Notes to the Abbreviated Accounts for the Year Ended 31 March 2016

1. ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

Exemption from preparing a cash flow statement

Exemption has been taken from preparing a cash flow statement on the grounds that the company qualifies as a small company.

Turnover

Turnover comprises the value of goods and services supplied by the company, net of Value Added Tax and trade discounts.

Intangible fixed assets

Intangible fixed assets are stated at cost less amortisation and are written off on a straight line basis as follows:

Goodwill Over 5 years

Tangible fixed assets

Tangible fixed assets are stated at cost less depreciation.

Depreciation is provided at rates calculated to write off the cost of the assets, less their estimated residual value, over their estimated useful lives on the following basis:

Fixtures and equipment 25% reducing balance Computer equipment 35% reducing balance Other office equipment 25% reducing balance Motor vehicles 25% reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Deferred tax

The charge for taxation takes into account taxation deferred as a result of timing differences between the treatment of certain items for taxation and accounting purposes. In general, deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. However, deferred tax assets are recognised only to the extent that the director considers that it is more likely than not that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits. Deferred taxation is measured on a non-discounted basis at the average tax rates that would apply when the timing differences are expected to reverse, based on the rates and laws that have been enacted by the balance sheet date.
