## **NOTES TO THE FINANCIAL STATEMENTS**

**FOR THE YEAR ENDED 30 APRIL 2018**

---

### **1 Accounting policies**

#### **Company information**

World of Service Limited is a private company limited by shares incorporated in England and Wales. The registered office is Unit A, Brook Park East, Shirebrook, NG20 8RY.

#### **1.1 Accounting convention**

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the requirements of the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

As permitted by FRS 102, the company has taken advantage of the disclosure exemptions available under that standard in relation to presentation of a cash flow statement, financial instrument disclosures, disclosure of related party transactions with group members and disclosing key management compensation.

Where required, equivalent disclosures are given in the group accounts of Sports Direct International plc. The group accounts for Sports Direct International plc are available to the public and can be obtained as set out in note 9.

#### **1.2 Going concern**

At the period end the company had a deficit of £2,211,290. The deficit is funded by loans from other group companies which will not be called for repayment unless cash flows permits for a minimum period of 12 months from approval of these financial statements. The directors consider, with parent company support, that it is appropriate for the accounts to be prepared on a going concern basis.

#### **1.3 Income statement**

The company has not traded during the year or the preceding financial period. During this time the company received no income and incurred no expenditure and therefore no Income statement is presented in these financial statements.

#### **1.4 Non-current investments**

Interests in subsidiaries, associates and jointly controlled entities are initially measured at cost and subsequently measured at cost less any accumulated impairment losses. The investments are assessed for impairment at each reporting date and any impairment losses or reversals of impairment losses are recognised immediately in profit or loss.

A subsidiary is an entity controlled by the company. Control is the power to govern the financial and operating policies of the entity so as to obtain benefits from its activities.

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 30 APRIL 2018

### 1 Accounting policies

(Continued)

#### 1.5 Financial instruments

The company only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities such as trade and other accounts receivable and payable, loans to related parties and investments in ordinary shares.

All financial assets and liabilities are initially measured at transaction price and subsequently measured at amortised cost.

For financial assets measured at cost less impairment, the impairment loss is measured as the difference between an asset's carrying amount and best estimate, which is an approximation of the amount that the company would receive for the asset if it were sold or settled at the balance sheet date.

#### 1.6 Group accounts

The financial statements present information about the company as an individual undertaking and not about its group. The company has not prepared group accounts as it is exempt from the requirement to do so by section 400 of the Companies Act 2006 as it is a subsidiary undertaking of Sports Direct International plc, a company incorporated in England and Wales, and is included in the consolidated accounts of that company.

### 2 Judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

#### Critical judgements

The following judgements (apart from those involving estimates) have had the most significant effect on amounts recognised in the financial statements.

#### Investments

Critical estimates, assumptions and judgements relate to the determination of the carrying value of investments. In determining this, the company applies the overriding concept that fair value is the amount for which an asset can be exchanged between knowledgeable willing parties in an arms length transaction.

### 3 Subsidiaries

Details of the company's subsidiaries at 30 April 2018 are as follows.

Name of undertaking	Registered office	Nature of business	Class of shares held	% Held
