NOTES TO THE ACCOUNTS

30 NOVEMBER 2015

1. STATEMENT OF ACCOUNTING POLICIES

The principal accounting policies which are adopted in the preparation of the financial statements are set out below.

- (a) **Basis of accounting**
The financial statements have been prepared under the historical cost convention.
- (b) **Turnover**
Turnover represents net invoiced sales and services, excluding value added tax.
- (c) **Tangible fixed assets**
Depreciation has been provided at rates calculated to write off each asset over its estimated useful life. The principal annual rate in use for plant and machinery is 20% on cost.
- (d) **Deferred taxation**
Deferred taxation is provided on the liability method to take account of timing differences between the treatment of certain items for accounts purposes and their treatment for tax purposes.

Provision is made at appropriate rates for taxation deferred in respect of all material timing differences only to the extent that, in the opinion of the Directors, there is a reasonable probability that a liability or asset will crystallise in the foreseeable future.

2. BASIS OF PREPARING THE FINANCIAL STATEMENTS

The Company meets its day to day working capital requirements through finance by the Directors. The Directors expect to continue to finance the business. On this basis, the Directors consider it appropriate to prepare the financial statements on the going concern basis.
