Achievements and performance

For the period to 31st March 2022 the centre has been used regularly for over 25 different activities, provided by groups and leaders hiring rooms, or directly by Chalkhill Community Centre, or in partnership with other organisations such as Chalkhill Community Action (CCA). Several activities encourage fitness including Raunchy Rockers that continues to support older people to exercise, and a women-only exercise class. Other activities include a choir, a older people's social group, counselling for children and adults, and martial arts for children. There are also church meetings and meetings of the Muslim community during Ramadan.

We have been looking at ensuring we address the needs of all sections of the local community, and that we make space affordable for activities that align with our values and objects and that deliver services for the benefit of Chalkhill residents. We are also planning to increase events and regular communications.

In January 2022 we took on our Interim Community Development Lead to address the reduction in income caused by the Covid-19 pandemic and to initiate more activities and projects delivered directly by the centre. This will bring in more grant funding to contribute to a multi-sourced income stream. We continue to employ an admin and finance worker and our caretaker, and all staff work to carry out the work of the charity and to implement the plan for growth. The centre continues to develop as a lively and responsive community hub where people accessing opportunities are able to thrive.

Financial review

Despite a significant downturn during the pandemic, money from hiring rooms continues to be our main source of income. As well as community activities, we hire out rooms for parties and meetings, with a reduction for local residents and voluntary sector organisations. We are currently reviewing the charging structure to ensure it is correctly balanced between generating income and ensuring the community benefits. During the year we were grateful for the support of Chalkhill Community Trust Fund for a significant grant. Together with some hire income, this enabled the charity to achieve a deficit of (£ 2,760) (2021 -deficit £25,366), with finances looking optimistic over the next 12 months. We also thank the Harold Ward Fund for Hope for a donation spent on equipment for our Willows older people's group.

Moving forward we plan to broaden our income sources through more grant funding in order to continue to address the needs of the community.

Voluntary income is received by way of grants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant. Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included.

Gifts donated for resale are included as incoming resources within activities for generating funds when they are sold.

Grants, including grants for the purchase of fixed assets, are recognised in full in the statement of financial activities in the year in which they are receivable.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.
