Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently; and

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Directors' Responsibilities Statement set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Report and Financial Statements to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2016 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- The Directors' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have identified no material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to take advantage of the small companies' exemption from the requirement to prepare a Strategic Report and take advantage of the small companies' exemption in preparing the Directors' Report.

Velocity Productions Limited

Notes to the financial statements at 31 December 2016

1 Accounting policies

a) Statement of compliance

Velocity Productions Limited is a limited liability company incorporated in England. The Registered Office is 98 Theobald's Road, London, WC1X 8WB.

The company's financial statements have been prepared in compliance with FRS 102 as it applies to the financial statements of the company for the year ended 31 December 2016.

b) Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 2006 and with applicable United Kingdom accounting standards.

The financial statements are prepared in sterling which is the functional currency of the company and rounded to the nearest £'000.

Statement of cash flows

The company has taken advantage of the exemption in FRS 102 1.12(b) Reduced disclosures for subsidiaries. A statement of cashflows has not been prepared as the company is a member of a group where the parent, Time Warner Inc., prepares publicly available consolidated financial statements and the company is included in the consolidation (see note 10).

Related parties

The company has taken advantage of the exemption in FRS 102 33.1A not to disclose related party transactions with fellow wholly-owned subsidiary undertakings of Time Warner Inc., which prepares publicly available consolidated financial statements (see note 10).

c) Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the statement of financial position date and the amounts reported for revenues and expenses during the year. However, the nature of estimation means that actual outcomes could differ from those estimates. The following judgements (apart from those involving estimates) have had the most significant effect on amounts recognised in the financial statements.

Taxation

The company recognises liabilities for anticipated uncertain corporation tax positions based on reasonable estimates of whether additional taxes will be due and the timing of those additional taxes. Further details are contained in Note 5.

Management estimation is required to determine the amount of deferred tax assets that can be recognised, based upon likely timing and level of future taxable profits.

d) Significant accounting policies

Turnover

The company engages in film production, and turnover net of value added tax comprises film production fees and profit participations from the exploitation of films. All turnover arises in the United Kingdom from continuing operations.

Participation revenue and production fee income are recognised on an accruals basis following the contractual conditions of the agreements.

Interest receivable and payable

Interest income and expense are recognised on an accruals basis.

Foreign currencies

Transactions in foreign currencies are initially recorded in the company's functional currency by applying the spot rate of exchange ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the rate of exchange ruling at the statement of financial position date. All differences are taken to the statement of income and retained earnings.

Notes to the financial statements at 31 December 2016

2 Operating loss

This is stated after charging/(crediting):

| | Year ended 31 December 2016 £'000 | Year ended 31 December 2015 £'000 |
|--|--|--|
| Auditor's remuneration | 8 | 8 |
| audit of the current year financial statements | | |
| Prior year over accrual | | (9) |
| Foreign exchange (gain)/loss | (41) | 267 |

The company had no employees in the current and prior year.

To the extent that the company is a film production company it engages cast and crew to provide services for film production. As such these individuals are not considered to be employees for the purposes of section 411 of the Companies Act 2006.

3 Directors' remuneration

The directors of the company are also directors of, and paid by, other companies within the group in current and prior year. They have minimal qualifying services to the company and receive no remuneration in respect of the company.

4 Interest receivable and similar income

| | Year ended 31 December 2016 £'000 | Year ended 31 December 2015 £'000 |
|---|--|--|
| Interest receivable from group undertakings | 3 | 4 |

5 Taxation on loss on ordinary activities

a) The credit based on the loss for the year is £1,062,000 (2015 - £520,000).

b) Circumstances affecting the total tax charge:

The standard rate of current tax for the year, based on the UK standard rate of corporation tax is 20% (2015 - 20.25%).

The tax credit for the year differs from the standard rate for the reasons in the reconciliation below:

| | Year ended 31 December 2016 £'000 | Year ended 31 December 2015 £'000 |
|--|--|--|
| Loss on ordinary activities before taxation | (1,013) | (438) |
| Taxation on loss on ordinary activities at standard rate | (203) | (89) |
| Factors affecting the tax charge: | | |
| Film tax credit | (859) | (431) |
| Total tax credit (see note 5(a) above) | (1,062) | (520) |

c) Factors affecting future tax charges

The Finance (No. 2) Act 2015, enacted on 18 November 2015, included two changes to the future mainstream corporation tax rate. From 1 April 2017 the rate will reduce from 20% to 19% and from 1 April 2020 the rate will reduce further to 18%.

The Finance Act 2016, enacted on 15 September 2016, included a further rate change. The 18% rate enacted in the Finance (No. 2) Act 2015 will reduce by 1%, so that from 1 April 2020, the mainstream corporation tax rate will become 17%. The effect of these changes on the deferred tax balance is reflected in these accounts.

It is not yet possible to quantify the impact of this rate change upon current tax.
