**Financial statements for the year ended 30 September 2018**

**STRATEGIC REPORT FOR THE YEAR ENDED 30 SEPTEMBER 2018**

The directors present their Strategic Report and financial statements for the year ended 30 September 2018.

**Principal activities and business review**

During the year, the company performed liaison services for Dolby Laboratories International Services Inc. (DLIS), including carrying out a large number of product & technology demonstrations for customers, exhibiting Dolby products at European trade shows, assisting DLIS to secure technology wins from companies based in Europe, and assisting DLIS to build relationships and to define broadcast standards across Europe.

The profit for the financial year 2018 decreased compared to 2017 by GBP 941,388 going from GBP 1,394,348 GBP (2017) to GBP 452,960 (2018) mainly due to the change in the cost plus mark up.

**Principal risks, uncertainties and future developments**

During FY18, the company continued to support Sales & Marketing across Europe on behalf of its parent company, Dolby Laboratories Inc.

The directors consider that the Company's exposure to price risk, credit risk, liquidity risk and cash flow risk are not material for the assessment of the financial position and profit of the Company.

The company is not expecting significant changes around the business model. After a review of our real estate strategy it was observed that our two UK sites Royal Wootton Bassett and London Soho are underutilized therefore the decision was taken to close the RWB site during 2019-2020.

We are undertaking a renovation of the Soho office to accommodate the RWB positions and hope that the majority of staff will transfer to central London to be closer to our partners and customers. The company is expected to generate positive cash flow that will improve the balance sheet.

**Key Performance Indicators**

Due to the simple nature of the operations the directors consider that analysis of financial and non-financial performance using key performance indicators is not appropriate for this company.

**DIRECTORS' REPORT**

The directors present their report and the audited financial statements for the year ended 30 September 2018.

**Dividends**

The directors recommend that no dividend is paid in respect of the current financial year (2017: GBP nil).

**Political and charitable contributions**

The company made no charitable donation or political contribution during the year 2018 (2017: GBP nil).

**Directors**

The directors who held office during the year were as follows:

Grace Chu

Mark Andrew Sherman

Lesley Brookes

**Post balance sheet events**

There are no post balance sheet events to be disclosed.

**Statement of directors' responsibilities**

The directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

**Disclosure of information to auditor**

- As far as the directors are aware, there is no relevant audit information of which the company's auditor is unaware; and
- The directors have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

**Independent Auditor**

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DOLBY EUROPE LIMITED**

### **Opinion**

We have audited the financial statements of Dolby Europe Limited ("the company") for the year ended 30 September 2018 which comprise the profit and loss account, balance sheet, statement of changes in equity and related notes, including the accounting policies in note 3.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 30 September 2018 and of its profit for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion

### **The impact of uncertainties due to the UK exiting the European Union on our audit**

Uncertainties related to the effects of Brexit are relevant to understanding our audit of the financial statements. All audits assess and challenge the reasonableness of estimates made by the directors, related disclosures and the appropriateness of the going concern basis of preparation of the financial statements. All of these depend on assessments of the future economic environment and the company's future prospects and performance.

Brexit is one of the most significant economic events for the UK, and at the date of this report its effects are subject to unprecedented levels of uncertainty of outcomes, with the full range of possible effects unknown. We applied a standardised firm-wide approach in response to that uncertainty when assessing the company's future prospects and performance. However, no audit should be expected to predict the unknowable factors or all possible future implications for a company and this is particularly the case in relation to Brexit.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DOLBY EUROPE LIMITED (CONTINUED)**

### **Going concern**

The directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the company or to cease its operations, and as they have concluded that the company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least a year from the date of approval of the financial statements. In our evaluation of the directors' conclusions, we considered the inherent risks to the company's business model, including the impact of Brexit, and analysed how those risks might affect the company's financial resources or ability to continue operations over the going concern period. We have nothing to report in these respects.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the absence of reference to a material uncertainty in this auditor's report is not a guarantee that the company will continue in operation.

### **Strategic report and directors' report**

The directors are responsible for the strategic report and the directors' report. Our opinion on the financial statements does not cover those reports and we do not express an audit opinion thereon.

Our responsibility is to read the strategic report and the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the strategic report and the directors' report;
- in our opinion the information given in those reports for the financial year is consistent with the financial statements; and
- in our opinion those reports have been prepared in accordance with the Companies Act 2006.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in these respects.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF DOLBY EUROPE LIMITED (CONTINUED)**

### **Directors' responsibilities**

As explained more fully in their statement set out on page 4-5, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities).

### **The purpose of our audit work and to whom we owe our responsibilities**

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

**NOTES**

(forming part of the financial statements)

**1. General information**

Dolby Europe Limited (the "Company") is a company limited by shares and incorporated and domiciled in the UK.

The company performs liaison services for Dolby Laboratories International Services Inc. (DLIS), including carrying out a large number of product & technology demonstrations for customers, exhibiting Dolby products at European trade shows, assisting DLIS to secure technology wins from companies based in Europe, and assisting DLIS to build relationships and to define broadcast standards across Europe.

**2. Statement of compliance**

The financial statements have been prepared in accordance with Financial Reporting Standard 102 *The Financial Reporting Standard* applicable in the UK and Republic of Ireland ( "FRS 102 ") as issued in August 2014. The amendments to FRS 102 issued in July 2015 and effective immediately have been applied. The presentation currency of these financial statements is sterling. All amounts in the financial statements have been rounded to the nearest pound.

The Company's parent undertaking, Dolby Laboratories Inc., includes the Company in its consolidated financial statements. These consolidated financial statements of Dolby Laboratories Inc. are available to the public and may be obtained from its registered office at 1275 Market Street, San Francisco, California.

**3. Summary of significant accounting policies**

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in the financial statements.

In these financial statements, the company is considered to be a qualifying entity (for the purposes of this FRS) and has applied the exemptions available under FRS 102 in respect of the following disclosures:

- Reconciliation of the number of shares outstanding from the beginning to end of the period;
- Related parties disclosures;
- Cash Flow Statement and related note; and
- Key Management Personnel compensation.

As the consolidated financial statements of Dolby Laboratories Inc. include the equivalent disclosures, the Company has also taken the exemptions under FRS 102 available in respect of the following disclosures :

- Certain disclosures required by FRS 102.26 *Share Based Payments*; and,
- The disclosures required by FRS 102.11 *Basic Financial Instruments* and FRS 102.12 *Other Financial Instrument Issues* in respect of financial instruments not falling within the fair value accounting rules of Paragraph 36(4) of Schedule 1.

**Notes (continued)**

**Basis of preparation**

The financial statements have been prepared on a going concern basis, under the historical cost convention, as modified by the recognition of certain financial assets and liability measured at fair value.

**Going concern**

The directors have no reason to believe that a material uncertainty exists that may cast significant doubt about the ability of Dolby Europe Limited to continue as a going concern.

The directors have a reasonable expectation that the Group, to which the Company belongs, has adequate resources to continue in business for the foreseeable future thus they continue to adopt the going concern basis of accounting in preparing the annual financial statements.

**Tangible fixed assets and depreciation**

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Depreciation is charged to the profit and loss account on a straight line basis over the estimated useful lives of the tangible fixed assets. The estimated useful lives are as follows:

Leasehold improvements	End of lease term
Plant and equipment	3-15 years
Computer equipment	3-5 years

The company assesses at each reporting date whether tangible fixed assets are impaired.

**Operating leases**

Rentals under operating leases are charged to the profit and loss account on a straight line basis over the life of the lease.

Benefits received and receivable as an incentive to sign an operating lease are recognized on a straight line basis over the period until the date the rent is expected to be adjusted to the prevailing market rate.

**Foreign currencies**

Transactions in foreign currencies are recorded using the rate of exchange ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated using the rate of exchange ruling at the balance sheet date and the gains or losses on translation are included in the profit and loss account. Non-monetary assets and liabilities that are measured in

**Notes (continued)**

terms of historical cost in a foreign currency are translated using the exchange rate at the date of the transaction.

**Taxation**

Tax on the profit or loss for the year comprises of current and deferred tax. Tax is recognized in the profit and loss account except to the extent that it relates to items recognized directly in equity or other comprehensive income, in which case it is recognized directly in equity or other comprehensive income.

Current tax is the expected tax payable or receivable on the taxable income or loss for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in previous years.

Deferred tax is provided on timing differences which arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognized in the financial statements. The following timing differences are not provided for; differences between accumulated depreciation and tax allowances for the cost of a fixed asset if and when all conditions for retaining the tax allowances have been met; and differences relating to investment subsidiaries, to the extent that it is not probable that they will reverse in the foreseeable future and the reporting entity is able to control the reversal of the timing difference. Deferred tax is not recognized on permanent differences arising because certain types of income or expense are non-taxable or are disallowable for tax or because certain tax charges or allowances are greater or smaller than the corresponding income or expense.

Deferred tax is measured at the tax rate that is expected to apply to the reversal of the related difference, using tax rates enacted or substantively enacted at the balance sheet date. Deferred tax balance are not discounted.

Unrelieved tax losses and other deferred tax assets are recognized only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

**Turnover**

The company charges Dolby Laboratories International Services Inc. at cost plus 8% for the services provided by the company.

All turnover is generated from activities undertaken in the United Kingdom.

**Share based payments**

The share option program allows employees to acquire shares of the ultimate parent company Dolby Laboratories Inc. Services received in equity-settled share based payment transactions are

**Dolby Europe Limited**  
**Financial statements for the year ended 30 September 2018**

**Notes (continued)**

recognized when services are received. The fair value of options granted and those not yet vested is recognized as an employee expense with a corresponding increase in equity. The fair value is measured at grant date and spread over the period during which the employees become unconditionally entitled to the options. The fair value of the options granted is measured using an option pricing model, taking into account the terms and conditions upon which the options were granted. The amount recognized as an expense is adjusted to reflect the actual number of share options that vest except where forfeiture is only due to share prices not achieving the threshold for vesting.

For corresponding recharges made by Dolby Laboratories Inc. to the company an adjustment to the capital contribution is recognized (decrease in equity) and an intercompany liability is recorded.

**Post-retirement benefits**

The company operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the company in an independently administered fund. The amount charged to the profit and loss account represents contributions payable to the scheme in respect of the accounting period.

**Provisions**

A provision is recognized in the balance sheet when the Company has a present legal or constructive obligation as a result of a past event that can be reliably measured and it is probable that an outflow of economics benefits will be required to settle the obligation. Provisions are recognized at the best estimate of the amount required to settle the obligation at the reporting date.

<b>Tax charge / (credit) on profit</b>	<b>151,189</b>	<b>221,821</b>

**Taxation**

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

Current tax, including UK corporation tax, is provided at amounts expected to be paid (or recovered) using tax rates and laws that have been enacted, or substantially enacted, by the balance sheet date.

Deferred tax is recognized without discounting, in respect of all timing differences between the treatment of certain items for taxation and accounting purposes which have arisen but not reversed by the balance sheet date, except as otherwise required by FRS 19.

**Dolby Europe Limited**  
**Financial statements for the year ended 30 September 2018**

**NOTES (continued)**

**Reconciliation of tax charge**

Tax assessed for the year is lower than the standard rate of corporation tax in the UK for the year ended 30 September 2018 of 19% (2017: 19.5%).

	<b>2018</b>	<b>2017</b>
	<b>GBP</b>	<b>GBP</b>

<b>Tax charge for the year</b>	<u><b>151,189</b></u>	<u><b>221,822</b></u>

***Factors that may affect future current and total tax charges***

The directors consider that the deferred tax asset is recoverable to the extent that, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of timing differences can be deducted.
