of all recyclable materials.

Perrys Holdings Limited acts as the group holding company receiving dividends and rents from Perrys Recycling Limited and paying dividends to its shareholders. This policy will continue while the group looks for expansion opportunities.

The group owns an investment property; 112 Burcott Road, Avonmouth which is leased out to a shredding and recycling company.

The group experienced an increase in turnover during the year by over 11% year on year. The group also had an increase in its gross margin going from 42.4% to 44.4% which remains at a consistent level with prior years. The increase in turnover whilst maintaining the level of gross margin shows dedication from directors and employees. The market is still very competitive but the consistency in the margin indicates that the group continues to monitor their buying and selling, together with associated costs, extremely well.

The group made an improvement on their net profit from last year, with certain costs continually difficult to control such as the cost of motor fuel. Overheads are kept to a minimum by carefully assessing and reviewing them on a continuing basis.

The state of the group's affairs at the date of the balance sheet was considered to be very strong with a current assets over current liabilities ratio of 328%.

The group has good relationships with its suppliers and customers and will continue to build on these and aim to continually develop its customer base. This will be achieved by continuing to provide first class, reliable and sustainable services to suit the customer needs and continue to invest in staff and equipment in order to provide the complete recycling and security shredding solution to customers.

Considering the economic state and how competitive the market in which they operate in has become, the directors will continue to use the group's resources and their knowledge and skills of the market and environment to explore and if appropriate invest in expansion opportunities in order to help achieve success. At the year end the group continue to look into new projects that will benefit the company in the future.

The group has an investment in the The Shredding Alliance; a national company that uses local companies to service national contracts. Over the years this has grown steadily and the directors are encouraged by the investment made.

**Group Strategic Report  
for the Year Ended 31 December 2016**

**PRINCIPAL RISKS AND UNCERTAINTIES**

**Market risk**

The group seeks to manage market risk from competitors by a policy of geographical and market spread.

**Foreign exchange risk**

Foreign exchange risk is managed by matching expected foreign currency receipts against foreign currency payments and taking forward contracts out as and when market conditions become attractive.

**Credit risk**

The group's credit risk is primarily attributable to its trade debtors. Credit risk is managed by running credit checks on new customers and by monitoring receipts against payment terms.

**Liquidity and cash flow risk**

The group monitors cash flow as part of its day to day control procedures. The directors consider cash flow projections on a monthly basis and ensure that facilities are available to be drawn as necessary.

**Report of the Directors  
for the Year Ended 31 December 2016**

The directors present their report with the financial statements of the company and the group for the year ended 31 December 2016.

**DIVIDENDS**

An interim dividend of £113.2 per share was paid on 22 December 2016. The directors recommend that no final dividend be paid.

The total distribution of dividends for the year ended 31 December 2016 will be £180,000.

**EVENTS SINCE THE END OF THE YEAR**

Information relating to events since the end of the year is given in the notes to the financial statements.

**DIRECTORS**

The directors shown below have held office during the whole of the period from 1 January 2016 to the date of this report.

**DISCLOSURE IN THE STRATEGIC REPORT**

Information relating to future development and financial risk management is given in the strategic report.

**STATEMENT OF DIRECTORS' RESPONSIBILITIES**

The directors are responsible for preparing the Group Strategic Report, the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the group and of the profit or loss of the group for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's and the group's transactions and disclose with reasonable accuracy at any time the financial position of the company and the group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Report of the Directors  
for the Year Ended 31 December 2016**

**STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS**

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the group's auditors are unaware, and each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the group's auditors are aware of that information.

**ON BEHALF OF THE BOARD:**

S J Perry - Secretary

A handwritten signature in black ink, appearing to read 'S J Perry', is written over the printed name.

## **Report of the Independent Auditors to the Members of Perrys Holdings Limited**

We have audited the financial statements of Perrys Holdings Limited for the year ended 31 December 2016 on pages eight to twenty eight. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

### **Respective responsibilities of directors and auditors**

As explained more fully in the Statement of Directors' Responsibilities set out on page four, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

### **Scope of the audit of the financial statements**

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the group's and the parent company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Group Strategic Report and the Report of the Directors to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

### **Opinion on financial statements**

In our opinion the financial statements:

- give a true and fair view of the state of the group's and of the parent company's affairs as at 31 December 2016 and of the group's profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Opinion on other matter prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of our audit, the information given in the Group Strategic Report and the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements, and has been prepared in accordance with applicable legal requirements. In the light of the knowledge and understanding of the group and the parent company and its environment, we have not identified any material misstatements in the Group Strategic Report or the Report of the Directors.

**Report of the Independent Auditors to the Members of  
Perrys Holdings Limited**

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Notes to the Consolidated Financial Statements  
for the Year Ended 31 December 2016

1. STATUTORY INFORMATION

Perrys Holdings Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the General Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

2. ACCOUNTING POLICIES

**Basis of preparing the financial statements**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets.

**Basis of consolidation**

The group financial statements consolidate those of Perrys Holding Limited and its subsidiary Perrys Recycling Limited. The group accounts have been prepared using merger accounting rules as it qualifies as a group reconstruction.

**Significant judgements and estimates**

No significant judgements have been made by management in preparing these financial statements. The valuation of the investment properties is based on recent professional valuations.

**Turnover**

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Revenue from the sale of goods is recognised when goods are delivered and legal title has passed.

Revenue from sales services is recognised when the services are rendered, using the percentage of completion method based on the actual service provided as a proportion of the total services to be performed.

Dividend income is recognised when the right to receive payment is established.

Rental income from operating leases (net of any incentives given to the leasees) is recognised on a straight-line basis over the lease term.

**Goodwill**

Goodwill, being the amount paid in connection with the acquisition of a business in 2002, was amortised evenly over its estimated useful life of 10 years. This now has a carrying value of £nil.

**Subsidy entitlement rights**

Subsidy entitlement rights, in connection with gaining entitlement rights for income support from the land owned, are held at fair value. The income received from the rights is recognised in other income when the proceeds are received or receivable.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Freehold property	- 10% on cost and 2% on cost
Improvements to property	- 10% on cost
Plant and machinery	- 15% on reducing balance
Fixtures and fittings	- 15% on reducing balance
Motor vehicles & trailers	- 20% on reducing balance
Computer & office equipment	- 25% on cost and 15% on reducing balance

Depreciation is not applied to land held with freehold property.

**Notes to the Consolidated Financial Statements - continued  
for the Year Ended 31 December 2016**

**2. ACCOUNTING POLICIES - continued**

**Investment property**

Investment properties are properties held to earn rentals and/or for capital appreciation. Investment properties are initially measured at cost, including transaction costs. Subsequently investment properties whose fair value can be measured reliably without undue cost or effort on an on-going basis are measured at fair value. Gains and losses arising from changes in the fair value of investment properties are included in profit or loss in the period in which they arise.

**Stocks**

Stocks are valued at the lower of cost, using the first in first out method, and selling price less costs to sell.

**Financial instruments**

The company enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in profit or loss.

For financial assets measured at amortised cost, the impairment loss is measured as the difference between an asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and the best estimate, which is an approximation, of the amount that the company would receive for the asset if it were to be sold at the reporting date.

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

**Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Consolidated Profit and Loss Account, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

**Foreign currencies**

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Notes to the Consolidated Financial Statements - continued  
for the Year Ended 31 December 2016

2. ACCOUNTING POLICIES - continued

**Hire purchase and leasing commitments**

Assets obtained under hire purchase contracts are capitalised in the balance sheet and depreciated over their estimated useful lives.

The interest element of these obligations is charged to the profit and loss account over the relevant period. The capital element of the future payments is treated as a liability.

Rentals paid under operating leases are charged to the profit and loss account as they are incurred.

**Pension costs and other post-retirement benefits**

The group operates three defined contribution pension schemes, two in respect of its directors and one for employees. The assets of the schemes are held separately from those of the group in independently administered funds. Payments to the schemes are charged as an expense as they fall due.

**Impairment of non financial assets**

At each reporting date non-financial assets not carried at fair value are reviewed to determine whether there is an indication that an asset may be impaired. If there is an indication of possible impairment, the recoverable amount of any asset or group of related assets, which is the higher of value in use and the fair value less cost to sell, is estimated and compared with its carrying amount. If the recoverable amount is lower, the carrying amount of the asset is reduced to its recoverable amount and an impairment loss is recognised immediately in profit or loss.

If an impairment loss is subsequently reversed, the carrying amount of the asset or group of related assets is increased to the revised estimate of its recoverable amount, but not to exceed the amount that would have been determined had no impairment loss been recognised for the asset or group of related assets in prior periods. A reversal of an impairment loss is recognised immediately in profit or loss.

Subsidy entitlement rights, purchased in 2007, are in connection with gaining entitlement rights for income support from the land owned. They are held at fair value subject to a review by the directors at each year end. At 31 December 2016 they have been valued at £22,050 (2015 £22,050). The valuation is based on the expectation that the income support will continue to be received and the amount expected to be received each year. Had the rights been carried using the cost model the carrying amount would be £nil (2015 £2,205).
