Notes to the Abbreviated Accounts
for the Year Ended 31 December 2014

1. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

The financial statements have been prepared on a going concern basis. The financial statements show that the net current liabilities exceeded the net current assets. The company is therefore reliant on the support of the Creditors. No adjustment has been made to reclassify assets and liabilities on the basis that the support from the Creditors will not be withdrawn. The Directors therefore consider it appropriate to prepare the financial statements on a going concern basis.

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Turnover

Turnover represents net sales of goods and services, excluding value added tax.

Deferred tax
