#### FLOATING CHARGE BECOMING FIXED

The general law will convert the floating charges created by the Debenture into fixed charges in certain situations. In addition to those situations such charges will become fixed in relation to particular Charged Assets without the need for any further action if -

- (A) the Company creates or attempts to create or allows to exist an Other Interest (as defined below) (except a Permitted Interest (as defined below)) over them,
- (B) distress, execution, attachment, sequestration, diligence in execution or other process is levied on or threatened in relation to them,
- (C) Bibby gives the Company notice in Writing (as defined below) converting the floating charges into fixed charges over all or any of the Charged Assets (at any time and if Bibby chooses on more than one occasion)

Once any event described in (A), (B) or (C) above occurs the Company will deal with the relevant Charged Assets in all respects as then the subject of a fixed charge

#### **NEGATIVE COMMITMENTS**

The Debenture contains restrictions which, amongst other matters, provide that in relation to the Charged Assets or any interest therein the Company will not without the prior written consent of the Appropriate Consent Provider (as defined below) (by letter sent by it to the Company) -

- (A) sell, transfer lose possession, grant any interest or create or allow to exist any Other Interest (except a Permitted Interest) or attempt any such thing except that any asset subject to a charge created by the Debenture which is expressed to be floating in the Debenture may be sold at full market value in the ordinary course of the Company's business as carried on at the date of the Debenture before such charge becomes fixed on any such asset.
- (B) except as expressly provided for in the Debenture, release, exchange, compound, set off, grant time or indulgence.
- (C) enter into any factoring or discounting agreement or any other agreement for the sale and purchase of Non-Vesting Debts or Other Debts except with Bibby or any of Them,
- (D) exercise any power (statutory or otherwise) of leasing, agreeing to lease or accepting surrenders of leases or otherwise grant or agree to grant any lease, tenancy, licence or right of occupation
- (E) do (or not do) anything which may in any way reduce, put at risk or otherwise adversely affect their value or the ability to sell or otherwise dispose of them

#### POSITIVE COMMITMENTS

The Debenture contains obligations which, amongst other matters, provide that the Company -

- (A) will only deal with Non-Vesting Debts and their proceeds as if their ownership had been validly and effectively transferred to that one of Them which has entered into the Debt Purchase Agreement (as defined below) to which such Non-Vesting Debts relate.
- (B) in relation to all Other Debts -
  - (i) must provide Bibby with such information as it requires from time to time,
  - (ii) will collect and realise them promptly and otherwise in the ordinary course of business as Bibby's agent and must not release, exchange, compound, set-off, grant time or indulgence in respect of or otherwise deal with them except as set out in the Debenture or as Bibby or the Appropriate Consent Provider direct in Writing from time to time
  - (iii) will (for all monies the Company receives relating to them) -
    - (a) immediately pay them into such account(s) as Bibby may from time to time direct and until so paid hold them on trust for Bibby, and
    - (b) once paid into such account withdraw or deal with them and such account only with the prior written consent of the Appropriate Consent Provider and as the Appropriate Consent Provider may direct.
