Trustees' Report
for the year ended 31st December 2013

The trustees, who are also directors of the charity for the purposes of the Companies Act 2006 present their report with the financial statements of the charity for the year ended 31 December 2013. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities' issued in March 2005.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Jason Roberts Foundation is constituted as a charitable company registered with the Charity Commission in April 2007 under charity number 1118887. The charity is governed by a board of trustees acting in accordance with its governing document, the Memorandum and Articles of Association and is structured as a company limited by guarantee, as defined by the Companies Act 2006.

Organisational Structure

The board of trustees is not subject to a maximum number of trustees but there must always be a minimum of three trustees. The board meets regularly to discuss development, membership, and finance. To facilitate effective operations and the delivery of projects in furtherance of the charitable objects. The board is in regular contact with the Chief Executive Officer, Otis Roberts and the Caribbean Development Manager Andre Patterson, who manages and coordinates operations in Grenada.

Recruitment and appointment of trustees

As set out in Articles 29 to 37 of the Articles of Association a person is only eligible to act as a trustee if they have been proposed by a trustee and it has then been passed by an ordinary resolution of the members or alternatively by the board of trustees to appoint that person as a trustee.

Induction and training of trustees

New trustees are invited to a trustees meeting to brief them of their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the committee and decision making processes, the business plan and recent financial performance of the charity. A number of publications from the Charity Commission are also provided including the guidance on charities and public benefit. Trustees are aware that it is their responsibility to keep abreast of developments in relation to the governance of charities under the Charities Act.

Risk Management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The key focus of the Foundation is to promote community participation in healthy recreation and to advance education, by using the power of sport as an empowering tool to help disadvantaged children and young people to become healthy, responsible and valuable members of society and to create a positive outlook in their lives.

OBJECTIVES AND ACTIVITIES (CONTINUED)

Objectives and aims

The Foundation will seek to work in partnership to shape, design and deliver a range of safe, stimulating and exciting opportunities in the UK and across the Caribbean.

Our objectives are set to reflect our community aims. Each year our trustees review our objectives and activities to ensure continued support to those projects in our focused areas. In carrying out this review the trustees have considered the Charity Commission's general guidance on public benefit.

Other aims of the Foundation are:

- to provide opportunities for young people to participate in learning programmes which will enhance educational achievement
- to continue to develop a Sports Academy in Grenada which is accessible to children and young people of both sexes, all ages and abilities across the island
- to work in partnership with key public, private and voluntary sector partners to deliver high quality provision

Strategies

The Foundation has attracted an impressive range of individuals and organisations that together provide a broad and rich variety of experiences; knowledge and expertise that will enable the Foundation to respond to the challenges ahead. The diversity of the skills held within the Foundation will provide an effective and efficient organisational structure to manage and deliver this international programme.

Use of volunteers

The charity is dependent on the voluntary work of the trustees and other volunteers in administering its funds and carrying out its community work. As this work has no tangible value this is not recognised in the financial statements.

How our activities deliver public benefit

The charity supports a wide range of sporting, educational and social inclusion activities in furtherance of its charitable objects. The activities supported by the Foundation provide benefit to a wide selection of the community both in the UK and the Caribbean; children and people of all ages, abilities and both sexes are eligible to participate.

The trustees have complied with the duty in section 4 of the Charities Act 2006 to have due regard to public benefit guidance published by the commission.

The trustees are confident that they have the support of their creditors. We are not required to and have not performed any procedures to corroborate the trustees' views, and we therefore express no opinion on this matter.
