Notes to the financial statements

1 Accounting policies

a) Accounting convention

The accounts are prepared under the historical cost convention and in accordance with applicable accounting standards

A key source of estimation uncertainty within these financial statements surrounds the carrying value of the company's investment in Folkestone Harbour Limited Partnership. The Director has reviewed the carrying cost of this investment against estimates of net realisable value (NRV). The Director has arrived at NRV by valuing the investment at an amount equivalent to the company's share of net assets of the partnership. This has given rise to an increase in value of £140,503 (2011 impairment - £126,527). Should there be further significant movement in UK real estate pricing, then further write-downs or write-backs of the investment may be necessary.

b) Cash flow statement

The directors have taken advantage of the exemption available under FRS 1 (revised) from the requirement to prepare a cash flow statement on the basis that the company qualifies under the exemption for small companies.

c) Investments

Investments are held at cost less any provision for impairment.

d) Going concern

The financial statements have been prepared on the going concern basis which the director believes to be appropriate for the following reasons. The company is dependent for its working capital on funds provided to it by Folkestone Harbour Holdings Limited, the company's ultimate parent. Folkestone Harbour Holdings Limited has indicated that for at least 12 months from the date of approval of these financial statements, it intends to continue to make available such funds as are needed by the company and in particular it does not intend to seek repayment of the amounts currently made available. The director considers that this should enable the company to continue in operational existence for the foreseeable future by meeting its liabilities as they fall due for payment. As with any company placing reliance on other group entities for financial support, the director acknowledges that there can be no certainty that this support will continue although, at the date of approval of these financial statements, he has no reason to believe that it will not do so.
